CASAMONTE

INTRODUCTION

Casamonte was founded on the belief that true artistry is a collaborative journey. Inspired by the timeless interplay of texture and design, Casamonte partners with distinguished artists and designers to craft surfaces that are both transformative and enduring. Through these partnerships, we have crafted collections that transcend trends, standing as timeless testaments to the power of design to inspire and connect. With every collection, we invite our customers to see their spaces not just as places, but as canvases for self-expression and stories waiting to be told.

MARC-MICHAELS INTERIOR DESIGN

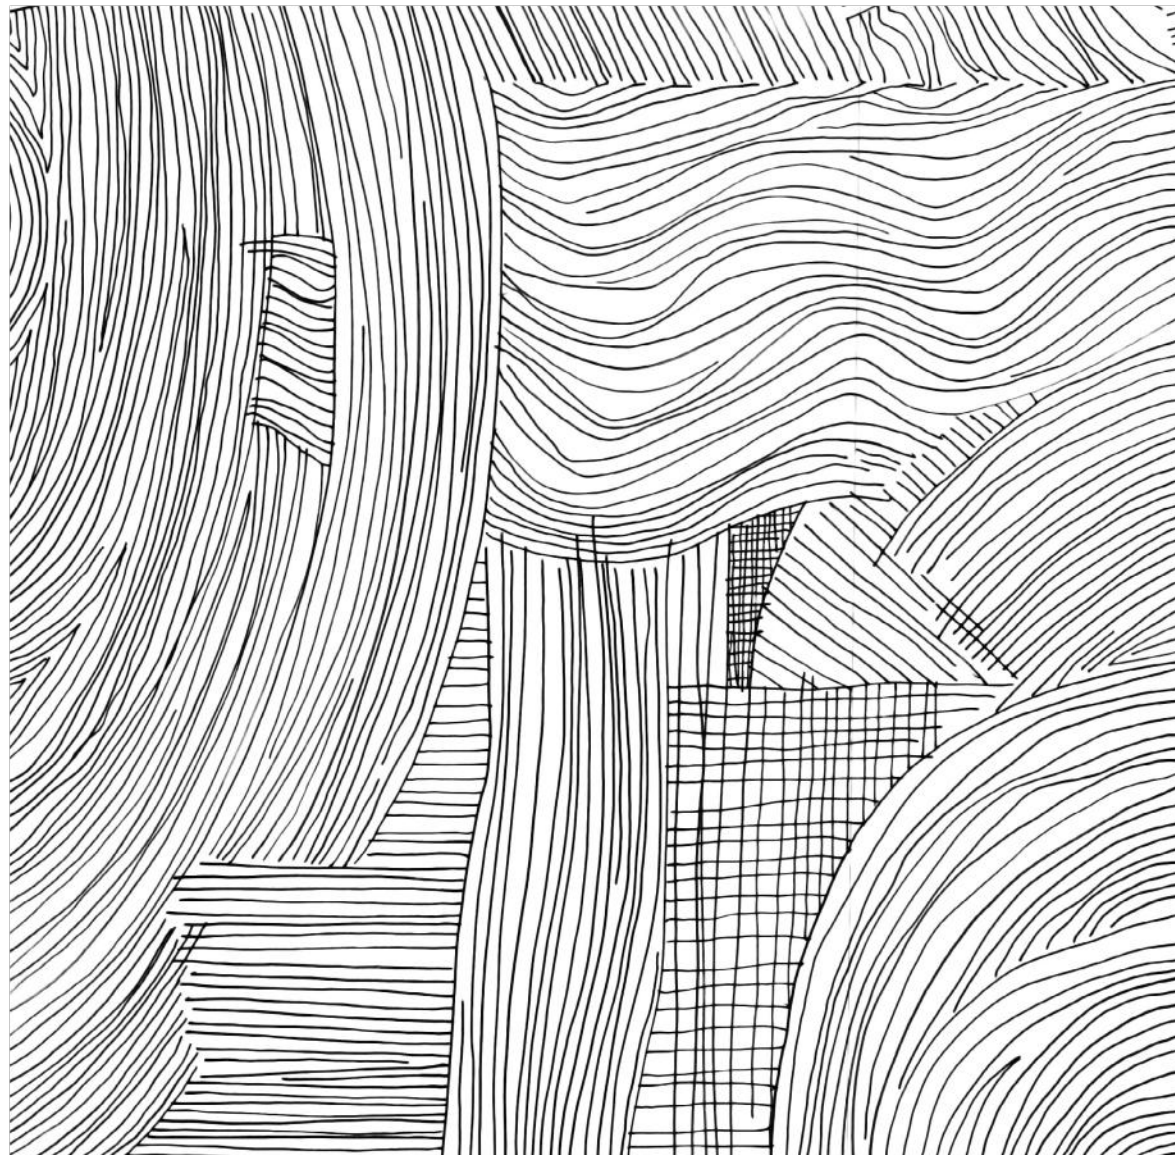

Founded in 1985 as a partnership between S. Marc Thee and Michael J. Abbott, Marc-Michaels Interior Design has evolved into an award-winning, international luxury design firm that employs more than 60 industry professionals. Marc-Michaels brings nearly 40 years of experience and unparalleled design knowledge to each of its projects. The firm's client-focused mission, attention to detail, and vast library of hand-selected products and finishes are what consistently rank the firm as a design industry leader.

IN-LINE INSPIRATION

"In-Line" is inspired by the fluid, organic shapes and patterns found in nature, capturing the essence of natural forms through a carefully crafted design.

