HANDY INFORMATION FOR YOUR STAY AT THE MARATHON COACH SERVICE DEPARTMENT

Jackknife Sofa Sleeper

The Jackknife Sofa Sleeper offers a clean, elegant solution for additional sleeping accommodations. The sofa folds down mechanically using a hinge system, with a discreet wedge pillow that fills the center to create a flat, comfortable sleeping surface.

Owners can choose between integrated drawer storage beneath the sofa or an open cavity ideal for storing blankets and pillows—making this option both practical and beautifully efficient.

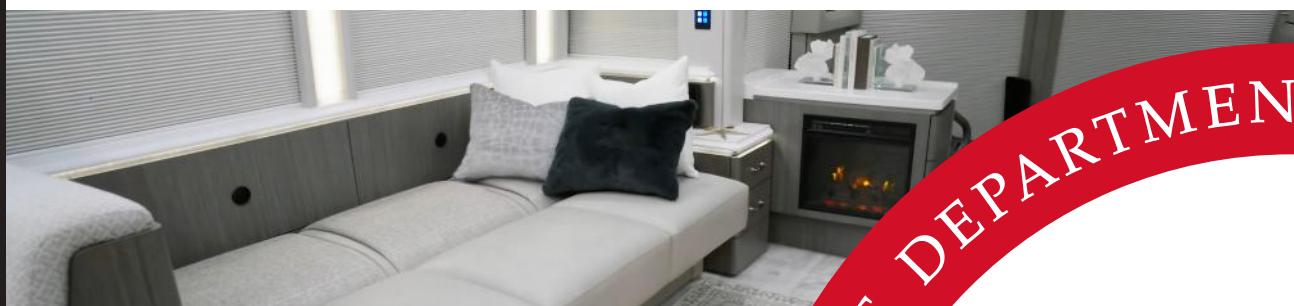

Hide-A-Bed Sofa Sleeper

The Hide-A-Bed Sofa Sleeper provides familiar, fold-out functionality with a luxury finish. The bed deploys smoothly from the sofa and features an inflatable air mattress topper for added comfort, offering a supportive sleeping surface for overnight guests. When not in use, the sofa maintains a refined appearance, delivering extra sleeping space without compromising the coach's interior design.

Motorized Sofa Sleeper

New to Marathon Coach, the Motorized Sofa Sleeper elevates convenience to a new level. With the press of a button, the sofa smoothly transitions into a sleeping surface, using the same wedge-pillow design as the jackknife sofa—without the need for manual adjustment. This option is ideal for owners who value ease of use, modern technology, and refined comfort, all seamlessly integrated into their custom coach.
