WHAT'S HAPPENING?

🌈 20 JUNE 2025 🌈

We're sure you will agree that yesterday's **SPQ Presentation Event** was a highlight of this year at SuMS so far. Our Year 12s had worked extremely hard on their projects, and then on preparing their presentations to put together an engaging, thought-provoking and impressive afternoon. We were delighted with how many of our parents and carers were able to join us, as well as our governors, trustees, mentors and supporters from industry and the University of Surrey. We even welcomed the Mayor of Guildford!

Most importantly, we are immensely proud of our students. Their accomplishments within the SPQ have been likened to students working at degree level and their professionalism and dedication to high standards shone through.

Very soon we will share lots more photos and the projects themselves on our website, but in the meantime **WELL DONE** to all of our amazing young people!

This week some of our staff visited Mary Road to tour our **permanent site**. They were delighted to see the progress of the works and excited about the new opportunities that the building will give our students. We will of course keep you updated as the time grows closer for us to move in.

COMING SOON

We are very excited to take Year 12 to our **Helen Sharman** lecture, on **Monday 23 June** at **St Saviours church**. Our students will be taken by coach to St Saviours from 12.45 onwards and will be dismissed from the church at 16.00 to make their own way home. What an amazing opportunity for our community!

On **Thursday 26 June** we are looking forward to welcoming our SuMS offer holders to their **Taster Day** at The University of Surrey. We remember how valuable (and fun) our current cohort found this day and we know that our incoming Y12 students will enjoy it as much as we will enjoy getting to know them a bit more.
