A warm welcome to all Srividya saadhakas

Sri Mathre Namaha

Welcome to the Srividya family. From now onwards, we want to communicate with you through this monthly newsletter, share the knowledge about Srividya, Universal Mother and bring all the saadhakas under one umbrella.

In the long run, everybody will deeply focus on serious Saadhana and contribute their ideas to inspire others through this platform. This was the dream of our Parama Guru (My Sri Guru), Sri Sri Sri Amritananda Natha Saraswathi of Devipuram.

My Guru is the main instrument in changing my life at the right time in the proper direction. But for him, I would have been an ordinary engineer leading a retired life by now.

My life is full of great rituals like the Homam in the middle of the Pacific Ocean and on the top of Mount Washington in the USA and the Prithvi Sri Chakra Pooja of about 67,600 sq ft Sri Yantra drawn on the ground and worshipped with fire ritual by thousand plus disciples. Who can have this kind of a variety of opportunities to honour the mother other than Srividya Upasaka?

I sincerely hope this newsletter will be additional support in your saadhana and keep encouraging you on the right path by inspiring you with the experiences of senior disciples. Let us join together in this great saga of Srividya, a lifestyle of happiness.

With love and blessings,

Guru Karunamaya

Sri Sri Amrita
Anand Saraswathi of
Devipuram.

NEVER RESIST, JUST LET IT GO!

by Sri Guru Karunamaya

Lalitha Amma is always taking care of us. When you trust her, you need not do anything else. She will carry our luggage of samsara. Leave everything to her. I wanted to be a doctor but studied engineering. I worked for 18 years and then moved to New Zealand and worked as a telemarketer, which is not related to engineering. Then a few years later, I worked as a customer service officer. Later, I moved to the USA and worked as a software developer. At this time, I was called by my Guru and was appointed as the Peetadhipathi (pontiff) of Devipuram. I held different positions and moved to many places, but I never resisted that change and that is my secret. I simply went with the flow, wherever SHE took me.

I was not rigid. Resistance to God will create pain, as friction creates heat. Never resist, just let it go. Amma will take you to your destination on the shortest, safest and coolest path and that is for sure!

Sri Mathre Namaha.

Panchadasī Khadga Maala Saadhana

Khadga Maala is an immensely powerful and important maala mantra which invokes Mahaatripurasundari along with all Her avaraṇa devatas.

Not many are aware of the 15 (panchadasī) variations of Khadga Maala sthōtra. Proper saadhana of panchadasī Khadga Maala brings peace and prosperity to one's life.

There are fifteen maalas altogether. Five maalas are connected to Sakti, five to Siva and five to the union of Siva-Sakti.

The three sets (Sakti, Siva and union of Siva-Sakti) of 5 maalas consist of the following:

- 1) **Shuddha maala** - Normal Khadga maala which we all recite
- 2) **Namontha maala** - Every naama ends with poojyaami namaha
- 3) **Swaahaantha maala** - Every naama ends with swaahaa
- 4) **TarpaNaantha maala** - Every naama ends with tarpayaami namaha
- 5) **Jayaantha maala** - Every naama ends with Jaya Jaya

The panchadasī Khadga Maala is to be recited in a specific schedule starting from the first day after the new moon in the lunar cycle.

You can download the complete script, schedule and procedure for reciting the panchadasī Khadga Maalas from Srimeru Website.

Simple Ritual to Solve Financial Problems

Ilaichi Maala Alankaara Puja

Some of us have severe financial issues in their daily life. One powerful remedy that can solve our financial problems is "Ilaichi Maala Alankaara Puja", performed on Saturdays to Lord Balaji's idol. You must perform this puja every Saturday for a year. The procedure for Ilaichi Maala Alankaara Puja is as follows:

After performing Guru Dhyanam, Ganapathy Dhyanam, Achamanam, and Pranaayama take 27 cardamoms (ilaichis) in a plate and put turmeric water to soak the cardamoms (ilaichis) for about 10/15 seconds.

Insert a white thread into a needle. Take one cardamom at a time, and pass it through the needle while reciting "Om Namō Naaraayanaaya" at a slow pace. Repeat this procedure to make a maala of 27 cardamoms (ilaichis). Once the maala is ready, hold it with your both hands and recite the following three Slokas.

*"Sriyah Kaanthaaya Kalyaana nidhaye nidhayerthinaam
sree venkata nivaasaaya sreenivaasaaya mangaLam*

*Mangalaa saasana parairmadaachaarya purogamai sarvaischa poorvaracharyai
sathkruthaayaasthu mangaLam*

*Sarva MangaLa maangalye sivey sarvaartha saadhike saraNye triyambake devi
naaraayaNi namosthuthey"*

Place the maala on Lord Balaji's icon while reciting the last sloka. Remove the old cardamoms (ilaichi) maala the following Saturday and place a new one. Save the old Ilaichi maalas and store them safely in a box. You can add some camphor to preserve the freshness of old maalas. After you have collected 40- 50 maalas, you may perform "Naaraayana Homam" by offering the maalas one by one after dipping them in ghee.

We have observed that people performing this puja continuously for a year have found solutions to their financial problems.

A detailed manual of the "Naaraayana Homam" is provided on the Srimeru website. A video demonstration of the ritual is posted on the next page.

How to Increase Intelligence in Children

You can raise your child's Intelligence by making them follow a simple Vaagdevata Nyaasa as taught by Guruji. The instructions are given in the video. For best results, help the child to practice the nyaasa at the same time and same place everyday. One's mother can initiate the child into Vaagdevata mantra provided, the mother has taken deeksha of the mantra from a Guru.

Vaaraahi Devi Temple, Varanasi

A mystic underground Vaaraahi Devi's temple is within walking distance of KaaSi Vishwanatha Temple

Vaaraahi Devi is one of the Ashta Maatruka Devathas. She is the commander-in-chief of the army of Sri Lalitha Tripurasundari. Vaaraahi is another form of Lakshmi. While Lakshmi brings auspiciousness, Vaaraahi removes inauspiciousness.

Vaaraahi mantra is a powerful mantra suggested in Srividya as a remedy for lack of peace, disturbed marital relationships, chronic illness and continued legal battles. Vaaraahi saadhana restores peace and harmony in life by transforming you to accept reality. One must take the Vaaraahi mantra deeksha from a Guru for proper saadhana.

A mystic underground Vaaraahi temple is within walking distance of the Vishwanatha Temple in the holy city of Varanasi. She is also the Kshetra Paalika (protector) of KaaSi along with Lord Kalabhairava. She is also known as PataaLa Bhairavi.

The temple is open only for 2 hours, from 5:30 am to 7:30 am and remains closed for the entire day. Following an age-old tradition, only the priests go down the steps to give a divine bath, decorate and perform rituals in Brahma Muhurta to Vaaraahi Devi who resides in the basement. Devotees can glimpse the Mother's face and feet through two holes in the roof.

Vaaraahi saadhana is a very important aspect of Srividya. Mother Vaaraahi protects all devotees who seek her grace and blessings.

Location:

[Vaaraahi Devi Temple](#) is near Manmandir Ghat, about 700 meters from the Kasi Viswanath temple.
