Bob is one of a kind gelding. He came off the race track and took to the western riding like it was what he was meant to do. Bob has been rode all over the farm, out on the desert/sand dunes. Moved cows, swam in the American Falls Reservoir and the Snake River, he loves the water. You can ride him bareback with only a halter for a nice evening stroll or swim, hasn't bolted or gotten excited. Has had a rope swung on him and tracked the dummy lightly. Bob does have speed when you ask him otherwise he wants to just take his time and relax and please the rider. He loves attention, if he could fit on your lap he would love it with respect though. He is not pushy or mean, just wants lots of loves. No bite, kick or buck. Someone will be so lucky to own this amazing 3 year old gelding we call Bob. VIDEO: Contact Seller. FMI: 208-201-3545. Crypto is an in your pocket type of gelding. He's easy to catch, loads well, easy to shoe. He had 90 days professional training with Travis Vinn. Travis has roped the sled on him and did a lot of ranch work with him. He's been rode intermittently since he came back from Travis. Right now I have too many young horses and Crypto needs someone that's has time and can give him a job. He can still be a little watchy but that should resolve with more miles. NOTES: Snorty is a 14.3 hand gelding that's been my personal and go to horse. Before we get any further, his name is an inside joke, he begs you don't hold it against him. Are you wanting something that can outwalk anything but stays level headed, something you can use all through the week on the ranch than let the kids haul to the Jr rodeos? Look no further! Snorty has been started on the flag, tracks the hot heels, loping a very correct barrel pattern and has been hauled all over for expos. I use him in grand entries and to get horses in the arena. Snorty has been my personal gelding that I truly do everything on, I check our cows daily and he's really taken a liking to the barrels. Snorty does NOT ride like a barrel horse, he's always low headed, with a big fluid walk, and an easy to sit jog and lope. He moves off your leg, collects up, soft as butter in his sides and face, turns around correctly and always wants to please. He's been in knowledgeable hands his entire life, and his willingness and training can back that up. He's 100% sound and blemish free. VIDEO: Contact Seller. FMI: 606-748-0066. Coggins

Boomerang
2021 Grade Bay Roan Draft Cross Gelding
Quarter Circle 4R Ranch Horses Cody, WY

Boomerang is a nice, solid made draft cross. He is 15.1 hands and wears a size 2 shoe. He is friendly and easy to catch. We purchased him from the people who broke and trained him. They had had him for a long time and he was gentle from the time they started him. He has done all the ranch chores. Their kids rode him all over, for play days and trail rides. He know his leads, has a smooth lope and stops correctly on the hind end. He stands excellent for the farrier and vet. We welcome you to come to the ranch and meet Boomerang. We also welcome PPEs at your expense. VIDEO: <https://www.youtube.com/watch?v=m7MrDOczih4> FMI: 307-250-0900. Coggins.

15.1 hands tall and wears a size 1 shoe. I purchased Campbell from Jon Geil as long yearling in December of 2018. He had already had an excellent start being gentle, halter broke and sacked out. In 2019 I night calved on him at the LU Ranch in Meeteetse, WY. He became very used to standing patiently and being rode after dark checking calves and got a good, solid 90 days of light riding. In March of 2019, I moved to South Dakota and he was turned out to grow and ridden occasionally. He has always remained gentle and broke with time off. July 1, 2020 Campbell was in his first 4th of July parade in Cody as a 3 year old. He took everything like a solid, seasoned horse. I moved back to Wyoming and took a job in town but Campbell was still used for trail riding, hunting packing as well as ranch rodeos, branding and parades. He has always been there for me, no nonsense, does great with time off, just grab him and go do anything I need. 2024 Campbell was my go-to horse at the 2 Dot where we branded 1800 head, rode health and moved cattle all summer. From taking care of my young son, to doing ranch work, to a solid seasoned mountain horse to riding in town, Campbell is as solid, safe and broke as you would want. Out on the trail, Campbell navigates rough country great and is very sure footed. He is smooth riding in all gaits. He isn't herd sour, no vices or bad habits. He has always had a good mind and is easy to work with. He neck reins, moves off your legs, knows his leads and has a good stop. He is dog broke, use to all kinds of livestock and wildlife. Clean legs, no scars or blemishes. Never been lame or sick. 100% sound. Campbell is double registered both ApHC and Colorado Ranger Horse Association. He is up to date on worming, vaccinations, dental, and farrier. He sells with a basic PPE and comes with his vaccinations and dental records. You are welcome to do your own PPE at your expense. Registered with the Palomino Horse Breeders of America. Once in a lifetime, drop-dead gorgeous, sweet five-year-old deep golden registered palomino, 15-hand mare with a pure white tail and mane. There are no other colors in the mane or tail. She was in Texas last summer with Craig Cameron training. I cannot keep her, as I am eighty-three years old. I still ride her, but time is catching up with me. I purchased her from a large quarter horse ranch in Canada when she was three months old. She would be a good all-around family horse. She can do it all, is kind, trailers, stands quietly for the farrier, saddles, and can bathe and clip without any problems. She gets along with other horses and likes trail riding with them or alone. I am sure she is the most beautiful horse you have ever seen. VIDEO: https://www.youtube.com/watch?v=nvdOw_fSIbA FMI: Mike 480-861-4658. Coggins.

