# A letter from the Executive Director

Winter, a season to enjoy the serene beauty of snow-covered landscapes, glistening frost, and the invigorating sharp, crisp air. A season of cherished holiday traditions and celebrating with family and friends. And a season for providing the perfect excuse for drinking too much hot chocolate, cider and eggnog.

At Bartlett Park District winter is not just a season, it's a celebration! And our team has put together an un-brr-lievable lineup of programs, activities and events for you and your family to create memorable experiences.

There's snow place like home...there's snow place like home...there's snow place like home...Dorothy did not really want to get back to Kansas; she wanted to get to Villa Olivia for winter sports! With 100% snow making capabilities Villa Olivia creates fun by offering skiing, snowboarding and snow tubing. Visit pages 15-21 to learn how you and your family can experience the thrill of winter sports right here in Bartlett. You Belong!

By the way, do you know what happens when you scare a snowman? He lets out an ice-scream! And speaking of ice cream, be sure to get a scoop when you visit Villa Olivia for its famous Friday Fish Fry February 20 through April 3.

We are also trying to trip you up this winter by offering two new adventures. Adults, be sure to join us on February 11 as we visit the world-famous Volo Auto Museum. And teens plan to have a howling good time on March 8 at Allstate Arena to watch the Chicago Wolves battle the Texas Stars. And remember, if the bus driver calls and says the bus is leaving, it is time to chuckle and go catch the bus.

New this winter is the Starry Night Sweetheart Dance on Friday, February 6. Children and their favorite adults can get all dressed up and enjoy a memorable night full of music, dancing and sweet treats. Afterall, the best way to spread holiday cheer is singing loud for all to hear. And speaking of memorable experiences, celebrate your child's birthday at Bartlett Park District, it's a piece of cake! Visit pages 45 and 52 to learn more.

On February 28, the situation calls for you and your family to be at Bartlett Nature Center for Winterfest. See the Adopt-A-Husky teams of Siberian Huskies run our mile trail and learn about dog sledding. Other activities include snow shoeing, snow painting, bonfires and winter craft vendors.

While the weather outside might be frightful, the water inside Splash Central Indoor Aquatic Center is delightful. Be sure to turn to pages 56-66 to learn more about indoor swimming and Bartlett Swim Academy. And if you love a good discount, don't be a cotton-headed ninny muggins and miss Bartlett Aquatic Center's lowest prices of the season during the one-day flash sale February 16.

If you enjoy giving back to your community, and it's original, be sure to raise a glass on Friday, February 20 at the Bartlett Parks Foundation annual Beer, Spirit and Wine Tasting Fundraiser. Experience a wide selection of adult beverages and delicious appetizers while raising money to support the Foundation's recreational scholarship program. Visit page 8 for more details.

On behalf of the Park Board of Commissioners, team members and Navi Gator thank you for your support and we look forward to Creating Fun for you and your family this winter!

Sincerely,

**Kevin Romejko, MBA**  
Executive Director

## Before and After School Recreation

We are dedicated to providing a fun, safe, and engaging recreational program for children before and after school. Our program is thoughtfully designed to offer a relaxed and enjoyable environment that helps children unwind and recharge after a busy school day, striking a healthy balance between academics and recreation. Whether it's a quiet moment of creative expression or active playtime with friends, we ensure that each child has the opportunity to participate in a variety of activities that promote relaxation, social interaction, and personal growth.

Our qualified and caring staff are not only experienced in working with children, but they are also highly attentive to the unique needs of both the participants and their parents. We understand that every family has different schedules and requirements, so we aim to provide flexibility and personalized care to ensure every child's experience is positive and fulfilling.

The Before and After School Recreation program runs on all full days of school, making it a convenient and reliable option for parents. However, to ensure the program remains available, we require a minimum of 8 participants. Be sure to register early to guarantee your child's spot—if the minimum isn't met, the program may be in jeopardy of cancellation. Fees for the program are based on the cost of the entire program, not the individual days a child attends, which allows us to offer a comprehensive and well-rounded experience for all participants.

Take advantage of our early registration discount. Save \$25 off the advertised price by signing up by December 29.

**Payment Options:** We offer two options for our Before and After School Recreation program – full payment at the time of registration, or Electronic Funds Transfer (EFT), from your credit card or checking account. EFT payments are processed on the 15th of each month.

If you wish to participate in the Electronic Funds Transfer (EFT), a \$50 per child/per section deposit is required as your down payment, which will be subtracted from your remaining total. Monthly payment amounts will vary depending on the number of days per week a child will attend, and the date the registration is received.

There is a \$3/per month administrative fee that will be charged for any EFT payment. Complete either the BSR and/or ASR registration form, sign the waiver, fill out the EFT form and submit a voided check or credit card information. To be involved in the month's EFT process, registrations need to be received before the 10th of the month. **(MP)**

## Instructor Highlight: Hot Shots Sports

Hot Shots Sports was founded in 1994 by Steve Duman and has been bringing its message of positive, growth-focused Coaching to the Midwest and beyond ever since. Our goal from the beginning was to provide a place for passionate people to have careers coaching kids, and to help kids find passion for sports. We dedicate our lives to providing the best instruction possible to you and your family. We pride ourselves at being the most professional organization both on and off the court. Coaching is a way of life for us, something that does not turn off when we leave the gym or field. Our dedicated staff are driven to impact your community, family, and child's life for the better.

