Dear Alumni & Friends,

Join us on an adventure to Lapland – home of the Sami; the Indigenous people of northern Scandinavia.

On our journey, we will experience Norway's beautiful fjords, charming ports, rare wildlife, and travel to places no other cruise ships can access before venturing into northern Finland.

Hurtigruten has explored the Norwegian coast since its original voyage in 1893. Go where no one else goes, with a crew and ship that have Scandinavia in their DNA.

Named "the world's most beautiful voyage" by Lonely Planet, we will sail along Norway's stunning coastline, crossing into the Arctic Circle. Cruise past majestic mountains and breathtaking fjords, explore remote but welcoming towns, embark on once-in-a-lifetime excursions and savour 'Norway's Coastal Kitchen' prepared from fresh local produce. Along the route, dedicated expedition leaders have a single mission: to enhance your experience by leading activities and interpreting the cultural and natural treasures you will see during your journey.

Visit cities like Bergen, Alesund, and Trondheim, before we cross the Polar Circle and sail into Tromso. We continue further north and explore Ivalo in Northern Finland as well as the historic centre of Finland – Helsinki.

I invite you to join us for a voyage filled with spectacular nature and experiences. For more information or to make a reservation, please contact GLP Worldwide at [1-866-760-1987](tel:1-866-760-1987) or alumni@glpworldwide.com.

Sincerely,
