## OUR VISITORS

Rushden & Higham United F.C.

### HIGHAM TOWN

The earliest recorded mention of Higham Town Football Club occurred in 1876 when the club was formed following a meeting held at the Griffin Public House in Higham Ferrers.

The club initially competed in the Northamptonshire League during the latter part of the nineteenth century.

The Lankies' golden age was undoubtedly in the 1920s, when they were reformed following the conclusion of the First World War. By this time competing in the Wellingborough & District League, they won the NFA Junior Cup also gaining admittance to the Northants League which they won in their maiden season along with the Northants Senior Cup.

The league title was retained a year later as well as Northamptonshire's premier trophy, The Maunsell Cup. The same season (1921/22) the Lankies enjoyed a long run in the FA Cup culminating with a tie against Football League Chesterfield. More than matching our professional opponents we secured a 4-4 draw at Saltergate before succumbing by a single goal to nil in the replay. The Lankies were also the highest scorers in the FA Cup that season.

### THE HIGHAM TOWN SIDE FROM 1922 WHO TOOK CHESTERFIELD TO A REPLAY IN THE FA CUP

In the 1923-24 and 1926-27 seasons the club were league runners up and in 1931 and 1933 they were also Northants Senior Cup runners cup. In 1936 the Maunsell Cup was once again secured with The Lankies defeating Northampton Town in the final.

## Our visitors continued

On resumption of the football calendar following the end of the Second World War The Lankies competed in the Rushden & District League where they remained before joining the United Counties League. During the period between 1950-1997 The Lankies finished runners up in the league on no less than seven different occasions.

In 1997 The Lankies finally secured the United Counties League Division One title which was the club's first league title in seventy five years.

### **RUSHDEN RANGERS**

Rushden Rangers were formed as a youth football side in 1978 by Steve Cavender who was inspired by watching local lads playing a jumpers for goal-posts game in Melloway Park, Rushden. Steve would hold the position of Rushden Rangers' secretary until 1990.

In the club's heyday it boasted numerous youth sides and two senior sides going on to secure the NFA Lower Junior Cup and the Northants Combination League title.

In 1994 Neil Gant offered the Hayden Road facility to Rushden Rangers which now lay vacant following Rushden Town's merger with Irthlingborough Diamonds and subsequent move to Nene Park.

### **MERGER**

In 2007 the decision was made to merge Higham Town and Rushden Rangers, with the new club playing at Hayden Road in order to preserve their United Counties League status. With

assistance from the Stadia Improvement fund the Hayden Road facility was brought up to the required standard.

### **THE MODERN ERA**

Since the merger Rushden & Higham United has plied their trade at Step Six, initially in the United Counties League and more recently the Spartan South Midlands Division following a lateral move in 2021.

The club's most famous day since the merger in 2007 came in 2013 when the NFA Junior Cup was secured with victory over Cogenhoe at Northampton Town's Sixfields Stadium.

**RYAN COLE used to sneak into Newmarket Town's ground to practice his free-kicks – now the EFL-bound starlet will be trying to break in at Wycombe Wanderers!**

The 19-year-old midfielder has been snapped up by the League One high-flyers after impressing on a recent trial.

And with Big Ben's New Year chime also signaling the opening of the transfer window for League clubs, you can bet he's not the only one who will be on the move this month.

Gateshead have seen talented midfielder Callum Whelan lured away by Carlisle United – while striker Owen Oseni has been snapped up by SPL outfit St Mirren – and fellow north-east outfit, Spennymoor Town, have seen Isaac Fletcher make the switch to Barrow.

Non-League isn't exactly an untapped resource for talented players but any clubs not operating a strong scouting network throughout the pyramid are certain to be missing out on some gems.

Peterborough United have long been held as the poster club for the model of giving Non-League's finest a chance, but Wycombe are enjoying success of their own.

Top scorer Richard Kone was unearthed at Athletic Newham, Jasper Pattenden one of many success stories from Worthing.

Cole will join the club's development squad initially but his Newmarket Town manager Michael Shinn believes, in time, he can make the grade.

He's certainly a determined and resourceful player. As a youngster, Cole used to jump the fence – and remove panels – to slip inside the Jockeys's ground along with fellow youth product Jacob Mingay.

