The Word Gap

At five years old:

Never read to - 4,622 words

1-2 times per week - 63, 570 words

3-5 times per week - 169, 520 words

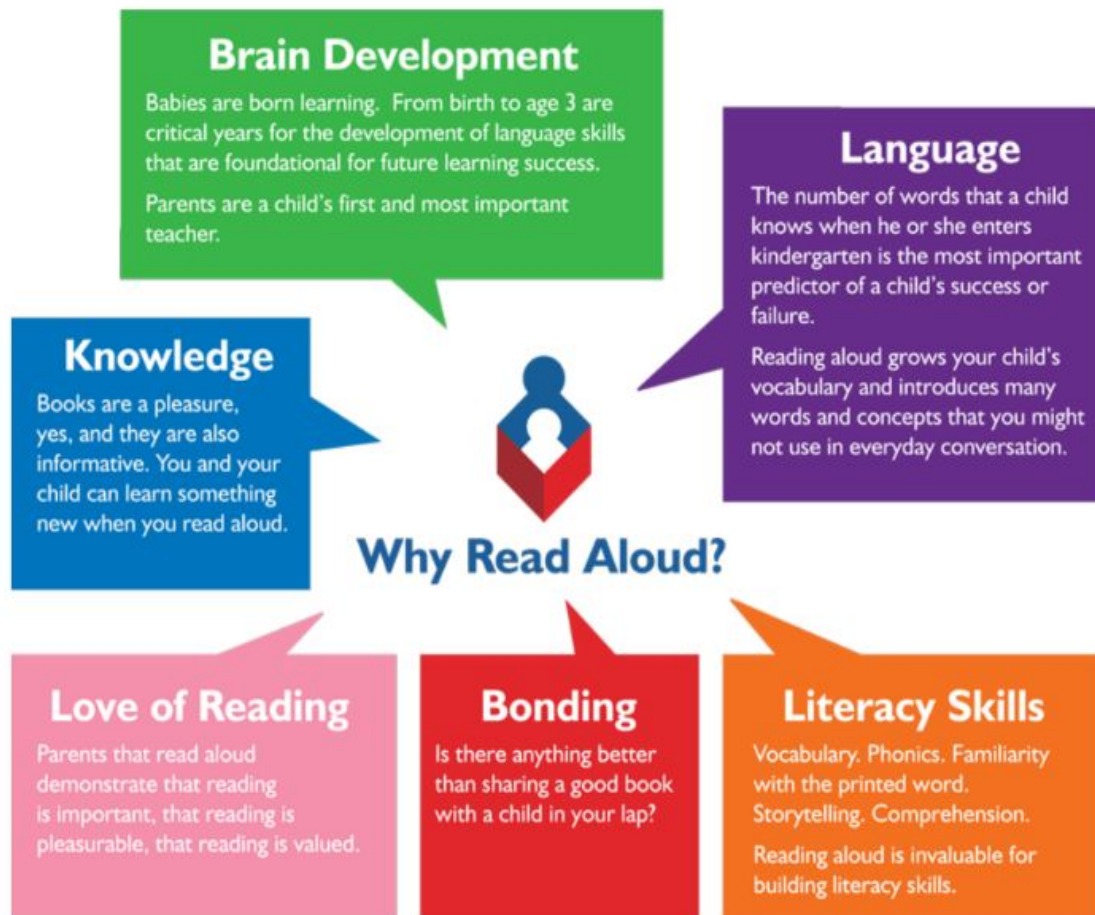

Daily - 296,600 words

Five books a day - 1,483,300 words

(Science daily 2019)

Reading from an early age and securing phonics

- Reading from an early age is important as research shows that if children are not secure and fluent readers by Year 2, it is very difficult to then develop a love of reading going forward.
- In order to get children fluent in reading, their phonic knowledge must be embedded within EYFS and KS1.
- Read to children from day zero!

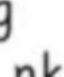

English is hard!

There are 26 letters in the English alphabet...

But there are 44 Phonetic sounds in the English Language.

How we teach...

This is Fred the frog. Fred can only speak in 'pure' sounds. 'd' instead of 'duh'.

Fred says the sounds the children say the sounds and the word.

How we teach...

Teaching m - Reading

Teaching a - Writing

Teaching s - Fred Talk

How we teach...

Lessons are split into two distinct sections:

- Speed Sound lesson
- Story book lesson

In Speed Sound lessons children are taught to read and write a new sound.

In Story book lessons children are taught to apply their phonetic knowledge whilst reading sentences with a partner.

How we teach...

Special friends → Spot the sound, Say the sounds

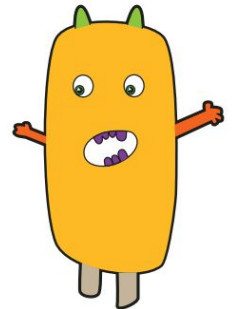

Fred talk the word out loud and then say the word blended together.

