PERSONALISE

YOUR BRAND ON EVERYTHING

Brand it

Every product can be personalised. Depending on the material of the product, the message you want to communicate and the effect you are after.

We can advise you on the best suited item/technique combination.

NAME PERSONALISATION

INDIVIDUAL NAMES PER PRODUCT

Name it

Celebrating an anniversary, a graduation or a promotion is a memorable moment. Make your gifts extra personal by adding individual names or texts on the item or sleeve.

How does it work? It's easy! We offer individual personalisation or so called 'Variable Data Printing' (VDP) on the majority of the items from our collection.

We can advise you on the best suited item/technique combination.

EXAMPLES OF INDIVIDUAL NAME PRINTING

PERSONALISE - SLEEVE

SOME EXAMPLES

Sleeve it

Design your own full colour sleeve. Not only does it have a striking appearance, it also gives you that extra space to add a specific message.

- Unique, stylish and memorable packaging
- Ideal for several gift giving occasions
- Individual personalisation possible

ADD-ONS

ADDITIONAL SERVICE

Add it

You have created the perfect giftbox, but you want to add something extra in there which is not in our standard collection, like some chocolate or your own brochure.

No problem, we can add this to your giftbox if you supply these goods to our printing facility.

This will make your giftbox even more personal. Contact us for the do's and don't's.

HOME DELIVERY

ADDITIONAL SERVICE

Deliver it

We can deliver your order to individual (home)addresses - so called dropshipping.

Provide us a list of addresses and we will take care of the rest. Deliveries are carried out by local postal companies. You will be informed at every step of the process.

With dropshipping, you don't have to worry about:

- Managing or paying for a warehouse
- Packing and shipping your orders
- Handling returns and inbound shipments
- Individual address tracking information

Privacy

All shipments conform with GDPR (General Data Protection Regulation). Upon request we can provide a GDPR processor agreement.
