January 2022

ARE YOU READY TO GO INSANE?

Newest member of Dark Knight Series is a light that cover all your lighting needs: driving light with dual position light and warning light!

The beam pattern of the warning light makes a perfect balance between length and width.

Intended to be seen from all angles on the road and as to drive in daylight even during the dark hours of the night.

Dark Knight Insane

9-36V, 120W, IP68/69K, 10 500 Lumen, ECE R10, R112, R7, R65