Nonsense Words

- Nonsense words are included because they are new to all children.
- This demonstrates how well children can apply their phonics knowledge to unfamiliar words.

Why we re read...

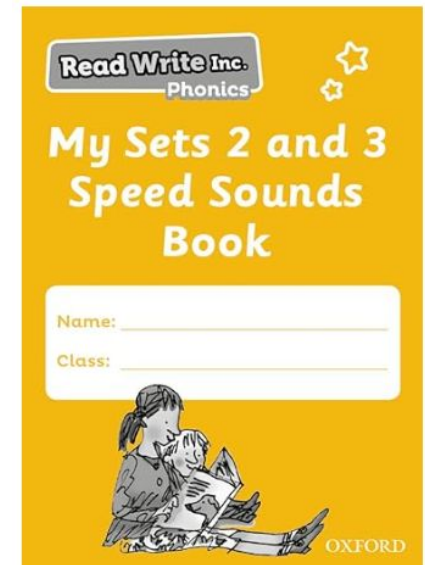

1. Accuracy

2. Fluency (Children are able to read at speed and understand the text without prompting.)

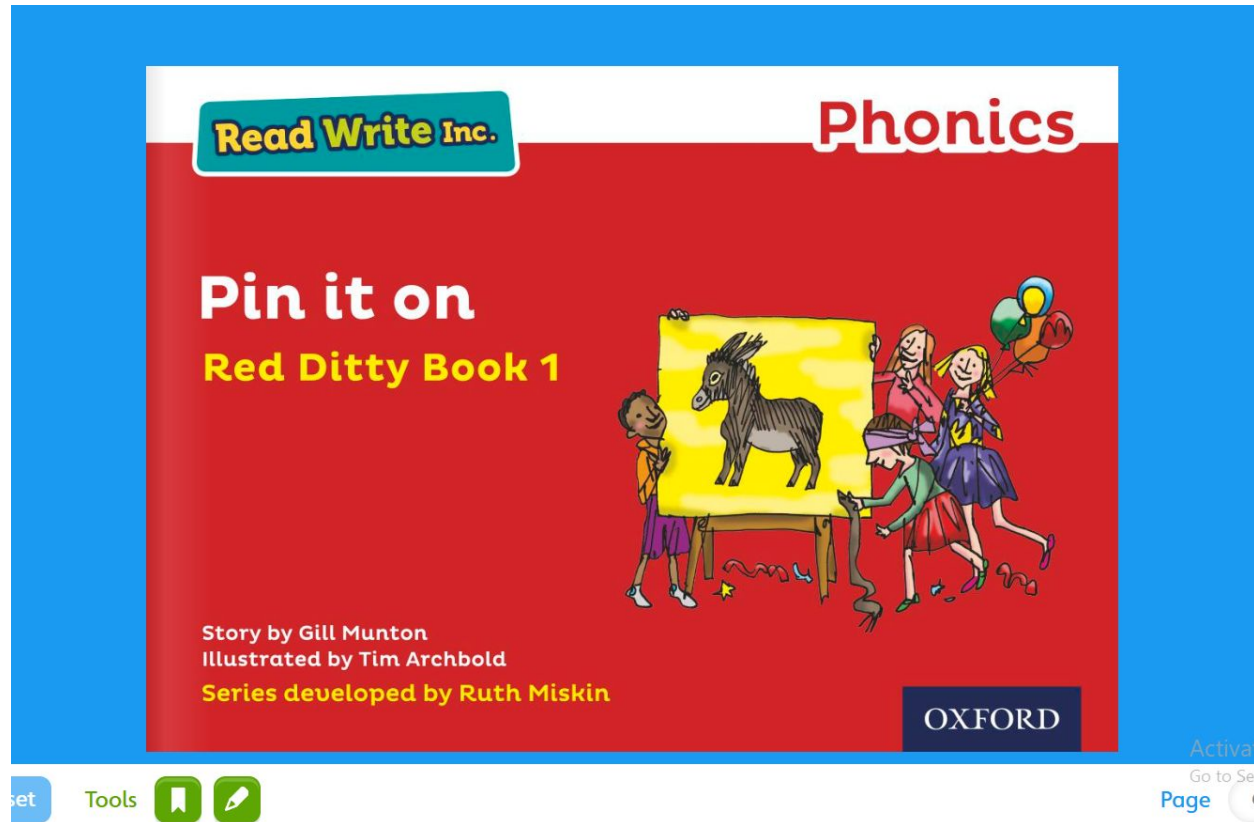

3. Comprehension

Home books are pitched at the children's challenge point to ensure they feel successful as a reader.