"It's a funny story – as a kid him and Mingay used to break into the football club," Shinn told The NLP.

"I used to find it quite funny because I'd get a phonecall on a Sunday night, 'Coley's broken into the club, can you speak to him?'"

"I'd have to say, 'If you want to go in just ask me and I'll give you the code!"

Stop breaking into the football club’.

“But they’d be in there practicing free-kicks. Last season and this

season he’s scored so many free-kicks I always made the joke it was worth breaking into the football club and me getting grief because it’s turning out alright.”

Cole was an important part in the Suffolk club’s promotion through the Thurlow Nunn Premier play-offs last season and a key figure in the side playing at Step 4 football for the first time.

Blessed with a gorgeous left foot, Shinn says his ability made it easy to deploy him in a number of roles from left back, wing-back, the No.10, a front two and his natural central midfield position.

“When I first came to the club seven-ish years ago, I had a bit more time on my hands and I used to watch all the EJA (Eastern Junior Alliance) games – U13s, 14s, 15s, 16s – and he was somebody who stood out,” Shinn said.

“The further he went on – U15s, U16s – you just knew that when got to 16 you were going to put him in because he can do everything really.

“At 16 he was obviously going to make mistakes but we let him make mistakes and grow. He’s got better and better.

“For large periods of last season he carried us in games. It was no surprise teams eventually would show an interest.

“I am really pleased he’s got his opportunity to go to Wycombe and hopefully he can break in there at some point. It won’t happen straightaway, I’m sure, but being around it and improving every day, I’ve got no doubt he can play in the Football League.

“He can defend, he can score goals, he can get out of tight situations, one-v-one he is really good, he’s getting stronger and stronger.”

# CLUB HISTORY

**Buckingham Football Club** is a football club based in Buckingham, Buckinghamshire, England. Formed by a merger of Buckingham Athletic and Buckingham United in 2023, they are currently members of the Spartan South Midlands League Division One and play at Stratford Fields.

The club was first formed in 1933 as **Buckingham Juniors**, but it was three years before a ground was found, allowing the club to enter the Brackley and District League. When they got their ground, it was originally called Timm's Meadow, before later becoming Stratford Fields. In 1939 the club adopted **Buckingham Athletic FC** as its name. It then took the club 27 years to win its first trophy when in 1960–61 they won their first trophy, the North Bucks League Shield.

In 1965 they applied and was accepted to the Hellenic League where they played in Division 1 finishing a creditable mid-table position in their first season but also won the Berks & Bucks FA Junior Cup. Their success continued and in 68/69 was promoted to the Premier Division after finishing Division runners-up.

The late 60's brought about some good success for the whole club with the Youth, Reserve and First teams all picking up trophies with the First winning the Buckinghamshire Senior Cup for the first time.

After a steady decline in fortunes in 78/79 the club returned to the North Bucks League and it wasn't until the mid-80's that further success was achieved.

This was the start of a successful period for the club and after winning the North Bucks Premier League title they moved to the South Midlands Division 1 in 1985 winning the league at their first attempt, losing only 3 games throughout the season.

However, success came too quickly, and the ground facilities were not ready for promotion to the Premier Division so they had to remain in Division 1.

The following season they were once again knocking on the door of the Premier League as they finished runners-up but a last minute hold up on planning permission once again stalled promotion. However, promotion was achieved the following year when they did the league and cup double and with correct ground grading in place the club was promoted to the Premier League for the first time.

Throughout the 90's all the teams in the club consistently won trophies

## Club History continued

although the highest the first team achieved in the Premier League was in 97 when they finished 5th.

The late 90's the club struggled financially, and they made a very difficult decision to drop out of the top flight and they were placed back in Division 2. A level of stability was brought about the club and in 2003 they were promoted back to Division 1.

Once again ground grading held the club back as in 2004 they finished runners-up in Division 1 and promotion back to the Premier league was denied.

Since 05/06 a huge amount of work has taken place to upgrade the clubhouse and football facilities but unfortunately success on the field has been sparse.

In 2023 Buckingham Athletic started talks with Buckingham United to bring the two clubs together with the sole purpose of having one senior football team in the town.

