1995

In 1995 kwam Olympic voor het eerst op de Belgische markt. Samen met de Portugese zetel werd er gebouwd aan een verkoopnetwerk gebaseerd op goede contacten met verschillende grote teams zoals Benfica, de Portugese nationale ploeg, K.S.K Beveren, ... Al snel werd duidelijk dat de wegen van Olympic Portugal en België naast elkaar liepen. In 2000 richtte Mr. Lismond Olympic Sportswear op. Vanaf dat moment was Olympic een teamwear merk dat zich volledig richtte op de lokale markt.

En 1995, Olympic a fait son entrée sur le marché belge. En collaboration avec le siège portugais un réseau de vente a été créé sur la base de bons contacts et avec diverses grandes équipes telles que Benfica, l'équipe nationale portugaise, K.S.K. Beveren, ... Il devint clair que les routes d' OLYMPIC Portugal et d' OLYMPIC Belgique allaient côté à côté. En 2000, M. Lismond créa Olympic Sportswear. À partir de ce moment, Olympic était une marque de vêtement d'équipe entièrement axée sur le marché local.

KSK BEVEREN

Vandaag is Olympic een 100% Belgisch merk dat zich kenmerkt door zijn sportieve en trendy collecties tegen concurrentiële prijzen, zijn klantgerichte service, zijn snelle leveringen, zijn sponsoring aan clubs, ... Wij staan garant voor een snelle aanvulling van stocks en dit met zeer korte levertermijnen. Door het wegvalen van logge structuren en vele tussenpersonen kan de marge volledig aan de club gegeven worden, wat resulteert in een zeer sterke prijs-kwaliteit verhouding.

Aujourd'hui, Olympic est une marque 100% belge caractérisée par ses collections sportives et tendances à des prix compétitifs, son service client, ses livraisons rapides, son sponsoring auprès des clubs, ... Nous permet de garantir un réapprovisionnement rapide des stocks et ceci avec des délais de livraison très courts. En raison de la diminution de structures lourdes et de nombreux intermédiaires la marge peut être entièrement laissée au club, ce qui donne un très bon rapport qualité-prix.

THE IMPACT OF SUBLIMATION

Sublimatie is een techniek waarbij hittegevoelige inkt wordt gebruikt om een volledig gepersonaliseerd design over te brengen op een stof. In dit design zijn de clubkleuren, alle sponsorlogo's, nummering en zelfs namen inbegrepen. Door inwerking van hitte wordt de inkt gasvormig, waarna hij zich zal hechten aan specifieke materialen. Aangezien de inkt deel gaat uitmaken van de structuur van het materiaal, vervagen de beelden niet en vertonen ze geen scheurtjes, zelfs niet na meerdere wasbeurten. Deze techniek is bruikbaar voor verschillende vormen van textiel zoals shirts en shorts, trainingen, polo's, maar ook sjaals, vlaggen, neckwarmers, ...

Olympic Sportswear is sinds jaren gespecialiseerd in het sublimatieproces. Wij zoeken samen met u naar een eigen ontwerp voor uw ploeg, in de kleuren van de club, met de logo's van uw sponsors, met nummering, eventueel zelfs namen en dit voor zowel dames als heren. Wij helpen u doorheen het hele proces! Voetbal, basketbal, volleybal, beachvolley, rugby, handbal, atletiek, motocross, alle sporten zijn mogelijk. Maar sublimatie is ook mogelijk voor verenigingen of ondernemingen die zichzelf klassevol willen profileren met gepersonaliseerde t-shirts, polo's, hoodies, tassen, sjaals, ... Niets is onmogelijk!

La sublimation est une technique dans laquelle une encre thermosensible est utilisée pour transférer un motif entièrement personnalisé sur un tissu. Dans cette conception, les couleurs du club, tous les logos, la numérotation et même les noms des sponsors sont inclus. Sous l'action de la chaleur, l'encre devient gazeuse, après quoi elle s'attache à des matériaux spécifiques. Étant donné que l'encre fait partie de la structure du matériau, les images ne s'estompent pas et ne présentent aucune fissure, même après plusieurs lavages. Cette technique peut être utilisée pour différents types de textiles tels que les maillots et shorts, les trainings, les POLO'S mais aussi les écharpes, les drapeaux, les neckwarmers, ...

Olympic Sportswear est spécialisé dans le processus de sublimation depuis des années. Avec vous, nous recherchons votre propre design pour votre équipe, aux couleurs du club, avec les logos de vos sponsors, avec une numérotation, éventuellement même des noms. Ces designs peuvent être aussi bien pour les hommes que pour les femmes. Nous vous aidons tout au long du processus. Football, basketball, volleyball, beach volley, rugby, handball, athlétisme, motocross, ... tous les sports sont possibles. Mais la sublimation est également possible pour les associations ou les entreprises qui souhaitent se distinguer au travers d'une personnalisation de t-shirts, POLO'S, sweats à capuche, sacs, foulards, etc ... Rien n'est impossible!
