ABOUT US

THE NORTHMONT COMMUNITY

Northmont City Schools continues the tradition and heritage of academic, athletic, and fine arts excellence that began over 50 years ago. Northmont City Schools is the essential element that blends the municipalities of Clayton, Englewood, Union, Phillipsburg, and a portion of Clay Township together into a community that supports quality education.

The district encompasses 44 square miles, includes one preschool, one early learning center, four elementary schools, one middle school, and one high school and serves around 4700 students.

Both the Kleptz Early Learning Center (KELC) and the High School are new, state of the art facilities. The KELC opened in 2014 and the High School moved into its new building in January of 2016. Many Northmont students also attend the Miami Valley Career Technology Center to enter career paths and further their education.

Strategic Plan

Journey to 2028

**Thunderbolts are Stronger Together
Embrace the Journey!**

NORTHMONT'S STRATEGIC PLAN

Northmont has had a Strategic Plan since the mid 1990s that provides the direction and vision for the district.

The current 5-year plan, Journey to 2028, was developed in the summer of 2023.

This document includes the district's Mission, Vision, and Strategies for the next 5 years.

You can find more on our [website](#).

The background image shows an open book with blue pages lying on a wooden surface. Above the book, various letters and symbols (a, i, u, k, ?, i, u, y, q, k, f, !, c, a, e, d, b, j) are floating in the air, creating a sense of knowledge and learning.

OUR MISSION

The mission of Northmont City Schools is to provide our students an exceptional education with diverse opportunities so they maximize their potential and are productive, responsible citizens.

OUR VISION

We envision Northmont City Schools as a student-centered district where we each have purpose, will better ourselves and others, and are ready for tomorrow.

By 2028, we will:

- Intentionally engage and communicate with our Northmont students, families, staff, and community
- Provide relevant, engaging, and evidence-based curriculum, courses, and instructional practices that develop the whole child.
- Provide facilities that are safe, functional, flexible, and equitable across the district.
- Nurture our staff professionally and personally

NORTHMONT CITY SCHOOLS

CULTURE PLAYBOOK

BELIEF	BEHAVIOR	OUTCOME
THUNDERBOLTS WORK TOGETHER	<ul style="list-style-type: none">• Embrace differences.• Build trusting relationships.• Serve with empathy.	We each have purpose.
THUNDERBOLTS TAKE RESPONSIBILITY	<ul style="list-style-type: none">• Be intentional.• Do the right thing, especially when it's hard.• Own your attitude, actions, and words.	We will better ourselves and others.
THUNDERBOLTS GROW	<ul style="list-style-type: none">• Relentlessly pursue excellence.• Value forward thinking.• Focus on an equitable future.	We are better today and ready for tomorrow.

Northmont 's Culture Playbook was created by various stakeholders in 2021 to identify our core beliefs, the behaviors we should see if we are living out those beliefs, and the outcomes we want to see within the culture at Northmont. For more information, visit our [website](#).

LITERACY INSTRUCTION

SCIENCE OF READING

Northmont's literacy instruction is grounded in research and aligned with Ohio's Plan to Raise Literacy Achievement.

STATE MODEL DISTRICT

Northmont is considered one of the state's model district's for literacy instruction based on our intervention, family engagement, and professional development process.

CURRICULUM ADOPTION

In 2024, Northmont adopted reading curricula that are in alignment with the Science of Reading. To learn more about some of these resources, check out our "Reading at Northmont" video series!
