Message from the Lieutenant Governor

The year 2024 and the beginning of 2025 mark the end of my first year as Lieutenant Governor of Quebec – an experience I would describe as rich in learning and discovery. Becoming familiar with the responsibilities and demands of this unique role has been a valuable opportunity to grow and thrive in a position I approached with humility and determination. Each day of my mandate brings new opportunities to deepen my understanding, and I will continue to do so while remaining attentive to the voices of the people of Quebec.

This role has also allowed me to gain a new and privileged perspective on our society. I have witnessed the breadth of work carried out by our elected officials, the ties the Province continues to build internationally, and the strength of the initiatives that bring our communities together. It has also given me an invaluable opportunity to celebrate those who, through their commitment and dedication, embody the collective strength and spirit of solidarity that define Quebec.

Over the past 14 months, I have had the immense privilege of travelling across our beautiful province. Everywhere I went, I was deeply moved by the warm welcome I received. I discovered a population driven by kindness, commitment, and solidarity. I witnessed acts of generosity and the bonds of mutual support that reflect a strong, resilient, and deeply humane society. I am honoured to contribute in my own way and to bear witness to their impact through my role.

As I begin my second year in office, I am filled with enthusiasm and hope for what lies ahead. My commitment remains steadfast: to continue prioritizing reconciliation, education, and the environment while also promoting the role of the Lieutenant Governor.

Together, by focusing on what unites us, we can build a province where respect and mutual support are values that bring us together in a shared and meaningful vision.

Biography

The Honourable

MANON JEANNOTTE

Lieutenant Governor of Quebec

Reconciliation • Education • Environment

Roots

The Honourable Manon Jeannotte was born to a Mi'gma father and a mother of Jersey descent, whose ancestors arrived in Percé in 1801.

Education

Holder of a certification in corporate governance from the Collège des administrateurs de sociétés at Université Laval, she is the first recipient of the Indigenous Manager Scholarship for the McGill - HEC Montréal EMBA program. She also received a scholarship from the United Nations High Commissioner for Human Rights.

Career

Recipient of a distinction for her contribution to the history of First Nations and Inuit in Quebec, she served as Councillor and Elected Chief of the Micmac Nation of Gespeg. During her mandates, she promoted historic alliances between Indigenous and non-Indigenous Peoples. She is also the co-founder of First Nations Executive Education, in partnership with HEC Montréal, aimed at providing Indigenous leaders with the tools necessary for their self-determination.

Swearing-In Ceremony

Of the 30th Lieutenant Governor

On January 25, 2024, Ms. Manon Jeannotte was sworn in as the 30th Lieutenant Governor of Quebec, becoming the first Indigenous woman to hold this office in the province's history.

She extends her gratitude to Prime Minister Justin Trudeau for the trust demonstrated through this appointment to such a meaningful position. She also wishes to express her deep appreciation to the Honourable J. Michel Doyon, whose eight years of service were marked by rigour, dignity, and humanity. His exemplary commitment deserves to be acknowledged with gratitude and respect.

The new Lieutenant Governor accepted this role with humility, with deep respect for the institutions, and with a clear determination to serve with full dedication. Fully aware of the colonial origins of the office, she nevertheless chose to work within the current system, in a spirit resolutely committed to reconciliation. Like many Indigenous people, she believes that reconciliation must be built through dialogue, mutual respect, and understanding, as well as a genuine commitment to fostering closer relationships between nations.

As she stated during her swearing-in ceremony:

“I commit to being a representative voice for all Quebecers [...] by promoting respect and understanding, by strengthening ties between communities, and by seeking ways to overcome the challenges that may divide us.”

Mission, Mandate, and Objectives

Mission

In carrying out her constitutional, ceremonial, and community responsibilities, the Lieutenant Governor of Quebec strives to promote the values that guide her mandate. Through her presence and commitments, she contributes to strengthening dialogue, highlighting meaningful initiatives, and playing an important role in preserving our democratic institutions – all while serving as a unifying figure at the heart of Quebec society.

Mandate

The Lieutenant Governor of Quebec's mandate for the next four years centers around three key priorities: **reconciliation**, **education**, and the **environment**. These foundational pillars aim to strengthen the bonds between Indigenous and non-Indigenous Peoples, while also emphasizing the role and values of the office. **Kindness** and **respect** serve as guiding principles behind every action, reflecting a commitment to reconciliation, mutual understanding, and collective engagement.

