wave

NEW MODULES

The world's first fully flexible display & exhibition system

PORTABLE, SELF-BUILD AND MODULAR

Intelligent Exhibiting™

Stunning looks, infinite flexibility and extremely user-friendly – ISOframe Wave is the first portable display system combining the best of all worlds. Flex the entire graphic wall into the shape you need at each venue, extend and reduce as required. Choose from a vast range of functional modules such as tables, show-cases, shelving units, doors, storage rooms etc. to make your exhibition stand complete. ISOframe Wave is ideal for small and medium sized stands and perfect for the self-build exhibitor.

Worldwide patents

Complete Trade Show Stands

3x6 metre stand

A 9-section exhibition wall with two table modules and two media screens. In the front a 3-section ISObar curved reception counter.

4x6 metre stand

Key features

4x8 metre stand

A 12-section exhibition wall with lockable door and storage area, one showcase and one table module. The stand is completed with a rectangular counter and a 3-section ISObar reception counter in the front.

Flexi-Wave Link

The patented Flexi-Wave Link can flex 180 degrees each way in the horizontal position, yet the structure remains unbelievably strong and stable.

FASTclamp

Easy tool-free assembly with the unique, patented FASTclamp connector. No more allen keys or nuts and bolts as used on other systems.

More ISOframe Display Products to choose from

Mark Bric Display **ISOframe** ripple

A link between a banner stand and a pop-up!

Ripple is our new "game-changing" ultra-light-weight flexible display system and part of the ISOframe product family. The graphic panels can either be attached to a banner stand or used as a flexible link graphic, creating a clean seamless and contemporary exhibit backwall.

Mark Bric Display **ISOframe** fabric

Self-build Fabric System

Ideal for complete exhibition stands or freestanding displays, our new fabric frame system is extremely portable and with our unique FAST-clamp connector, gives a tool-free assembly. ISOframe Fabric is the fastest all-metal textile frame available.

Mark Bric Display **ISOframe** isobar

Large Modular Reception Counters

The Mark Bric ISOframe programme includes a modular system of large reception counters, which can be individually designed to fit any reception area or trade show stand. Straight or curved and with plenty of inner shelving.
