

Transfer of business to MONTI - Werkzeuge GmbH

Ratingen, 17.11.2023. Since 1998 the company Savoir Vivre GmbH stands for high quality dog brushes sold under the name Activet and website like Duovet and Activet. In the past 15 years, we have been able to gain a lot of interesting and exciting experience in global sales, and a large number of valuable contacts and encounters have shaped our path.

The fact that the supply and manufacturing come from MONTI - Werkzeuge GmbH and that the brand Activet belonged to MONTI - Werkzeuge GmbH, our chef Mr. Knoll decided to place the business of Activet/Duovet in our hands with the direct support of MONTI - Werkzeuge GmbH from Hennef, near Cologne/Bonn.

We are very pleased that MONTI - Werkzeuge GmbH, known for its innovative products in surface preparation, as the new owner for the original Activet dog brush can help to grow the business internationally. MONTI has always been a supplier who shares the high-quality standards for surface preparation in alternate way. As of November 17, 2023, all orders will be processed in the name of MONTI - Werkzeuge GmbH.

We remain the contact persons and can be reached under the known contact details or via the new montipower.com email addresses. To ensure a smooth transition, you can also contact Jana Gierok and Melanie Heck at activet@montipower.com.

With this important step, Savoir Vivre GmbH has secured the future of the Petcare business.

We would like to thank Mr. Knoll for his devotion and commitment and Mr. JF Doddema for the opportunity to join the team of MontiPower.

We would also like to thank you, our valued customers, business partners and suppliers, for the loyalty and the trust placed in us, and we would be delighted if you would continue to give this to the new owner of Activet/Duovet.