Objectives

Reconciliation: Foster and promote meaningful dialogue between Indigenous and non-Indigenous Peoples through events, public-speaking engagements, and an active and meaningful presence on the ground.

Education: Visit students in schools and universities to raise awareness of the role of Lieutenant Governor, demystify its place within our democratic system, and encourage youth to engage in reconciliation.

Environment and Sustainable Development: Adopt eco-responsible practices within the Cabinet's operations, participate in actions and events supporting the environment, and promote civic engagement in the preservation of our shared living environment.

Outreach: Ensure visibility of the Cabinet and its initiatives through strategic multi-channel communications.

Constitutional Role, Powers, and Responsibilities

The Lieutenant Governor performs constitutional, ceremonial, and community functions. Like the Governor General of Canada, the Lieutenant Governor represents the Sovereign but at the provincial level and within the scope of Quebec's own areas of jurisdiction.

Constitutional Role

Among the most important legislative responsibilities of the Lieutenant Governor is the royal assent of bills. Once a bill has been passed by Members of the National Assembly, the Lieutenant Governor grants royal assent. It is at that moment that a bill officially becomes law.

EXECUTIVE RESPONSIBILITIES:

- Appointment of the Premier;
- Appointment of ministers, on the recommendation of the Premier;
- Ratification of orders issued by the Executive Council;
- Ratification of documents issued under the Great Seal of Quebec.

LEGISLATIVE RESPONSIBILITIES:

- Summoning the National Assembly;
- Swearing in of Members of the National Assembly (delegated to the Secretary General of the Assembly);
- Reading the speech at the opening of a parliamentary session;
- Granting royal assent to bills passed by the National Assembly;
- Proroguing a parliamentary session;
- Dissolving the National Assembly;
- Calling a general election.

Constitutional Role, Powers, and Responsibilities

Protocol Functions

As the direct representative of the Crown, the Lieutenant Governor fulfills the ceremonial duties of Head of State for her province and plays a role of paramount importance.

Thus, the Lieutenant Governor:

- Welcomes members of the Royal Family upon their arrival and bids them farewell at the conclusion of their official visits to Quebec;
- Receives members of the diplomatic and consular corps during their visits to Quebec City;
- Presides over official ceremonies such as:
 - the presentation of medals within the framework of the Lieutenant Governor's medal program;
 - ceremonies of the Chancellery as part of its honours program (e.g., the King Charles III Coronation Medal, Distinguished Service Medal, etc.).

The Lieutenant Governor also participates in military and civil events, as well as cultural activities.

Community Engagement Functions

The Lieutenant Governor carries out numerous community functions to support various charitable, educational, cultural, and social causes.

The Cabinet Team

The team at the Cabinet of the Lieutenant Governor of Quebec plays an essential role in the smooth operation of the Institution's activities and commitments. Dedicated and professional, they ensure support for the Lieutenant Governor in fulfilling her constitutional, ceremonial, and community responsibilities.

Honorary Aides-de-Camp

The men and women who volunteer to accompany the Lieutenant Governor during her official duties are known as Honorary Aides-de-Camp. This tradition has existed since Confederation. Aides-de-Camp also serve the Governor General, Lieutenant Governors of other provinces, and Commissioners of the territories.

They are present not only at official events but also participate in the preparations by supporting the organizers who welcome the Lieutenant Governor.

Honorary Aides-de-Camp are officers who belong to the Canadian Armed Forces, police services, fire protection services, ambulance services, the Most Venerable Order of the Hospital of Saint John of Jerusalem, and various civilian organizations.

Activity Report

(January 25, 2024 to March 31, 2025)

