Dear Audience and Members,

We are pleased to present to you the second quarterly narrative report, covering the period from April to June 2024.

During the reporting period, we celebrated Eid al-Fitr, Easter, and Eid al-Adha holidays, while our people in the Gaza Strip for eight long months, have been enduring a relentless daily genocide. This brutal war has stripped Gaza's children and families of their most basic human rights, denying them the opportunity to live a normal life.

As one united people, it was only natural for us to forgo celebrating the holidays. Instead, we focused on maintaining order in churches, distributing water and dates to those fasting, and, with great pride, providing food baskets to needy families in the Ramallah and Al-Bireh governorate as well as the Gaza Strip.

Sareyyet Ramallah, in collaboration with its members, audience, and partners, is committed to continuing its activities and programs despite the challenging circumstances we face. We rely on self-generated revenues from our various projects and programs. Our members have shown significant support by paying their annual membership fees, and our audience has actively participated in our activities, demonstrating their enthusiasm for our income-generating projects such as the swimming pool, park, and children's garden.

Our programs offer distinguished services at affordable prices. We take pride in the community contributions that strengthen the role of community financing, stemming from the trust of our audience and members in Sareyyet Ramallah, and their keenness on its continuity as a home for everyone. (Beit Al-Kul)

Sareyyet Ramallah continued to provide its services and organize programs and activities for members and the public. A total of 165 children participated in Maysa Khoury children summer camp, and 95 members also participated in the general scout camp in Madaba, Jordan. We also enhanced communication with local institutions through visits to various organizations, in addition to, distributing food baskets to needy families in Ramallah and Al-Bireh governorate and in Gaza Strip through our partnership with “Think Palestine” organization. as well as the continued voluntary work, trained sports and arts companies Sareyyet Ramallah dance school graduated its students, distributed gifts to the elderly at the Arab Women's Union Association, participated in the youth camp in the United States, distributed water and dates to fasting individuals during Ramadan, and helped maintain order in churches during Holy Week at Easter, among other activities.

We reiterate our heartfelt thanks and appreciation to the Sareyyet Ramallah members and staff for their tremendous efforts in making our programs and activities successful. With your support, we enhance the role of our Sareyyet Ramallah to continue its mission of giving.

We also extend our thanks to all our partners who believe in our mission for their generous continuous support.

Sareyyet Ramallah welcomes 221 New Members during reporting period

221 new members joined Sareyyet Ramallah, with 68 members under the age of 18 and 153 members over the age of 18. This increase reflects the local community's confidence in Sareyyet Ramallah and the quality of its programs and activities.
