YOUR PROFESSIONAL DEVELOPMENT PLAN

Your Personal Development Plan is a core part of your ISC Group membership and supports you throughout a structured 12-month journey designed to help you clarify your goals, take purposeful action, and stay aligned with what truly matters to you.

As you progress, you'll gain greater focus, confidence, and direction – creating momentum towards both your personal and professional ambitions, while developing a stronger sense of your own inner compass.

The 12 month journey includes five core sessions, delivered three times a year to fit around your commitments. You can join at any stage, take the sessions in any order, and revisit them as often as you wish.