Across the Province

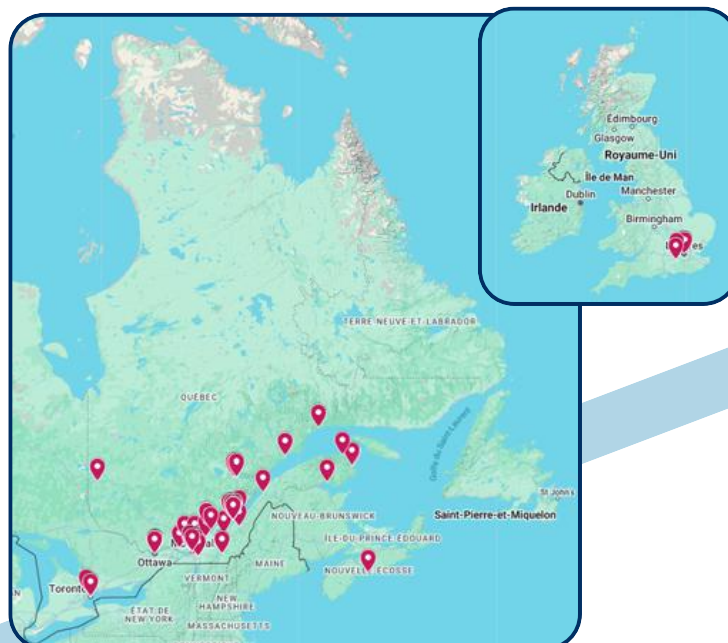

Over the past year, the Honourable Manon Jeannotte undertook a total of 160 trips across the province, Ontario, Nova Scotia, and the United Kingdom to meet with the citizens of Quebec and to fulfill her ceremonial and community duties.

Each trip was an opportunity to honour inspiring journeys, participate in official ceremonies, highlight civic initiatives, and, above all, listen to the voices that shape Quebec and bring us together.

These meetings reflect a deep commitment to bringing the Institution closer to communities and strengthening the bonds among citizens, as well as with our partners.

Mindful of the environmental impact of her travels, the Lieutenant Governor requested that the Cabinet adopt a responsible approach to greenhouse gas emissions. In collaboration with the Bureau de la responsabilité sociale et environnementale at Université Laval, the Cabinet assessed the greenhouse gas (GHG) emissions generated by the 2024 provincial tour for the presentation ceremonies of the Lieutenant Governor's Medals.

Following the recommendations from the Bureau, 20 tonnes of carbon credits were purchased to offset the carbon footprint associated with this tour.

Highlights

Knighting into the Order of Saint John

On June 17, 2024, the Honourable Manon Jeannotte received a distinction of great symbolic and historical significance when she was invested as a Dame of Justice and Vice-Prior of the Most Venerable Order of the Hospital of Saint John of Jerusalem.

This prestigious recognition highlights her commitment to the values of service, compassion, and humanity, which fully align with her vision of the viceregal role.

In her own words:

“I am honoured and moved by this prestigious recognition. Being invested as a Dame of Justice and Vice-Prior of the Most Venerable Order of the Hospital of Saint John of Jerusalem is a tremendous privilege. I commit to serving with dedication and to supporting the missions of this venerable institution, as well as to upholding the values of the Order: charity, service, and humanity.”

The Order of Saint John – whose full name is the Most Venerable Order of the Hospital of Saint John of Jerusalem – is one of the oldest humanitarian organizations in the world, inheriting a tradition of service that dates back over a thousand years. This non-denominational global charitable organization is dedicated to serving others in more than 40 countries. It counts over 30,000 members worldwide, supported by approximately 250,000 regular volunteers and 4,000 employees.

Highlights

Induction into the Royal 22nd Regiment

On July 25, 2024, the Lieutenant Governor was officially inducted as an Honorary Member of the Royal 22nd Regiment, the oldest French-speaking infantry regiment in Canada.

This solemn and dignified ceremony was especially noteworthy for the Royal 22nd Regiment's remarkable openness in incorporating First Nations traditions – most notably through the installation of a tipi and the holding of a purification ceremony.

This symbolic act embodied a true gesture of reconciliation – or more precisely, reconcili-
action, in the words of the Lieutenant Governor. With pride and humility, she joined this great family, paying tribute to the courage, discipline, and history that shape the identity of the Royal 22nd Regiment.

Highlights

Inauguration of the “Salon des Saisons”

On September 17, 2024, the Cabinet inaugurated a new emblematic space: the “Salon des Saisons,” where the Institution’s ceremonial functions are held. Conceived as a place of welcome, dialogue, and reflection, this lounge honours the landscapes of Quebec through the lens of the six Indigenous seasons – a conception of time and life deeply rooted in the worldview of First Nations.

Thanks to a collaboration with aerial photographer and artist Yves Tremblay, an Innu from Pessamit, the walls of the lounge are now adorned with striking artworks that bear witness to the beauty and richness of Quebec.

Highlights

Honorary Aides-de-Camp Training Session

On October 25, 2024, the Cabinet held its first training day for Honorary Aides-de-Camp, hosted in the Abenaki community of Odanak.

