LAND ACKNOWLEDGEMENT

We respectfully acknowledge the past and present traditional caretakers of this territory and their unique role in the life of the region. Harbourfront Centre is committed to honouring Indigenous peoples' cultural and spiritual relationships to the land and waters, and their rich contribution to society. Toronto is on the traditional territory of the Anishinaabe, the Haudenosaunee and the Wendat peoples and is covered by Treaty 13 with the Mississaugas of the Credit First Nation. We pay our respects to their Elders past, present and emerging. We ask that you respect the land and traditions of those who walked upon it for millennia before us.

WELCOME TO OUR WINTER SEASON AT HARBOURFRONT CENTRE

Winter by the waterfront brings a special and magical crisp air, sparkling lights and festive cheer. This year, Harbourfront Centre invites you to celebrate the season with the return of Winterfest Toronto, featuring our dazzling Tree Lighting, an expanded skating rink, DJ Skate Nights, carollers, comedy, a traditional pantomime, social dance nights, a kid-friendly holiday train and a late-night cabaret. Ring in 2026 with a spectacular New Year's Eve fireworks show over the harbour.

Together with our partners at Canadian Tire Jumpstart Charities, we've expanded our outdoor rink, creating even more space for skaters to glide, learn and connect. For all those who love to skate and those learning to, we're excited to open our community rink for children, youth and families to experience the joy of skating and recreation on Toronto's waterfront.

In the new year, we will celebrate KUUMBA, Toronto's largest Black Futures Month festival, which highlights Black excellence through art and innovation. Don't miss the DesignTO Festival exhibition *Traces* at Gallery 235 and stories from environmental activists David Suzuki and Tara Cullis. From performances to panels and public art, our winter season continues to bring people together to learn, celebrate and share in the creativity that makes our waterfront community so vibrant. This winter, skip hibernation and discover holiday magic, community and skating at Harbourfront Centre!
