## ABOUT POLLY LUNETTO MINISTRIES

**Polly Lunetto Ministries** (PLM), is a Christ-centered 501(c)(3) nonprofit committed to walking alongside those grieving after abortion and reproductive loss.

Our mission is to offer creative support, encouragement, and hope to individuals, churches, and ministries, with a focus on restoration for the whole self—spirit, soul, and body—through the finished work of Jesus.

PLM exists to remind those carrying the weight of past-abortion or reproductive loss that they are not alone. Through projects such as The Tribute Project and the Tribute & Aftermath Memorial Art Exhibit, we provide meaningful ways to honor children lost through abortion while creating opportunities for awareness, advocacy, and Christ-centered restoration.

Our heart is to serve by offering resources, materials, and products that bring encouragement, create connection, and point to the hope and freedom found through Jesus.

## Ready, set, give!

# MEET OUR SPEAKERS

**Friday // 7:00pm Session 5**

*"The Covenant with Death will be  
Cancelled: How God is Ending  
Legal Abortion in America"*

## Allan Parker

President of **The Justice Foundation**, Allan was lead counsel for Norma McCorvey, formerly "Roe" of Roe v. Wade, from 2000 to 2012, and Sandra Cano, the "Doe" of Doe v. Bolton, until 2014 in their efforts to overturn the two landmark cases that brought legalized abortion on demand to America.

Allan Parker is a former Professor of Law at St. Mary's University in San Antonio, TX, where he taught Education Law and Civil Procedure. He was a Visiting Professor at the University of Texas and studied International Human Rights at the International Human Rights Institute in Strasbourg, France. He taught International Human Rights at the St. Mary's Institute on World Legal Problems in Innsbruck, Austria in 1992.

Mr. Parker received his J.D. degree with high honors from the University of Texas School of Law in 1979. He was an Associate Editor of the Texas Law Review, a Chancellor, Order of the Coif, and Order of Barristers for his outstanding advocacy skills. He graduated Phi Beta Kappa from the University of Oklahoma with a B.A. in Economics in 1974.

The Justice Foundation represents the women and men of **Operation Outcry**, a ministry of The Justice Foundation that seeks to end the pain of abortion in America and around the world by mobilizing women and men hurt by abortion to become witnesses who share their true stories of the devastating effects of abortion through courts and legislatures.

The Justice Foundation's **Center Against Forced Abortion** (CAFA) provides free legal resources and training for lawyers, police, school counselors, and pregnancy resource centers and direct legal help to mothers who are being unduly pressured, forced or coerced into an unwanted abortion. We estimate the Center's training, assistance and legal tools save between 1000-2000 mothers and babies annually from forced abortion.

# FRIDAY & SATURDAY BREAKOUTS

Jack Harper &  
David Williams

Location: S3 Classroom

## **“Changing the World One Man at a Time”**

For way too long, men have been left out, excluded, and even uninvited to conversations about life, pregnancy, and abortion recovery. We are not a part of a barbaric society; men grieve the loss of their children. As they seek healing, share the stories of what God has done for them, they are helping others walk the same process.

***Join this breakout as we talk about removing the barriers and opening the doors to the worldwide movement of abortion recovery.***

## **Abortion Recovery with an International Flair**

One of my favorite sayings from Thailand is, “Same, same, but different.” That phrase sums up what we’ve learned about carrying the Kingdom onto other continents and into other cultures.

***We hope you’ll join us for group discussion and sharing of ideas.***