This gathering served to reaffirm the core principles of the Aide-de-Camp role – neutrality, impartiality and professionalism – as well as their crucial posture as ambassadors for the Institution. It also emphasized the importance of their contribution to the visibility and reach of the viceregal function, while fostering awareness of Indigenous realities.

Participants experienced cultural immersion, including a purification (smudging) ceremony as well as open and honest conversations about the contemporary realities of First Nations communities.

The day fostered strong, respectful connections between the members of the Cabinet and the Aides-de-Camp, blending the rigour of protocol with openness to essential perspectives for understanding today's Quebec.

A meaningful gathering – one that stands as a true example of reconciliation in action.

Highlights

Meeting King Charles III

On November 7, 2024, the Lieutenant Governor had the great honour of meeting His Majesty King Charles III at Buckingham Palace.

This meeting, rich in symbolic and diplomatic significance, provided an opportunity to exchange on subjects close to Her Honour's heart, including reconciliation and environmental protection. It also highlighted the historic ties that connect the British Crown, Canada, Quebec, and the First Nations and Inuit – particularly as the 300th anniversary of the Treaty of Peace and Friendship between the Mi'gmaq and the Crown approaches.

This moment reflects the importance of these relationships in strengthening connections between peoples and fostering mutual understanding. By bringing Quebec's voice and values to the forefront, the Lieutenant Governor reaffirmed her commitment to promoting initiatives that unite and inspire – both nationally and internationally.

Highlights

Renaming of the Institution

On December 3, 2024, in a gesture deeply aligned with the values upheld by the Lieutenant Governor, the Cabinet officially adopted a feminized form of the title – a historic first – by unveiling a new plaque at the entrance of the Cabinet building.

From now on, the entrance of the Institution proudly bears the inscription “Cabinet de la Lieutenante-gouverneure,” using the feminized form in French, in accordance with the Quebec Charter of Human Rights and Freedoms.

This symbolic and profoundly meaningful initiative was marked in the presence of dignitaries and individuals committed to gender parity, inclusion, and the recognition of women in politics and public life. The Lieutenant Governor highlighted the historic and forward-looking significance of this action, which celebrates both the richness of the French language and the full recognition of women in positions of state authority.

This important moment of 2024 reflects a clear desire to modernize the symbols of our democracy so they better reflect contemporary realities and carry an inspiring message for future generations.

Highlights

Cadet Participation in Official Ceremonies

With a clear commitment to bringing the Institution closer to youth and recognizing the potential of tomorrow's leaders, the Honourable Manon Jeannotte sought to offer young people from the Cadet Program the opportunity to take an active role in medal presentation ceremonies and other ceremonial events.

The initiative was officially launched on December 1, 2024, during a King Charles III Coronation Medal ceremony held in Saint-Hubert, Montérégie. It marked a first in the history of the Cabinet. Since then, cadets have taken part in over 20 medal presentations and other formal events.

This initiative offers young people a unique opportunity to take part in meaningful and enriching experiences, while fostering leadership, discipline, and civic engagement.

The integration of cadets also reflects the Lieutenant Governor's deep commitment to intergenerational transmission and to encouraging youth participation in civic and institutional life – in line with the First Nations principle that every decision and action should consider its impact on the next seven generations.

Highlights

Reconciliation in Action

Reconciliation is an essential foundation for building a harmonious future between First Nations, Inuit, and all Quebecers. The Lieutenant Governor has made it one of three core values she wishes to embody during her mandate.

She is committed to serving as a catalyst by highlighting initiatives that foster dialogue, mutual understanding, and mutual respect between Indigenous and non-Indigenous Peoples.

Some of the events attended by the Lieutenant Governor:

- Indigenous Women's Leadership Conference (March 8, 2024)
- Quebec Native Women Recognition Gala Evening (May 16, 2024)
- Meeting with participants of the Summer School of the Interuniversity Centre for Indigenous Studies and Research (June 6, 2024)
- National Indigenous Peoples Day at Université Laval (June 21, 2024)
- KWE! Meet with Indigenous Peoples Festival (June 21, 2024)
- Annual General Assembly Banquet of the Assembly of First Nations (July 10, 2024)
- Opening of the Mitshuap Shelter (July 11, 2024)
- Induction as an Honorary Member of the Royal 22nd Regiment (July 25, 2024)
- Exchange with participants of the Carcajou Program (July 27, 2024)
- Flag raising for the anniversary of the Peace and Friendship Treaty in Halifax (October 1, 2024)
- Third Anniversary of First Nations Executive Education (November 15, 2024)
- King Charles III Coronation Medal Ceremony in Wendake (February 21, 2025)

In addition to these concrete actions, the Lieutenant Governor actively encourages the presence of both Indigenous and non-Indigenous dignitaries at public and ceremonial events, and supports numerous initiatives. By creating spaces for dialogue and reflection, she fosters a deeper understanding of the contributions of First Nations and the shared path that lies ahead.

