parks & rec news

This summer brings new ways to play in Mansfield, thanks to the completion of some major park projects over the last few months. Take advantage of those long days and time off to explore what's new, improved, and reimaged in your favorite hometown!

KATHERINE ROSE MEMORIAL PARK

Our world-famous squirrel and 100k-sq ft playground opened in December to rave reviews and has been the most popular destination in town ever since! Construction should begin this fall on phase 2, which brings basketball and sand volleyball back to the park in place of the adjacent soccer fields, while adding tennis and pickleball courts, as well as an outdoor fitness plaza, restrooms, and pavilions. That project should be complete in late 2027. In the meantime, our remarkable park is just waiting for you to check it out!

MOODY PARK

Moody Park (formerly McClendon Park East) is home to a brand-new playground, replacing the equipment that had been in place since the park opened in 1994. The upgrade makes this neighborhood park a perfect destination for small groups or quiet afternoons; the park includes ample parking, one ballfield used for MYBA practices and restrooms and is located at 724 W Kimball St.

VETERANS MEMORIAL AT JULIAN FEILD PARK

Work is complete at Julian Feild Park, which now boasts a gorgeous pond, pavilion, restrooms, event plaza and the City's first veterans memorial space. An official dedication ceremony will be held in May, but the park is open to the public for quiet reflection and remembrance. Crews are now working on phase 2, adding soft-surface trails through the rear, wooded portion of the park.

WALNUT CREEK LINEAR TRAIL PHASE 3B

Mansfield's most popular amenity just got a big upgrade! The latest segment of the Walnut Creek Linear Trail, a one-mile extension from McKnight Park to Oliver Nature Park, is now complete and open for use. The section includes upgraded sidewalks along Cannon and Matlock and a pedestrian crossing under Matlock.

GEYER COMMONS

In February, City leaders gathered to celebrate the opening of our new downtown park, Geyer Commons, which includes open lawns, restrooms, a year-round splash pad, and a cottage market. Read more about the unique space on page 8.

MANS BEST FIELD DOG PARK

We call it puppy love! Mans Best Field Dog Park now has a safe water feature for pups who love to swim, a dog washing station (for after they take a dip in the natural pond and need to clean off before heading home!) and string lights, so you can enjoy the park well into the evening hours. Mansfield's only off-leash dog park is located at 610 W. Broad Street, just outside of Historic Downtown.

Still in the works, park improvements and a disc golf course at Robert and Ann Smith Park (formerly McKnight Park West) and master planning of future park properties; more to come soon!

As always, follow Mansfield Parks & Rec on Facebook or Instagram for the latest project updates and announcements, visit mansfieldparks.com for updated information about existing or future parks or programs, and reach out to staff with any other questions at any time via parks@mansfieldtexas.gov or the website contact form.

PROJECT 365

MANSFIELD UNPLUGGED

Why stop at 100 hours when you can play all year long?

The award-winning 100 Hours of PLAY challenge is bigger and better than ever, now expanded to the entire family...and the whole year! Best of all, our upgraded program has an upgraded online log where you can RSVP to events, get exclusive updates and earn rewards.

We've always made it our mission to help you infuse a little more play into your day, but this year, we want to make every day in Mansfield truly remarkable.

We're challenging Mansfield families to aim for 365 hours of screen-free time together, creating a year's worth of remarkable moments with over 365 events throughout the year. It's all completely free, thanks to generous support from our community partners.

Project 365 includes 4-5 weekly activities, such as free outdoor yoga, storytime in the park or fishing expos, hands-on nature and museum classes, live concerts, movie nights, and so much more. It's all about creating unique opportunities for your family to share remarkable experiences together in your hometown.

Get all the details and sign up on our website now and challenge your family to make the most of every moment, together!
