Pédibus and school transport

In brief...

- Most pupils in Lausanne live less than 1 km from their school. Walking is encouraged for health, sociability and the environment.

For younger and older pupils

Pédibus

Lausanne is the first city to have set up a Pédibus: a "walking bus" that is guided by parents and offers a safe, sociable way to get to school. Fancy coming on board?

PÉDIBUS
Lausanne

School transport

Depending on the distance between their home and school, pupils in classes 5P and above are entitled to a discounted Mobilis season ticket for the Lausanne public transport network (tl).
