

Brentwood School

**Sunday Chapel Services  
2025 - 2026**

There is an emerging, worshipping community that meets once a month on a Sunday for a service in Chapel, which usually starts at 10am. These services are open to the wider Brentwood School community and are suitable for all ages.

Our services are generally informal in style and feature a blend of music, scripture, poetry, and art to help us listen to God's call on our lives and create a safe space to support one another on our journey of faith. At our services, we welcome people, wherever they are on their journey of faith, and during our services, we are pleased to be able to celebrate with those who come forward for baptism. Please contact the Chaplain if you would like to explore baptism or confirmation in more detail.

**All our services start at 10am in Chapel unless otherwise stated.**

Parking will be available in Library Square within School which can be accessed via the entrance to the School on Middleton Hall Lane. Chapel is a short walk from Library Square.