These symbolic and meaningful gestures reaffirm that reconciliation is not merely an aspiration – it is a collective responsibility.

Highlights

Support for Military Personnel and Their Families

Throughout the year, the Honourable Manon Jeannotte has been committed to showing her support for members of the Canadian Armed Forces by actively participating in several events across the province.

These occasions have provided an opportunity to recognize the dedication, courage, and commitment of those who serve as well as their families.

Notable moments include:

- UNIDEF 15 Conference (March 28, 2024)
- Rendez-vous naval de Québec (July 5–6, 2024)
- Inauguration of the Petite-Vallée Cenotaph (September 1, 2024)
- 100th Anniversary of the Royal Canadian Air Force (RCAF) and unveiling of Aviation House (September 5, 2024)
- Military Families Day in Valcartier (September 21, 2024)
- 125th Anniversary of the Saguenay Regiment (November 16, 2024)
- UNIDEF 16 Conference (March 20, 2025)

National Funerals

The Passing of Prominent Figures

On March 25, 2024, we had the honour to gather and celebrate the life and legacy of Brian Mulroney, a statesman whose determination and passion helped shape our nation.

His bold vision, leadership, and dedication to democracy have illuminated the path toward a better future for all Canadians.

His legacy stands as a beacon of inspiration, an invitation to continue striving for progress and unity. May his memory continue to guide our steps toward a future where courage and conviction remain our greatest strengths.

“This country is made up of small towns and big dreams.” ~ Brian Mulroney

Brian Mulroney

1939-2024

Jean-Pierre Ferland

1934-2024

Photo credit: SMAC Communications

Jean-Pierre Ferland is undeniably one of the architects of Quebec’s musical culture.

We deeply thank him for dedicating himself to his art with such energy, love, and passion.

We also extend our heartfelt condolences to his family and loved ones. He has been – and will continue to be – part of our families through that voice that still resonates in our homes.

Many of us have a favourite song of his, and we would like to borrow one to say to him: “Jean-Pierre, une chance qu’on vous a” (Jean-Pierre, we are lucky to have you).

Tributes

In Memoriam

- Ceremony in Honour of Firefighters Who Lost Their Lives in the Line of Duty (September 12, 2024)
- Police and Peace Officers Memorial – In Honour of Those Who Lost Their Lives in the Line of Duty (September 29, 2024)
- Canadian Organ and Tissue Donors Association Ceremony (October 18, 2024)
- Remembrance Day at Brookwood Military Cemetery near London (November 11, 2024)
- 35th Commemoration of the École Polytechnique Tragedy (December 6, 2024)

Diplomatic Relations

A Bridge Between Nations

During her first year in office, the Lieutenant Governor had the honour of fostering privileged diplomatic relations with ambassadors, consuls, and representatives from various nations. These meetings provided opportunities to strengthen the bonds between Quebec and the international community by highlighting values of mutual respect, collaboration, and openness – promoting mutual understanding and enriching cultural, economic, and social ties.

These relationships serve to advance common interests and consolidate Quebec’s position as a respected actor on the international stage. By welcoming and meeting dignitaries from around the world, the Lieutenant Governor reaffirmed the importance of building bridges between nations and celebrating the universal values that unite us.

Celebrating Quebec's Citizens

King Charles III Coronation Medal

The Coronation Medal was created to commemorate the coronation of His Majesty King Charles III, which took place on May 6, 2023.

As the first Canadian commemorative medal to mark a coronation, it recognizes individuals who have made significant contributions to a province, territory, region, or community in Canada, or who have achieved exceptional accomplishments abroad that have brought great honour to our country.

Of the 30,000 medals awarded across Canada, the Cabinet of the Lieutenant Governor of Quebec will present a total of 1,647 – making it the institution that has awarded the largest number of medals in Quebec, and the second largest in the country, after the Canadian Armed Forces.

