PAESTUM & HERITAGE TRAINS

Discovering the Paestum Temples on board the historic train of the 1930s and 1950s.

An unusual and interesting itinerary that embraces the history of Italy with some incredible time jumps. Our journey through time begins at Salerno's Central Station, opened in 1866 and forming part of the first Italian railway line that led from Naples first to Portici and then on to Salerno.

We board the carriages of the historic train in the direction of Paestum, taking a leap back thousands of years to 600 BC to discover ancient Poseidonia.

This tour operates only on specific dates
