PREMIER LEAGUE

# VICTORY AT DURBAN COUNTRY CLUB

Victoria Country Club edged  
Zululand Country Club 6.5–5.5

Sunday, 7 June 2026

Victoria's Premier League side delivered a determined performance at Durban Country Club on Sunday, overcoming a strong Zululand Country Club outfit to secure a hard-fought 6.5–5.5 victory.

Played under clear winter skies on one of South Africa's most iconic golf courses, the encounter was closely contested from start to finish. Both teams arrived knowing the importance of every point, and the match lived up to expectations as players battled through a morning of intense competition.

The atmosphere before tee-off reflected the significance of the occasion, with players preparing in the early morning sunshine and embracing the challenge that lay ahead. Durban Country Club presented a stern test, rewarding patience, precision and strong team performances.

While Victoria Live was on hand to capture the build-up and clubhouse atmosphere, access restrictions prevented on-course coverage. Nevertheless, the determination and professionalism displayed by the team were evident throughout the day.

In the end, Victoria's consistency and resilience proved decisive as they emerged Zululand by the narrowest of Margarete. The 6.5.5 result is a testament to the depth of talent within the Premier League squad and their ability to perform under pressure against quality opposition.

**Congratulations to our Premier League team on an outstanding away victory.**

“

# ALLERTON LEAGUE

## All Square at Umhlali — Eyes Now Turn to Home Soil

Victoria Country Club's Allerton League team travelled to the picturesque Umhlali Country Club on Sunday, 7 June, for a hard-fought encounter against Alliance Golf Club, returning home with a well-earned 6–6 draw.

Set against the rolling fairways and stunning landscapes of Umhlali Country Club, the day delivered everything league golf is known for — competitive spirit, quality golf, and plenty of drama right until the final putts.

Facing a determined Alliance Golf Club side, Victoria's men in blue battled throughout the day in a closely contested fixture. The teams traded momentum across the course, with several matches remaining in the balance until the closing holes.

At day's end, neither side could be separated, with the fixture finishing in a hard-fought 6–6 draw.

The result reflects the resilience and fighting spirit of the Victoria squad, who showed composure under pressure against a competitive Alliance Golf Club team. While victory narrowly eluded the visitors, the valuable points earned keep the team moving forward with confidence as attention turns to the next round of league action.

### VICTORIA LIVE ON THE ROAD

Victoria Live was once again on location, bringing supporters coverage directly from Umhlali Country Club throughout the day. Our Facebook Live updates gave members an inside look at the course, facilities and action as it unfolded, ensuring those back home could follow the team's progress in real time.

The visit also provided an opportunity to showcase one of KwaZulu-Natal's most scenic golfing destinations. From its immaculate fairways and greens to its impressive clubhouse and sporting facilities, Umhlali Country Club proved to be a magnificent host venue for the day's league encounter.

# WINTER LEAGUE REACHES HALFWAY

*Victoria Holds Fourth as the Season Heads Toward the July Pause*

The Victoria Country Club squash section continues to enjoy a vibrant and competitive Winter League campaign, with the club currently occupying fourth position on the league table as the season reaches its midway point.

Hilton currently leads the standings, but Victoria remains firmly in contention and focused on building momentum through the important matches that remain before the league pauses in a few weeks during July.

The season has once again showcased the strength of squash at Victoria. Competitive matches, determined performances and excellent support from members have created an energetic atmosphere both on and off the court.

The club's outstanding squash facilities continue to provide the ideal environment for players to perform and for spectators to enjoy top-quality league squash.

League nights remain a highlight on the sporting calendar, bringing together players, families and supporters who share a passion for the game and for the club.

As the campaign moves toward its temporary winter break, Victoria's players will be aiming to finish this phase strongly, close the gap on the teams above them and ensure the club is perfectly positioned for an exciting second half of the season when league action resumes.

“Squash at Victoria is built on teamwork, commitment and a shared love for the game.”

# BEATING TIME

*Pat Trimborn celebrates his 900th age-shooting round.*

Some achievements in golf are measured in trophies. Others are measured in consistency, longevity, and an enduring love for the game.

Victoria Country Club proudly celebrated one of the club's most remarkable milestones when long-time member Pat Trimborn recorded the 900th occasion on which he has beaten his age on the golf course.

To beat one's age is an achievement most golfers can only dream of accomplishing once. To do it 900 times is a testament to extraordinary skill, dedication, and a lifelong commitment to the game.

Pat's golfing journey spans decades, during which he has become a familiar and respected figure both on the fairways and in the clubhouse. His achievement reflects not only his golfing ability but also his passion for remaining active, competitive, and engaged in the sport he loves.

In recognition of this incredible milestone, Pat was presented with a special Certificate of Achievement by Victoria Country Club. The presentation served as a fitting tribute to a member whose golfing accomplishments have inspired fellow players for many years.

What makes this achievement even more remarkable is the consistency required to maintain such a standard over hundreds of rounds. Every age-shooting round represents precision, discipline, and a deep understanding of the game — qualities that Pat continues to demonstrate time and time again.

As Victoria Country Club celebrates this extraordinary milestone, we also celebrate the example Pat sets for golfers of every generation. His achievement reminds us that golf is a game that can be enjoyed for a lifetime, rewarding perseverance, passion, and a positive spirit.

“
*To beat your age once is special.  
To do it 900 times is truly extraordinary.*
”

On behalf of the members, management, and staff of Victoria Country Club, congratulations to Pat Trimborn on an achievement that stands among the most remarkable milestones in our club's history.

*Well done, Pat!*
