Sunday Chapel Services

2026 - 2027

Welcome to our Services here in the Chapel at Brentwood

There is an emerging worshipping community that meets regularly on a Sunday for a service in the Chapel, which usually starts at 10am. These services are open to the wider Brentwood School community and are suitable for all ages.

Our services are generally informal in style and feature a blend of music, scripture, poetry, and art to help us listen to God's call on our lives and create a safe space to support one another on our journey of faith. At our services, we welcome people, wherever they are on their journey of faith, and during our services, we are pleased to be able to celebrate with those who come forward for baptism. Please contact the Chaplain if you would like to explore baptism or confirmation in more detail.

This year we are pleased to welcome you to a new Service throughout the year, called CRUNCH. CRUNCH is shaped around a more informal 'cafe-style' model of church where we gather for brunch and explore, together, aspects of the Christian faith through word, image and activities.

At Crunch we encourage conversation as we seek to encourage one another on our journey in the footsteps of Jesus. The theme this year for CRUNCH will be "the Journey of Faith" which will be explored over 6 Sunday services throughout the year. CRUNCH will meet in the Lower Bean area of school which is close to Chapel and close to our parking in Library Square.

I do hope you will be able to join us for our services here in Chapel. All are welcome.

Revd Adrian McConnaughie