**Buckingham United FC** were formed in 2011 with the sole aim of providing local grassroots football. This began as a single Sunday side playing in Deanshanger due to a lack of local facilities. After the first season the club moved to Tingewick but it was not until 2016 when the club finally moved into Buckingham to the new Lace Hill Sports and Community Centre. The club joined the North Bucks and District League before joining the South Midlands League Division Two in 2019. Here the club grew quickly providing grassroots football across various levels and abilities which peaked with eight teams by 2021, this included Saturday First and Reserves, Sunday League A & B sides, Veterans, Ladies along with an Under 21s and Under 18s.

The club reached many cup finals across the teams including winning the North Bucks and District League Division One shield in 2018. In the final season under Buckingham United the ladies side really gave the club a wonderful finally winning the Northants Premier Division Title and League Cup double.

As a result of many meetings between the clubs, both Buckingham Athletic & Buckingham United formally agreed to pass the motion to combine both clubs, creating Buckingham Football Club, which now has one of the largest offerings of adult football in the region with a structured youth pathway with our strategic partners Moretonville Junior FC.

This is not an end to Buckingham Athletic or Buckingham United, this is very much a continuation in the story of these clubs and football within the town. The history of which won't be forgotten.

The ultimate aim of combining the clubs is to provide the town with a sustainable non-league football club by sharing resources, passionate volunteers, and great sporting facilities. A club with the aim of pushing up the pyramid while also providing structured football for the community, maintaining the fun and enjoyment of the game that everyone loves.

## FROM THE GAFFER

Good afternoon everyone and welcome back to Stratford Fields. Only two home games in the calendar month of February for the first team squad, as always we highlight our home fixtures with huge importance and opportunities to take all three points.

We come into this on the back of a superb away win at Letchworth Garden City on Tuesday. That's five games unbeaten in a row away from home, with four wins in there too.

We had to mix the pack, with no fewer than six regulars missing through injury and work commitments. Up stepped a number of our U23 squad to support the group, and in addition Ed Odley made an appearance along with new signing Ash Rai from Aylesbury Utd.

This afternoon we hope to welcome back a few players from injury, including Lochlan, Samir & Dalitso but we may need to conduct some fitness assessments before the team sheet can be finalised. Brandon Green is back with us for now from Aylesbury Utd also and that gives us added steel and depth in the team too.

We are yet to play Rushden & Higham this season, and we meet again mid March. Anyone can beat anyone in this league, so we have to get the basics right and work hard above all else do give ourselves the best chance of continuing our fine run of league form.

Once again to all the committee and supporters for on going support in recent weeks and games, particularly away from home. We hope to repay you today with a good display and all three points here at Stratford Fields. See you in the bar after the game!

## Supporting Our Social Events

Are you aware we are still holding regular social events at the club and although all have been well attended there have been tickets to spare.

Dry January is now over so come out of hibernation and enjoy a night of great music at Buckingham FC. Next up is the I'm Every Whitney tribute act which takes place on Saturday February 22.

Tickets are still available but they are selling **fast** so if you fancy a great night out with all those Whitney classics then get your tickets NOW!

Last year we had tribute acts for Adele, Fleetwood Mac, and Tom Jones, Elvis and the brilliant Soul Man who appeared at the club in December.

All of these events were well received by those attending and in 2025 we have already booked Gary Barlow and more slots will be booked as the year goes on.

Along with that we have a very popular Disco Bingo event which we try to hold every couple of months and although it is a free event entry you will need a ticket due to its popularity. Next Disco Bingo is on Saturday March 8.

If you are interested in any of our social evenings then you can buy tickets online at our [ticket store](#).

We also host the brilliant and entertaining "Buckingham Live Sessions" formerly the Buckingham Acoustic Club. It's a great environment for all kinds of talent to take the stage and a great opportunity for you to come along and enjoy the entertainment on offer.

An insurance broker with an understanding of your business and industry can help you cut costs for the long-term. At Coughlan General Insurance Bureau, we'll work closely with you and help to decide which policies are most appropriate for your business. What's more, we'll use our membership of Broker Network to offer you cover at a competitive rate. Broker Network is the UK's longest established commercial insurance broking association and has successfully negotiated with some of the UK's major insurers.
