# About us ✨

We are a dynamic and innovative company that majors in facility cleaning and management solutions, laundry services, training and capacity development, and we are dedicated to providing exceptional services to our clients. With a team of skilled professionals and a commitment to healthy living, green environment and sustainable practices, we strive to maintain desirable ethical standards in the management of facilities which include but not limited to: Residential/Private properties, Industrial and Commercial properties, Landscaping, Lawn construction and management as well as general cleaning services.

Our goal is to assess all your cleaning and facility's needs and render worthwhile services: laundry, residential, commercial or industrial property, hence, we've perfected our methods to satisfy all our clients' needs. In serving Nigeria, Africa and the rest of the world with top-notch facilities cleaning and management solutions expertise, we offer comprehensive premium services to ensure your properties are well managed, spaces are pristine and hygienic. We are so designed and committed to customer satisfaction that is never to be bargained on, nor compromised. Our highly skilled staffs are trained to adhere to strict safety procedures.

With our level of readiness and international exposure in the facility management industry, we guarantee quality services and a pristine environment for your space.

**“Live in the green future from now and leave your facility cleaning and management to us.”**

# A Message from Us to You ✨

## We Are Your Partner in Green-Future and Property Excellence!

*Our passion, commitment, hope for and belief in the potentials to achieve healthy living, a green-environment and enhance sustainable practices drives us towards operational excellence and growth.*

Choosing from our streams of service options, facility cleaning and management solutions, means more than just maintaining clean spaces. It's about partnering with a forward-thinking company that understands the broader impact of well-maintained, sustainably managed properties on your business success, occupant well-being, and environmental footprint.

At TidyTribes FMS, we offer a unique combination of expertise, innovation, passion and commitment to sustainability that sets us apart in the industry. By entrusting your property care to us, you're not just outsourcing a service; you're gaining a dedicated partner invested in your success. From enhancing health and productivity of your occupants to contributing to your sustainability goals, our comprehensive solutions are designed to add value in multiple ways.

Our excellent and ever-dedicated professionals and experts in their respective fields takes pride in what they do and enjoy providing solutions to cleaning and facility management challenges.

Notably to emphasize that, as a brand, we are driven by passion through commitment into excellence to elevate your spaces and enhance the quality of lives, we are ready to build a relationship of trust, integrity and mutual respect with you.

Let us transform your spaces into showcases of cleanliness, efficiency, and environmental responsibility. Together, we can create environments that not only look impeccable but also promote health, green-environment, sustainability and success.

# Cleaning Services ✦

(Residential | Commercial | Industrial Cleaning)

Ensuring hygienic surfaces, healthy living and lifestyle of clients using advanced technology, tools and eco-friendly cleaning supplies for saving lives is one of our major top priorities. We've introduced TidyPros, a platform that makes residential, commercial and industrial cleaning hassle-free. We are offering Multi-Tenant Buildings, Single-Tenant Buildings and Owner-Occupied Buildings, Air BnB, Shortlet Apartments, Event Centers, Garage and Car-Park, among others on hourly, weekly and monthly basis.

# Facility Management Solutions ✦

(Residential | Commercial | Industrial)

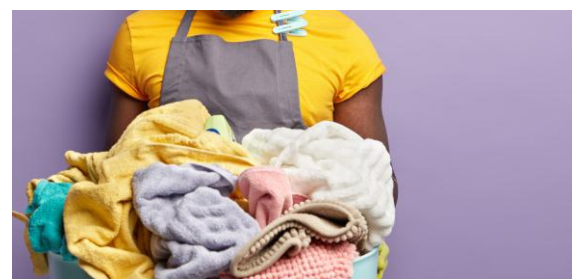

With our facility management solutions, we are designed and available to ensure the functionality, comfort, safety and efficiency of client's buildings and grounds, infrastructure and real estate, cleaning and general maintenance as well as security & Surveillance, landscaping, space management and interiors. We take up the responsibilities for the maintenance and upkeep of residential, commercial, industrial and government's buildings and properties, ensuring that they meet required legal requirements, safety standards that paves way for healthy living, green environment and sustainability practices.

# Laundry Services ✦

We understand that laundry services are a part of people's daily life, an essential part of the housekeeping industry and one of the most approved ways of staying so neat, healthy and well respected. This perfect understanding prepared us to adapt and developed into the intricate science that blends together, the element of stain removal, steam laundry, dry cleaning and proper folding techniques, bringing about maximum customers' satisfaction, a sense of fulfilment to us as a brand and a notable achievement in the promotion and institutionalization of green-environment and environmental sustainability.

# Training & Capacity Development ✨

**(HSE | Environmental Sustainability | Facility Management | Human Resource Customer Care/Relation Management | Space Management & Interiors)**

We provide strategic tools for improving business outcomes through implementation of creative, innovative and effective training programs that advance employee growth and retention. Our trainings are modelled around the practice of growing employees into equipped managers and managers into effective leaders by the ongoing enhancement of certain knowledge, practical skills and abilities needed for an immense business growth. Taking up training sessions with us, guarantees you and your team a holistic creative teaching-learning experience that ranges from orientations, classroom lectures, case studies and research-based learning, role playing, simulations to virtual classroom experience (inclusive of computer-based training/e-learning).

# Key Differentiators ✦

## Our Commitment to Delivering Excellence

At the core of our business is an unwavering commitment to excellence, a key differentiation for our brand. We achieve this through:

- + The niche we are committed to promoting and that we are known for: Healthy living & lifestyle, Green-environment and Sustainable practices.
- + Rigorous Quality Control: We deliver on high quality service standards through regular inspection of the quality of work been done.
- + Committed and dedicated skilled workforce.
- + Client and brand resource optimization and cost-effectiveness.
- + Specialized Training and re-training: Our staff undergoes regular training to maintain expertise in the latest cleaning, facility management, laundry service and corporate capacity development training techniques.
- + Continuous innovation through technology integration: We stay at the forefront of industry trends, constantly updating our methods and technologies.
- + Customer-centric approach and Client education: We prioritize open communication, professional advice and tailor our service to meet your unique needs and preferences.
- + Feedback loop: We create a feedback loop mechanism to ensure consistent high-quality service delivery.

By choosing us, you are not just hiring a service provider, you are gaining a dedicated partner committed to elevating your facility management to new heights of efficiency and sustainability.
