# Private Bus Service

Loreto Normanhurst provides seven dedicated private buses for transport to and from the School. Chartered by North Sydney Bus Charters, buses are air conditioned, fitted with seat belts and are clearly branded as Loreto Normanhurst buses. Buses operate each day during the school term, dropping students at Loreto Normanhurst by 8.10am and departing each afternoon at 3.25pm.

Students from Years 5-12 can subscribe to use the Loreto Normanhurst Private Bus. All students using the Private Bus Service must carry their Student ID Card and use it to tap on and off each bus ride.

## Private Bus Guidelines and Code of Conduct

### Guidelines

Loreto Normanhurst, in partnership with North Sydney Bus Charters, makes every effort to keep to the timetable. However, North Sydney Bus Charters and/or the driver have no control over the volume of traffic encountered or other potential peak hour delays.

Each student who is registered for one of the services must wait at the designated stop well in advance of the scheduled time of departure.

Should you be concerned that your daughter may have missed the bus, or you believe the bus is running late, you can contact North Sydney Bus Charters direct on 9427 8533 as each service is equipped with a GPS so the tracking of each service and the location is available within minutes of your phone call.

### Code of Conduct

Students travelling to and from school on all forms of transport are expected to do so within the values of the School and the guidelines of the Student Behaviour Management Policy as outlined in the Student Handbook.

#### Guidelines that are specific to travel by bus include:

- Do not distract the driver or interfere with the operation of the bus.
- Board and leave the bus in an orderly manner.
- Respect bus property and the property of others.
- All students must be seated and wearing a seatbelt.
- Place bags under the seat, near your feet – not on the seats.
- Eating and drinking is not permitted on Loreto Normanhurst buses – drinking water is allowed.
- Treat other students and the bus driver with respect.
- Be courteous and keep conversations to a reasonable level.

Any report of inappropriate behaviour or misconduct will be addressed in light of the Student Behaviour Management Policy.

### Lost Property

If your daughter has left any items on the bus, please contact North Sydney Bus Charters on 9427 8533 or the Personal Assistant to the Deputy Principal who will make contact with the bus company at [deputyprincipal@loretonh.nsw.edu.au](mailto:deputyprincipal@loretonh.nsw.edu.au)
