THIS IS NOT JUST
AN ISRAELI-IMPOSED FAMINE...
IT IS A MORAL FAILURE
OF HUMANITY

A man in a dark suit and patterned tie is seated, looking directly at the camera. He is positioned in front of a background depicting a city at night with significant destruction, including smoke and fire. A large, semi-transparent red triangle is overlaid on the left side of the image, partially obscuring the background. A white rectangular box containing text is positioned in the lower-left area, overlapping the red triangle and the background.

“We don’t recognise any
famine or any starvation in
the Gaza Strip.”

Daniel Meron, Israeli Ambassador to Australia

“There is no nation
that feeds its enemies,”

Amichay Eliyahu, Israel's Minister

According to COGAT's assessments,
"There is no famine in the Gaza Strip."

*Israel's Coordinator of Government Activities in the Territories
(COGAT)*

Gaza. "

AS A NATION WE NEED TO
URGENTLY MOVE BEYOND

TO
ACTIONABLE HUMANITY
