PS Australian Star A Unique Luxury Experience

Embark on a journey into a new era of river cruising with the PS Australian Star—a vessel that not only bears a name steeped in heritage and pride but also represents the pinnacle of luxury on the iconic Murray River.

Scheduled for a grand launch in Spring 2025, the PS Australian Star will redefine river cruising along the majestic Murray River, commencing from the charming town of Echuca in Victoria. PS Australian Star promises a voyage that seamlessly blends tradition with opulence.

As you step onto the decks of the PS Australian Star, you enter a realm where every detail tells a tale of the river's rich heritage and the golden age of paddle steamers. The vessel itself is a masterpiece, a floating testament to the artistry and engineering that defined an era. Immerse yourself in the symphony of steam from the authentic 1907 wood-fired steam engine and the rhythmic churning of the paddlewheel as we embark on a leisurely voyage along the winding waters of the Murray River.

Named in honour of Australia's celestial Southern Cross, the PS Australian Star invites you to explore its opulent interiors, where each Suite and Stateroom exudes an air of refinement.

From the Hopwood Lounge & Bar, celebrating the entrepreneurial spirit of Echuca's founder, to the Randell Dining Room, paying homage to the pioneering journey of William Randell, every space aboard is a chapter in a captivating narrative that unfolds with every river bend.

Boasting 19 plush and modern Staterooms and Suites, each opening to a deck and featuring an ensuite, air-conditioning, complimentary Wi-Fi, luxury linen, and a TV entertainment system, the PS Australian Star ensures a luxurious retreat for every traveller. Moreover, its ever-changing river views provide a constant reminder of the beauty that surrounds.

As the PS Australian Star prepares to grace the waters, it beckons you to join a voyage where tradition meets modernity and luxury becomes an art form. Welcome aboard the PS Australian Star, where history and luxury converge for an unforgettable river experience.

Set within a beautifully restored five-storey building dating back to 1881—once Echuca's historic flour mill—the atmosphere combines heritage appeal with contemporary elegance, making it a truly memorable dining experience.

As PS Australian Star departs Torrumbarry, have the opportunity to indulge in an afternoon Devonshire Tea while taking in the scenic views and getting to know your fellow cruisers. You can chat with the Captain in the wheelhouse and learn about the river's history or unwind in your private Stateroom or the Hopwood Lounge and Bar during "Happy Hour" as the sun sets.

In the evening, the crew will set up a riverside campfire (subject to weather) for you to enjoy after a welcome dinner at Norris Bend, prepared by the chef. You can also look out for kangaroos, wombats, and birds while listening to the evening chorus of the river birds and the emerging stars.

JOURNEY HIGHLIGHT: EXCLUSIVE LUNCH AT THE MILL IN ECHUCA

DAY 2 - PERRICOOTA STATION

Enjoy a hearty breakfast before cruising to the famous Perricoota Station, a property first settled by James Maiden in 1843 and known for its starring role in the mini-series *All the Rivers Run*. Take a leisurely stroll through the beautifully preserved historical buildings and immaculate gardens.

Then it's on to Murray Gums Estate, where you'll be welcomed by the property's owners and treated to a gourmet lunch showcasing local produce, paired with delicious estate wines.

For those who don't want to miss the race that stops a nation, you'll be transferred by coach back to the PS Australian Star, where the Melbourne Cup will be broadcast live on the big screen in the Hopwood Lounge. Settle in and enjoy all the excitement of Cup Day on the Murray River.

Alternatively, join the Captain for a guided walk through the historic Perricoota Station before returning to the PS Australian Star with time to refresh before dinner.

The evening concludes with a fascinating documentary featuring rare archival footage of the paddle steamers and river communities that helped shape life along the Murray.

