The door to elegance in porcelain tiles
opens with NG Kütahya.

NG Kütahya Seramik: Innovation and Technology in Design

NG Kütahya Seramik continues to set new standards in architecture with its industry-leading innovations, unique designs, and advanced technology. The 120x280 cm large-format porcelain slabs, with a thickness of just 6 mm, offer a perfect balance of aesthetics and functionality, creating a contemporary atmosphere in living spaces.

With its durability, lightness, and ultra-thin structure, NG Kütahya Seramik brings freedom to architectural designs. The new collection provides an ideal solution for a wide range of spaces, including interior and exterior facades, hotels, shopping malls, residences, and offices. This innovative collection ensures seamless surfaces, offering easy application and superior technical features, making it the preferred choice of industry professionals.

NG Kütahya Seramik, which has received numerous international design awards, stands out in prestigious projects with its vision that integrates aesthetics and technology. The brand has solidified its credibility by winning awards such as Superbrands Turkey, Red Dot Design Award, and IF Product Design Award, as well as repeatedly ranking in the Turkey Reputation Index and Economic Contribution Index.

Utilizing cutting-edge industry technologies, NG Kütahya Seramik remains a leader in sustainable design with environmentally friendly production processes and EPD-certified products that are eligible for use in LEED-certified projects.

Break the boundaries of design with NG Kütahya Seramik and take architecture to new dimensions!

NG Kütahya Seramik elegance adds value to spaces all around the world.
