Welcome to **CANADA!**

Canada is the second largest country in the world by area and has a population of 35 million. It is a land of newcomers, with many different ethnic groups contributing to its cultural mosaic. It is welcoming, friendly, and safe, and is consistently ranked by the United Nations as one of the world's top five countries in which to live.

THUNDER BAY

On the shores Lake Superior and nestled within the boreal forest and Canadian Shield, Thunder Bay is where upscale city life meets epic outdoor adventures.

Regarded as the Gateway to Northwestern Ontario, here you can explore the nearly 150,000 lakes and rivers, climb to one of the highest points in the province, and sail on the world's largest freshwater lake.

People come from all over the world to indulge in Thunder Bay's beautiful landscapes, cultural culinary delights, and superior educational and professional opportunities.

New - Academy - Hockey Grades 9 - 10

Hammariskjold High School is located centrally in Thunder Bay, students can easily explore nearby downtown for the vibrant local food scene, coffee shops and new shopping districts. A quick drive away students can hike, swim, cross country ski, or just relax at the beautiful Cascades Conservation Area.

Academics: Hammariskjold has a variety of course offerings and full immersion experiences in both English or French. Whether your destination is College, University, apprenticeships, or work, you will earn real-life hands-on experience with us. Our breadth of programming allows us to offer programs that meet those interests of all students. Our students are consistently recognized for their academic success, locally, provincially, and nationally.

Leadership: Students engage in many leadership development activities through out the year including programming at Kingfisher Lake Outdoor Education Centre. Deep in the Boreal forest students learn survival skills and about the ecosystem in the area.

Westgate CVI is located in the South side of Thunder Bay, with stunning views of Mount McKay; hike to the top for views of the entire city! Nearby, students can also enjoy walks along the Kaministiquia River or try their hand at some shore fishing.

Academics

We offer innovative programs to suit a wide variety of students drawn from both city and rural areas. Students can enrich their studies with Advanced Placement courses. Our exemplary athletics, arts, and student council activities all add to the strength of our programming. Our facilities include a dance/drama studio, a full stage, 4 multimedia computer labs, auto, construction, manufacturing and welding shops, a design technology centre, and extensive athletic facilities.

Creativity

Our artists continue to explore their creative aspirations in all artistic areas. We welcome the community each year to witness dynamic dramatics performances, musical concerts, and other events.

New - Academy - Volleyball Grades 9 - 10

Superior CVI is located in the North side of Thunder Bay, minutes from Boulevard Lake; 650 acres of parkland, recreational trails, and beaches. If that's not enough, nearby you can find Hillcrest Park with magnificent views of one of Canada's wonders of the world, the Sleeping Giant on Lake Superior.

Excellence Superior challenges their students to exceed expectations and hold themselves to a high standard of excellence. We produce Science Olympics teams, Manufacturing Technology partnerships and award winning students, Science Fair and Aboriginal Mentorship Science Fair award winning projects, artists and entrepreneurs for every education and career pathway.

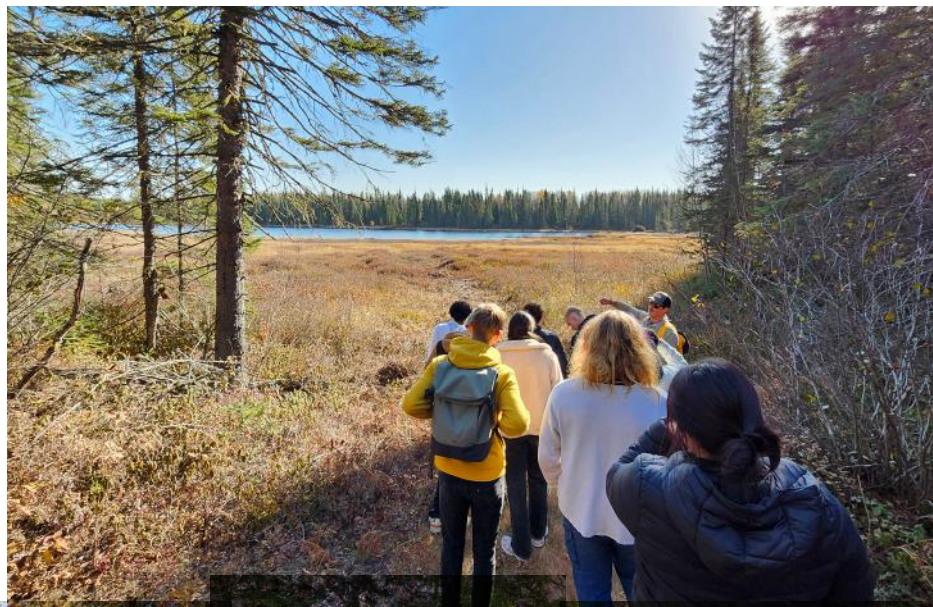

Innovation Superior is home to a state-of-the-art communication technology and broadcast studio which is comparable to some college and university facilities. Students broaden their experiences in the SCVI Makerspace Lab where 3D modelling comes alive!

KINGFISHER LAKE OUTDOOR EDUCATION CENTRE

Located 25 minutes North East of Thunder Bay, Kingfisher Lake is an experiential and outdoor learning centre in the heart of the Boreal Forest. The programming at Kingfisher Lake is designed to integrate and complement the Ontario Curriculum. Kingfisher Lake is approximately two kilometers long by 500m wide, with a number of islands and bays. The gently sloping shoreline provides an excellent place for our students to participate in pond studies and canoeing activities.

Activities offered by the centre include:

- GPS and Orienteering
- Ecology
- Biology
- Aquatic Ecology
- Canoeing
- Cross-Country Skiing
- Snow-shoeing
- Hiking
- Overnight Camping Trips

HOMESTAY PROMISE

A homestay placement is an essential component of your experience in Canada, and we are committed to ensuring you feel supported throughout your stay. Our homestay providers will match you with a welcoming and reliable host family who will guide you, help you adjust, and contribute to your personal growth while living in Thunder Bay.

What's Included:

- Private bedroom with a comfortable bed
- Bathroom facilities
- Three full meals per day plus snacks
- Internet Access
- Custodianship
- Airport Pickup
- Planned activities

Medical Insurance

International students are not covered by the Ontario government Health Plan (OHIP). LPSI has partnered with StudyInsured to provide all students with medical insurance. The medical insurance plan offers a wide and robust range of benefits and services, to cover international students for their entire period of study.

Things to do in **THUNDER BAY**

Minutes from wilderness and recreation, those who live here or visit enjoy skiing, boarding, hockey and ice fishing in the winter; sailing, hiking and climbing in the summer; and hunting in the fall. Most importantly, have time here to soak it all in and enjoy their surroundings. People come here from all over the world. They arrive for the adventure and opportunity, they stay because of the lifestyle, the friends they've made and the fresh, raw beauty of the natural environment. Thunder Bay has a history of welcoming newcomers and en-folding them into our community. The city is modern, dynamic and forward-thinking that puts an emphasis on being the best it can be through ongoing investments in infrastructure, culture and the economy. With a beautiful waterfront, modern downtown and vibrant restaurants and bars, Thunder Bay has become a destination for people from all walks of life