Celebrating Quebec's Citizens

Lieutenant Governor's Medals

The Lieutenant Governor's Medals recognize the volunteer commitment, determination, and personal achievement of Quebecers who have had or continue to have a positive impact within their community and the province.

There are three categories of medals:

- Youth Medal (bronze)
- Senior Medal (silver)
- Medal of Exceptional Merit (gold)

Description of the medal:

On the obverse, the center features the Coat of Arms of Quebec, while the name and rank of the incumbent Lieutenant Governor appear around the edge. The reverse displays the flag of Quebec.

The medals are presented during regional ceremonies organized by the Cabinet in each administrative region of the province.

	2024
Youth Medal	482
Senior's Medal	273
Exceptional merit Medal	7
Total	762

Celebrating Quebec's Citizens

First Peoples Medals

The Lieutenant Governor of Quebec's First Peoples Medal aims to recognize the contributions of members of the First Nations and Inuit communities. It highlights the journeys of remarkable individuals who, through their achievements, involvement, and commitment, contribute to the prominence of their community, Nation, or the First Peoples as a whole.

There are two categories of medals:

- First Nations Medal
- Inuit Medal

Following numerous requests from First Nations communities, the awarding of the First Nations and Inuit Medals has been temporarily paused for 2024 to allow for a thorough review of the program.

This process aims to realign the program so that it fully reflects the perspectives and expectations expressed. The program redesign is expected to be completed by the start of the 2025-2026 fiscal year, with the Cabinet planning to resume awarding medals during that year.

Celebrating Quebec's Citizens

Exemplary Service Medals

The Exemplary Service Medals are awarded by the Governor General of Canada. However, the Lieutenant Governor is often called upon to present these honours on behalf of the Governor General.

These distinctions recognize individuals who have served with exemplary conduct, demonstrated impeccable behaviour, and performed their duties with zeal and efficiency.

There are six types of medals:

- Police Medal for Distinguished Service (since 1983)
- Correctional Service Medal for Distinguished Service (since 1984)
- Firefighters' Medal for Distinguished Service (since 1985)
- Canadian Coast Guard Medal for Distinguished Service (since 1991)
- Emergency Medical Services Medal for Distinguished Service (since 1994)
- Peace Officers' Medal for Distinguished Service (since 2004)

Celebrating Quebec's Citizens

Certificate of Best Wishes

Throughout the year, the Lieutenant Governor of Quebec has the privilege of recognizing significant milestones in the lives of citizens from all regions of Quebec through the issuance of official certificates. These symbolic gestures are made at the request of individuals or organizations wishing to commemorate a meaningful anniversary, a fulfilling career, or the dedication of a community organization. Each certificate is carefully signed by the Lieutenant Governor as a token of recognition and esteem.

These certificates are awarded on the occasion of:

- Milestone birthdays (starting at 90 years old)
- Wedding anniversaries (starting at 50 years)
- Military retirements
- Longevity of an organization existing for at least 20 years
- Lieutenant Governor's Commendation for Cadets
- Diverse recognitions

To make this experience even more memorable, a visual redesign of the certificate templates was undertaken over the past year.

The new design, both understated and elegant, reflects the dignity of these recognitions while modernizing their presentation.

Through this distinction program, the Lieutenant Governor highlights the importance of marking significant moments in the journeys of individuals and organizations that are integral to Quebec society.

Certificate of Best Wishes	
Milestone birthday	147
Wedding anniversary	46
Military service	326
Organizations	8
Total	527

Strategic Communications and Institutional Outreach

Social Media Presence

Throughout the year, the Cabinet of the Lieutenant Governor has maintained an active presence in the digital space, aligned with the values of reconciliation, education, and environmental protection championed by the Lieutenant Governor.

The year was notably marked by an expansion of our online presence. Already active on Facebook and Instagram, the Cabinet now also shares its content on LinkedIn and Bluesky, aiming to reach new audiences and broaden dialogue with the public.

Regular posts have highlighted official activities, meaningful meetings, and inspiring civic initiatives in which the Lieutenant Governor has participated.

Strategic Communications and Institutional Outreach

Media coverage

The year was also marked by an increased media presence.

A targeted communication strategy was deployed to expand media coverage and make the role more accessible to the general public.

Several interviews conducted throughout the year helped to raise awareness about the Lieutenant Governor's role and demystify its functions.

Each medal presentation ceremony also provided an opportunity to highlight the inspiring journeys of remarkable citizens from all regions of Quebec.
