# Whatever the occasion celebrate with us!

Getting together for a hen party or baby shower? Celebrating a special birthday? Or simply looking for a lovely way to catch up with good friends? We love hosting, toasting and helping you create an occasion to remember.

Our relaxed, spacious and bright studio seats up to 30 people, giving you plenty of room to unwind, chat and get creative together. With a licensed bar so the fizz can flow, and the flexibility to bring your own food or have us arrange it for you, your celebration can be exactly the way you want it.

We don't charge for hiring our space & you are welcome to decorate - you simply pay for the craft session you choose and any food you enjoy. We'll help you plan the perfect occasion, whether you join us just for your creative session, enjoy some food as well, or make a full day of it with several craft sessions. The whole experience is designed to be easy, relaxed and completely stress-free.