This is a well broke mule that has never bucked one jump, does not shy and is a very safe mount wherever you go. Have been dragging a log and roping the dummy. She's been to the Bighorns and has no problem with any of it. Very nice walk and has a trot that will wear out any quarter horse. Stands perfectly still when mounting, rides smooth as glass. Reins well, stops on command and backs up. Likes women best. VIDEO: Contact Seller. FMI: 307-680-1561. Coggins.

Ringo is a gray four year old draft cross. I personally have used him to rope horses, work both sales yards in Billings MT and to gather country on. He is a solid mount. Ringo does have numerous bite marks along his body. No other known blemishes at this time. He has a little experience in a feedlot and doesn't seem to mind new things. He saddles plumb good, stands still for you to get on and has a ground covering walk and trot. One of the smoothest horses I've had the pleasure to ride. He will continue to be used on a ranch up until sale day. By the time he sells I will have drug plenty of calves to the fire with him and used him to gather many miles of country. Oliver

2017 Grade Palomino Paint Gelding

16hh. Oliver was raised by a women in her late 70's who trained him herself. Oliver is very broke, but is slow and correct. Oliver has a walk to him, with a very nice fluid jog, and a rocking horse lope. Oliver will pivot, side pass, neck rein, he rides bridleless in or outside of the arena. Oliver has been used in the sortings and really shows interest in a live cow. A youth has roped the dummy on him for fun and he's been hauled to lots of judged trail ride and obstacle classes. Oliver will run to you in the field, stalls well and is as docile and friendly as you will ever meet in a horse. I guarantee him to find you in the field before you ever spot him, he truly believes he's a dog. Oliver has been used in lots of lessons and adapts to his rider. Although he has many fancy buttons, his goal is to please and thrives with any rider or task that's given to him. Oliver has been in knowledgeable hands since a foal and you can tell. He's a pleasure to own, the kind of horse you WANT to go out and ride. The ONLY reason Oliver is being offered for sale is because sadly he kept growing and his prior owner couldn't get on and off him when trail riding without a mounting block. He has a huge personality and is always doing something silly to get your attention. If you'd let him inside he would come sit on your couch without a care in the world! VIDEO: Contact Seller. 15.2 hds, 1,250 lbs. Finished Head Horse | Kid Safe and Beginner Safe. Winston is the kind of horse everyone looks for! At 14 years old, he's a finished head horse that's perfect for kids, beginners, and the whole family. This gentle gelding is calm, dependable, and has seen it all. He's ideal for lessons or confidence-builder. He tracks the roping sled, ropes slow cattle and will stay on the hip. Great on the trail and comfortable in the arena. Solid around cattle and a willing partner for light ranch work. The kind you can trust every time you saddle up. Whether you're looking for a reliable lesson horse, a trail buddy, or a rope horse the whole family can enjoy, Winston checks every box. Winston does have a cosmetic scar on his left side from an old fence cut-purely superficial and has no impact on his soundness. To maintain his soundness, Winston benefits from light maintenance including front wedge shoes and occasional injection in his front left hock. He's well worth the care and stays comfortable and consistent when managed properly. If you're looking for a trustworthy, experienced gelding with big heart and plenty of miles left, Winston is ready to go to work. VIDEO: https://youtu.be/kkWXOd_5Yjs FMI: 480-703-8516. Coggins.

He goes literally wherever you point him; over bridges, logs, water. He's not stubborn or buddy sour. I would call him very simple and respectful. Catch him where you find him. We have enjoyed pocket and consider him a very beginner pony but also has enough ride to him for the little cowboys that want to ride out with daddy! Suitable for the wee little kids! Proven broodmare - Cow Cuttin Craze in foal for 2026! We are offering Cow Cuttin Craze, (aka "Remi") as part of our breeding stock dispersal. She is confirmed in foal for an early April 2026 baby by our AQHA Palomino stallion Mister Showtime (AQHA #5990014). This mare has consistently produced quality—raising five outstanding fillies for us in a variety of colors: bay, palomino, and sorrel. They have all had baby doll heads and big ol' booties! She's an easy breeder, always live covered, and has settled on the first try every time. She's a heavy milker and an excellent mother. DNA tested & 5-panel N/N. Broodmare sound only. Quiet and easy to handle. Only available as we are retiring from the breeding business. This is a great opportunity to add a reliable, proven producer to your program. She has a breeders certificate and transfer for her 2026 foal. Her 2024 bay filly will also be available at this sale. VIDEO: Contact Seller. FMI: 406-431-2637. Coggins.

This gentle giant (17:2hh) is dual purpose. Registered with the Belgian Draft Horse Corporation of America. While he is an intact stud, he is very easy to handle. He is well broke to drive and knows that his harness means business. He has been used on many farm implements and has spent a lot of time in the fields haying. He is quiet to harness and will drive with mares or gelding with no fuss at all. Business is business with him. We have used him as a breeding stallion and are very happy with his foals. A great young stud with many avenues to venture down. VIDEO: Contact Seller. FMI: 406-426-4265. Coggins.