Because each child is unique, we understand that every program is as well. We train our staff with "flex curriculums" allowing them to engineer game plans specifically tailored to the participants in their class. Regardless of their skill level, your child will improve and be pushed to discover the best player and teammate they possibly can be. Unlike other organizations, we have Full Time Coaches and Managers to ensure Quality Control and consumer expectations are met, and with our innovative Coaching strategy are constantly training our staff on new ways to motivate the kids in our program.

We understand the importance of customer service, both to the player and to the parents, and strive to grow every day, the same way we encourage our players. Find a program today that works for you so we can help your child find the champion inside themselves!

## Staff Highlight: Kevin Mikol

Kevin has been involved with the Bartlett Park District since 2008. His passion for music led him to musical theatre, voice lessons, as well as individual instrument lessons. Music is the fuel that helps him enjoy each day. Whether he is teaching, directing, composing or listening to it, music tends to be the energy that he draws strength and inspiration from. Kevin puts maximum effort into everything that he finds himself involved in. Life is all about the human experience. It's important for him to bring positivity and encouragement to every interaction he has in both his professional and personal life.

## Beginning and Intermediate Voice Lessons

All voice students will be taught how to warm up and maintain their voice. Beginning students will be taught how to match their voice against the piano, as well as how to use the high and low parts of their vocal range. Intermediate and advanced students will be taught how to breathe properly while singing, as well as how to control and strengthen their voice. Students are often accompanied on piano in lessons by the instructor but are encouraged to bring in accompaniment tracks for the songs they are working on in their lessons.

## Clarinet, Flute, or Saxophone Private Lessons

Beginning students will be taught how to put the instrument together correctly and how to maintain it after each use. During the course of their lessons they will be taught proper mouth (embouchure) and finger placement, as well as individual note and rhythm reading. Intermediate and advanced students will work on tone, style, technique & advanced rhythms. All students are invited to bring in their band music from school, as well as any other scale or rhythm assignments. Adults who may have played an instrument in the past and want to re-learn their skills are welcome. Students can also use their lessons to work on music they are preparing for a concert or performance.

Due to the progressive nature of private voice/music lessons, all continuing students are given priority in class placement. Returning students must register by January 2 to be given priority placement. Once returning students are placed in the schedule, the instructor contacts new students in the order in which they registered. New students will receive a call as soon as space becomes available in the schedule. The instructor does his best to accommodate all new students, but space is limited. **(CB)**

Bartlett Park District is proud to be a member of Northwest Special Recreation Association (NWSRA). Throughout the northwest suburbs, NWSRA is the leader in providing outstanding recreational opportunities for children and adults with disabilities. NWSRA's team of full-time Therapeutic Recreation professionals and trained part-time staff offer a multitude of year-round program offerings

including sports, camping, social programs and much more. Having fun, being included, making friends, learning new things and going new places are just a few of the benefits of NWSRA programs.

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847-392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax). Check out NWSRA and SLSF on the internet at [nwsra.org](http://nwsra.org) or at [facebook.com/nwsra](https://facebook.com/nwsra).

## Special Accommodations: ADA Compliance

We ask individuals with special needs for inclusion into programs to notify us of their needs at least two weeks in advance. This will allow us time to make sure that proper staffing, equipment, and facilities are in place for a successful and safe program. By informing us early, you are helping us to work toward a smooth inclusion for everyone's benefit.

## Americans with Disabilities Grievance Procedures

Bartlett Park District has established an internal grievance system for prompt and equitable resolution of grievances alleging any action by Bartlett Park District that would be prohibited by the A.D.A. or the applicable Title II Rules. Grievances should be directed to:

Supt. of Parks and Planning, Compliance Officer, Bartlett Park District  
 Mail: 696 W. Stearns Road, Bartlett, IL 60103  
 Phone 630-540-4800 Fax: 630-540-4870  
 Appointment: Call 630-540-4800 to schedule a meeting

## Resident Financial Aid Program

Bartlett Park District recognizes that families and individuals due to circumstances beyond their control can experience severe financial problems. For this reason the Resident Financial Aid Program was created enabling residents to participate in recreational programs at a reduced fee. The Resident Financial Aid Program is made available, in part, through a funding partnership with Bartlett Parks Foundation.

To apply: Complete and submit a Financial Aid Application (available at Guest Services or Bartlett Park District website - click on Registration - Financial Aid) and supply the required documentation requested on the application. For more information, contact Kim Kaeseberg at 630-540-4865.

A low-impact cardiovascular workout for muscle toning and improved range of motion. Designed for all fitness levels. This class takes place in the shallow end of the pool. You do not have to be a swimmer to participate. Please see the group fitness schedule available at bartlettparks.org.

Water Walkers

Water Walkers is an easy way to strengthen your body. The natural resistance of the water makes your muscles work harder and provides natural buoyancy helping to reduce strain on your joints resulting in little to no impact. Brisk water walking is more strenuous than it initially looks and can provide an excellent aerobic walking workout. Changing your water walking routine keeps it interesting while allowing you to work different muscles as part of the exercise. Water weights and noodles are available to use. This program is not led by an instructor.

## Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our swim academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete, Bartlett Swim Academy is the answer. (LC)

**REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.**

## Important information for your first day of the Swim Academy

Please arrive 10 minutes early for class. Rosters and class assignments will be posted inside the Splash Central lobby. Students and parents should remain in Splash Central lobby until class begins.

The lobby doors will be opened and the instructors will each have signs with their name. Bring your child to the assigned instructor and check-in with that individual personally.

Bartlett Park District Swim Academy invites family members to sit on deck in Splash Central, space permitting, on the first and last day of class. To create the best environment for learning; parents, guardians, and spectators must remain in the bleacher area for all other classes.