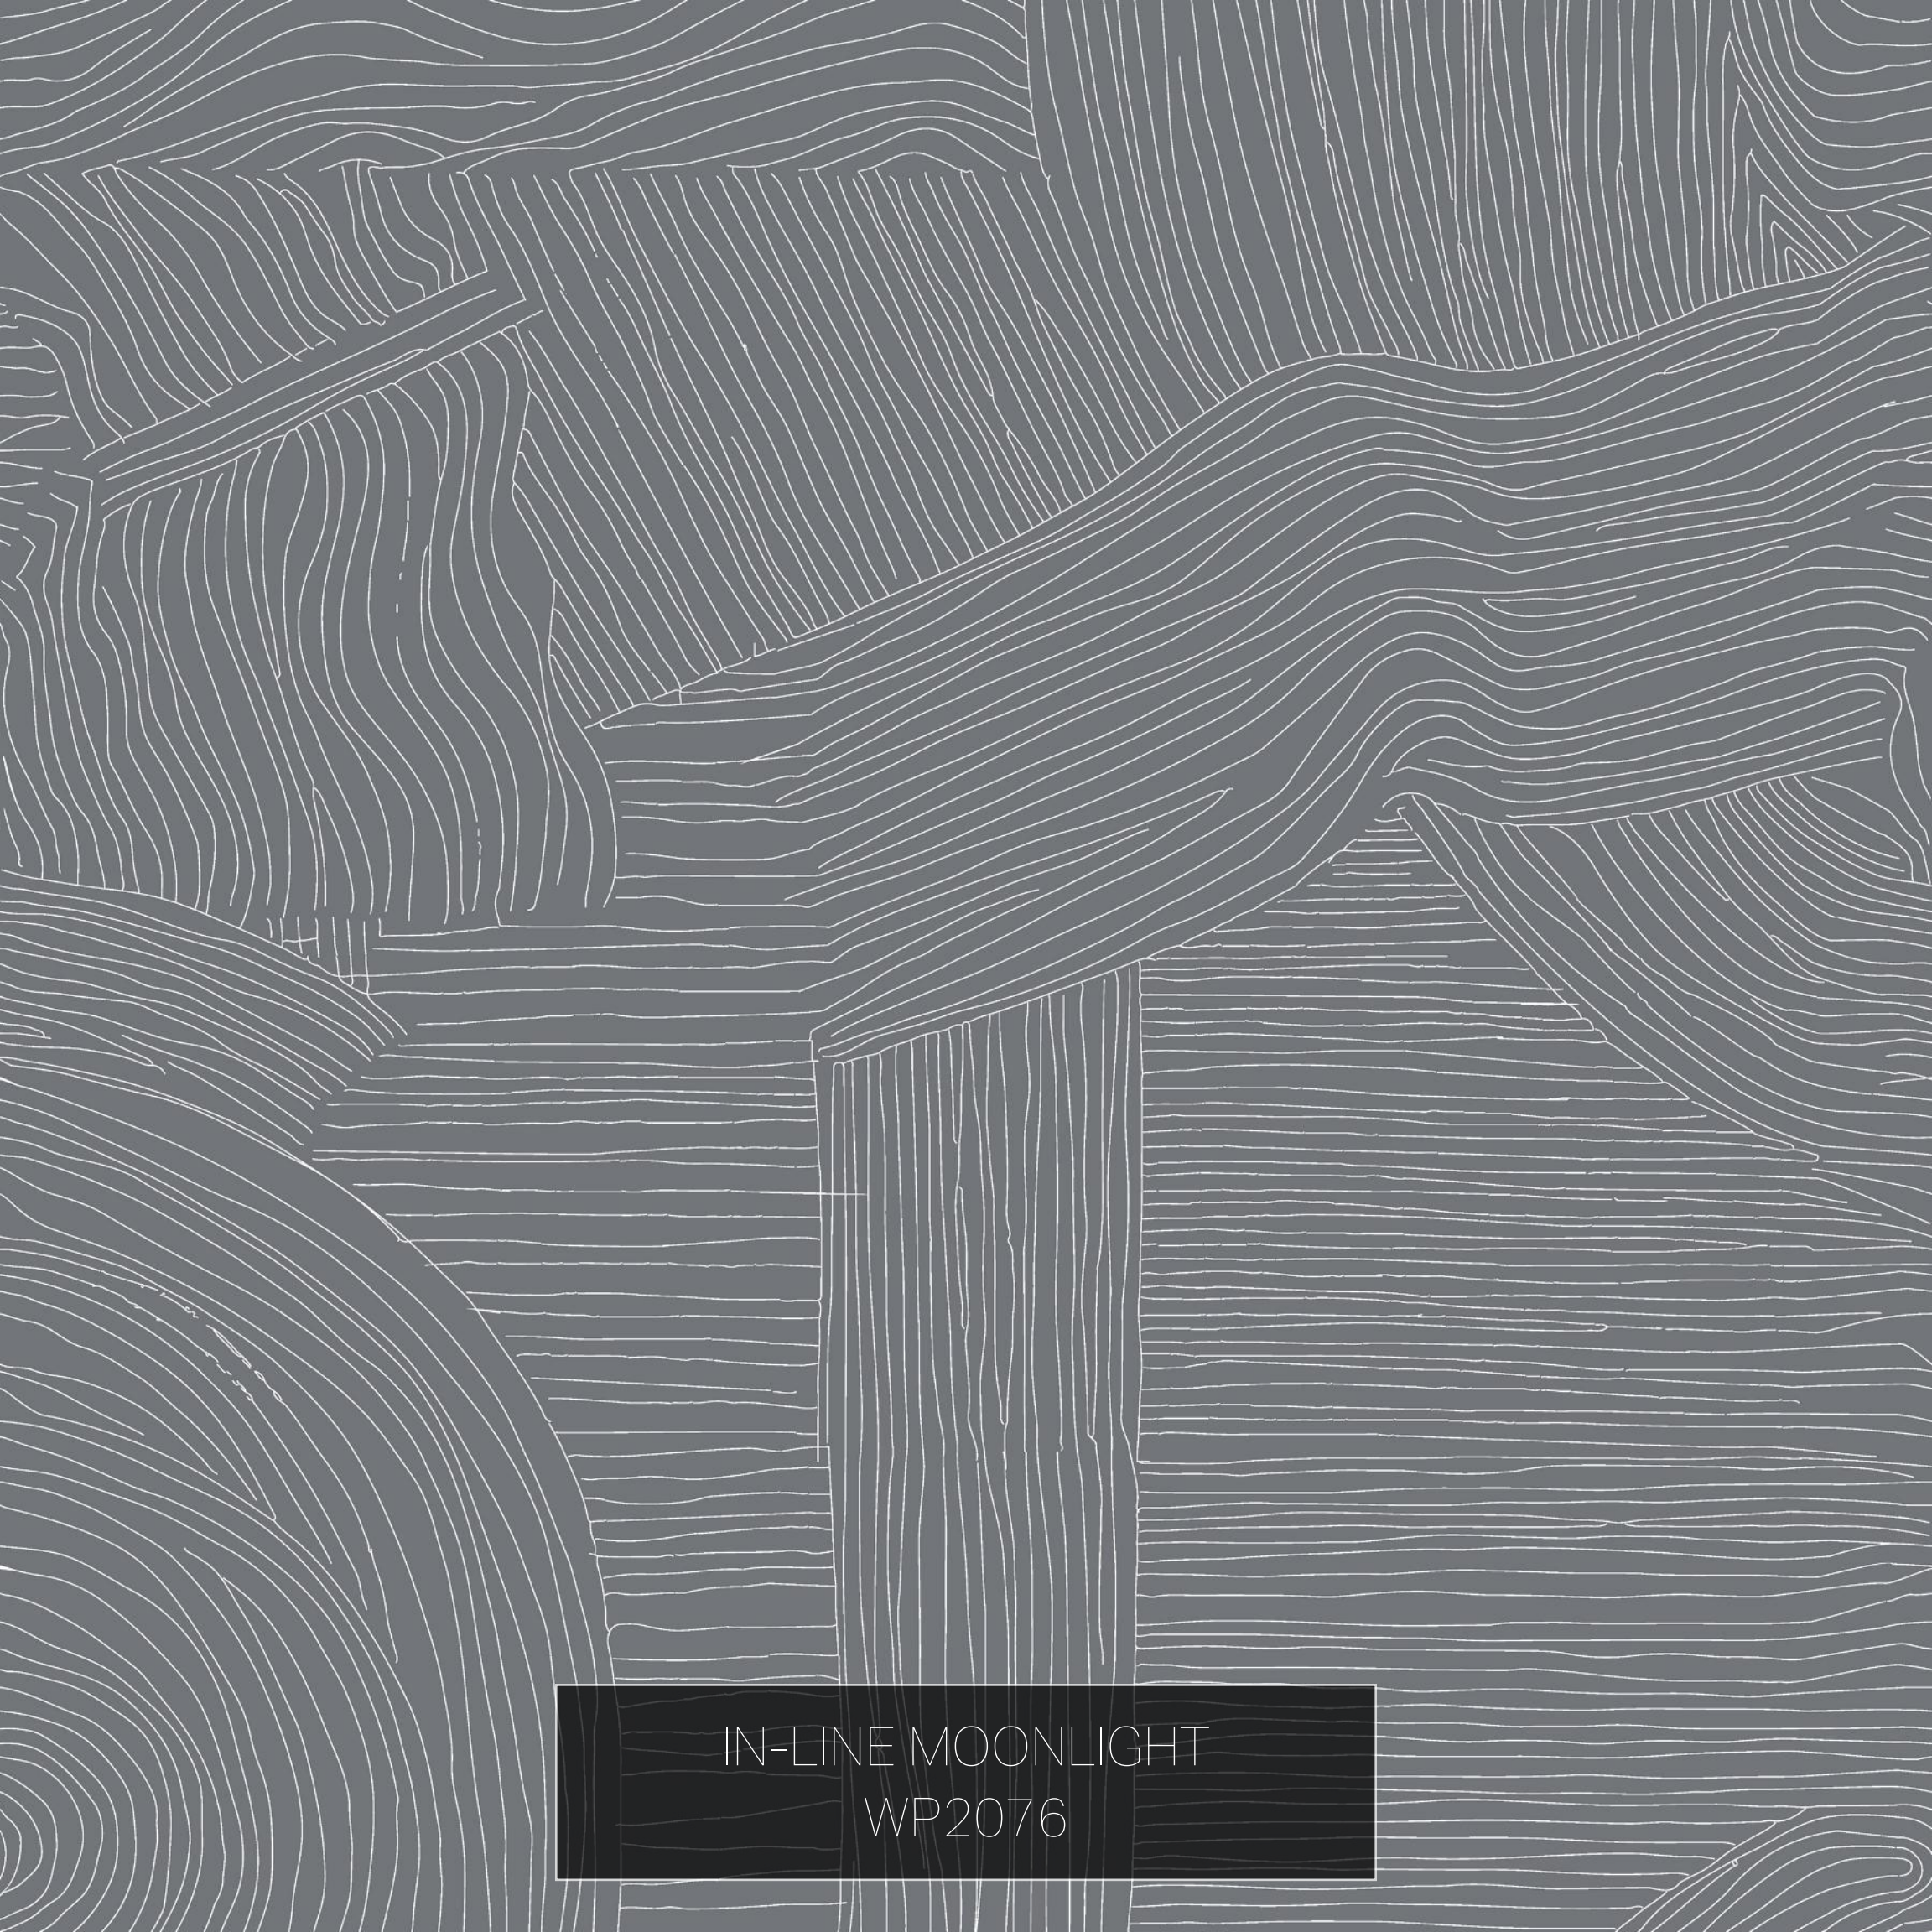

The pattern features soft, sinuous lines that curve and intertwine with graceful fluidity, creating a sense of movement and harmony. This dynamic print comes in ten different carefully selected colorways.

The background is a solid teal color with intricate, white, hand-drawn wavy lines. These lines vary in thickness and direction, creating a sense of movement and depth, reminiscent of a wood grain or a topographical map. The lines are most dense in the upper left and right corners, while the lower left corner features more concentric, circular patterns.

CHOPSTICKS INSPIRATION

"Chopsticks" is a harmonious blend of geometric precision and spontaneous energy. This design was conceived to embody a balance between structure and unpredictability, where sharp, angular lines alternate with unpredictable shifts, creating a dynamic sense of movement. This pattern comes in nine different colors with an inverted option as well.
