# MESSAGE FROM THE BOARD

## Our Current Event: Celebrating the Game

As we move through our current tournament cycle, the energy at our events is a testament to why we do this. We are seeing incredible engagement and some of the most disciplined play in our history.

This event isn't just about the trophies or the prize fund, it's about the community. We are thrilled to see players from different regions connecting, sharing racks, and elevating the standard of Western BCA pool. We encourage you to soak in the atmosphere, play hard, and enjoy the camaraderie that makes our association unique.

## A Vision for the Future: Modernizing Your Experience

The Board of Directors has been working diligently to ensure that Western BCA doesn't just keep pace with the times but leads the way in player experience. We are excited to outline our roadmap for the coming year:

- **Website Upgrades:** We are developing a more robust, mobile-friendly website. You can expect faster access to stats, real-time tournament brackets, and a streamlined registration process.
- **Online Voting:** Your voice matters. To ensure every member has a say in our direction, we are transitioning to a secure online voting system for Officer and Board elections and major policy changes. This ensures transparency and inclusivity for everyone.
- **Enhanced Social Media Interaction:** We want to tell your stories. Expect a more active presence on our social channels, featuring player highlights, live-streamed matches, and interactive updates to keep you connected between tournaments.

## Moving Forward Together

Our goal is simple: to make Western BCA the gold standard for regional pool associations. We are committed to listening to your feedback and evolving to meet the needs of the modern player while honoring the deep-rooted traditions of the game we love. Good luck to everyone still in the hunt during our current event. We'll see you at the tables.

Sincerely,  
The Western BCA Board of Directors

A Western BCA Story

## HOW LONG HAVE YOU BEEN COMING TO THE COAST?

I've been to every single Western BCA Regional Championship — starting in Kelso in 1996, then Seaside in 1997, and Chinook Winds every year since 1998. That's every tournament, without exception.

## WHAT DOES THIS COMMUNITY MEAN TO YOU?

Western BCA is about seeing old friends and meeting new ones — the competition matters, but so does the connection. Ask anyone here where they're from, and you'll find you already have someone in common. We are a community.

## BEST MOMENT YOU'VE HAD AT THIS TOURNAMENT?

Being the first person ever inducted into the Western BCA Hall of Fame — and being chosen unanimously. Standing on that stage with Cindy Doty and Glenn Atwell and seeing the emotion in the room made it something I'll never forget.

## WHAT KEEPS YOU COMING BACK?

It's become a long-term goal. Cindy Doty and I were the last two players to have attended every tournament — then Cindy stopped coming. I've had physical challenges over the years, but never at tournament time. I'll keep showing up as long as I can.

## WHAT WOULD YOU TELL SOMEONE SHOWING UP FOR THE FIRST TIME?

Play your peers, root for your league mates, and soak in Lincoln City — the beach, the casino, the people. The pool is only part of it. Take great memories home.

*“Pool is chess on wheels. Accuracy, speed, and strategy — master all three and you'll keep getting better your whole life.”*
