CHRISTMAS BOXES 2025

Cream, gold stars & chocolate interior

Our 2025 Christmas boxes have a new look! This year we've got two new limited edition boxes.

Our Byron Bay Gifts logo has been given a Christmas theme and the icons are now:

- Christmas Tree Bauble Decoration
- Candy Cane
- Christmas Tree
- Holly
- Ribbon

Green, gold stars & black interior

Our Christmas hampers arrive in beautiful, festive packaging designed to make gifting extra special. Sturdy and stylish, each box is decorated with seasonal touches and finished to impress — making the unboxing as memorable as the gift itself.

A photograph of two bottles of Veuve Clicquot champagne. The bottle in the foreground is centered and sits on a round wooden cutting board. It has a green glass body and a gold foil-wrapped cork. The label is gold and black, featuring the brand name 'Veuve Clicquot' and 'CHAMPAGNE'. To the left, another bottle is partially visible. In the background, a person wearing a white dress is seated at a table, and a plate of food is partially visible. The setting appears to be a bright, indoor or outdoor dining area.