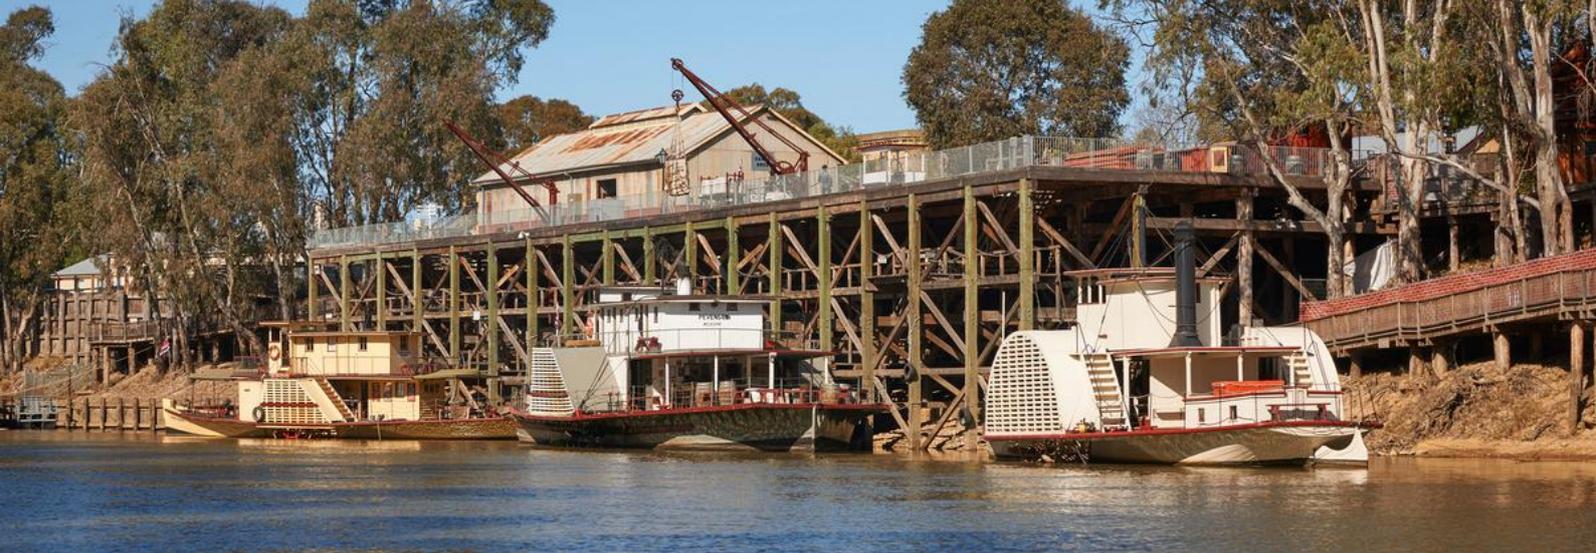

DAY 3 - LAYFIELD LANE

For early risers and avid photographers, the morning mist and wildlife around Perricoota is a spectacle to behold. We spend the whole day cruising upstream towards Layfield Lane, enjoying lunch on the deck or in the Randell Dining Room.

In the evening, experience a grand dinner on the riverbank with the signature Australian BBQ, followed by live entertainment and casual conversation around the campfire (weather dependent).

DAY 4 - TOWN TOUR & ECHUCA

Begin your day with a hearty breakfast to prepare for an exhilarating half-day expedition encompassing both land and water. Embark on a unique guided Henry Hopwood Town Tour, a captivating journey through the quaint town of Echuca, where you'll unearth hidden historical treasures such as Hopwood's Punt and the pontoon bridge. This bridge, conceptualized by Echuca's founder, Henry Hopwood, stands as the original river-crossing point in the region.

Prepare to be captivated by the century-old PS Canberra, boasting a red gum timber hull constructed in 1912 at Goolwa, South Australia. Indulge in morning tea aboard this vessel before returning to PS Australian Star for lunch. Your river cruise adventure continues upstream, passing by the impressive Port of Echuca Wharf, which was once bustling with over 100 paddle steamers during its prime.

DAY 5 - SILO TOUR & PUB LUNCH

Prepare yourself for an engaging half-day expedition that will immerse you in the beauty of local artistry and historical vignettes. The day kicks off with a visit to the breathtaking local art silos situated at Rochester and Colbinabbin. These larger-than-life paintings are a testament to the region's rich heritage and are sure to leave an indelible impression.

Your excursion doesn't just end with the visual feast of the silos; It extends to a delightful lunch at a renowned local pub. Here, you'll not only savour delicious fare but also have the unique opportunity to interact with the pub's welcoming owners and engage in lively conversations with the friendly locals.

As you reboard the PS Australian Star, get ready to unwind during an afternoon cruise downstream with a relaxing Devonshire Tea. The serene ambience of the river compliments the delectable treats served, providing a perfect backdrop for a leisurely afternoon. As the sun starts to set savour a refreshing drink in the ship's Hopwood Lounge and Bar while basking in the scenic beauty surrounding you.

As twilight sets in, a magical experience awaits you at Layfield Lane. Following a sumptuous Australian BBQ dinner served on the riverbank, the atmosphere transforms with live entertainment around a crackling campfire under the sparkling stars (weather dependent).

DAY 6 - DEEP CREEK MARINA

Today, you will experience the perfect start to your day with a delightful breakfast before embarking on a captivating half-day land and river tour that promises to be an unforgettable journey. Your adventure begins with a visit to the fascinating Heritage Farm Museum, where you'll immerse yourself in the charm of the past.

Next, get ready to be enchanted as you join the Murray Explorer, which will take you on an Expedition cruise along the upper Murray River. Prepare to be awestruck by the natural wonders that surround you, from breathtaking landscapes to a rich array of wildlife. Keep your eyes peeled for Faced Herons, and you may even find a Kingfisher.

On your return to PS Australian Star we visit St Anne's Winery for tasting of their fabulous table and fortified wines. Once onboard enjoy an afternoon tea service as we continue downstream towards Deep Creek Marina.

DAY 7 - TORRUMBARRY WEIR

The PS Australia Star departs early for a full day of cruising with a stop at the famous Perricoota Station before continuing downriver towards Torrumbarry Weir. Upon arrival, take a guided walk across the weir with the Skipper, visiting the Interpretive Centre and learning about the Murray Darling Basin, the weir, and the lock system that dates back to 1923.

Tonight, enjoy a delicious final dinner hosted by your Skipper with pre-dinner canapes and drinks as the sun settles over the weir. Listen to the river birds' evening chorus and watch for kangaroos, wombats, and various bird species as the stars begin to appear during dinner.
