PREFACE BY VILLY KLEPPE

Welcome to Pray, an album that invites you to step back in time to the golden era of pure, heartfelt pop music. With its timeless sound and elegant simplicity, Pray offers a collection of songs that echo the charm of the 1960s while resonating with emotions that are truly universal.

Thank you to everyone who supports my music and shares in this journey.

The woman on the right is also wearing sunglasses and making a peace sign with her right hand. The image has a dark, semi-transparent overlay, and white text is superimposed on it.

Everyday I pray
For a better life
For you and me
All in the world

When I have to go
To the other side
Will I see cloud nine
See John Lennon smile
Ah everyday I pray

I believe in love
I believe in peace
I believe in me
I believe in you
Ah everyday I pray

I believe in love
I believe in peace
I believe in me
I believe in you
Ah everyday I pray

I will take a walk
To the Brinhmans way
Will I see the light
Shine so bright tonight

1.PRAYER

2. HELLO

Chorus
Hello hello hello hello
I really love you love you

I can see some beautiful flowers
When I'm walking in the park
Feel so good when you are smiling
I will only say to you

Chorus
I can see some beautiful birds
Flying there in the sky
Feel so good when you are smiling
I will only say to you

Chorus
Feel so good when you are smiling
I will only say to you

Chorus

3. HAPPY

I can see the sun
I can feel the heat
It's a lovely day

I can see some people
Dancing on the beach
In the sun

Dancing on the beach
Dancing with my feet
Yeah I'm feeling good

Chorus
Happy happy oh you
make me happy
Everyday
Happy happy oh you
make me happy
Everynight

Chorus

I can see a rainbow
I can see a blue sky
It's a lovely day

I can see the sun
I can feel the heat
It's a lovely day

Dancing on the beach
Dancing with my feet
Yeah I'm feeling good

Chorus

4.TAKE YOU OUT TONIGHT

Everyday think of you
All the things we used to
do
Feel so good when you
are here
Feel so good when you
are near

Every night Look at the
stars
Try to find the black star
I can see it when I close
my eyes
Will I see it when I open
my eyes

Chorus
I will take you out tonight
Wanna be with you
I will take you out tonight
Wanna dance with you

Every time think of you
All the things we used
to do
Feel so good when you
are here
Feel so good when you
are near

Chorus

Feel so good when you
are here
Feel so good when you
are near

Chorus

5. FEEL THE WIND

When I close my eyes
I can see a blue sky
When I close my eyes
I can see birds fly

Chorus

I feel the wind
Blowing in the air tonight
There's so much I will say to you

Thinking of my life
Wanna be on cloud nine
Will I feel pain
Will I see a bluebird

Chorus

A vibrant, multi-colored bus is the central focus, its body adorned with a dense pattern of hand-painted flowers in various colors like red, yellow, blue, and green. Religious messages are painted on the bus, including "KNOW JESUS KNOW LOVE" and "I CAN SEE A CLEAR BLUE SKY". The bus is parked on a paved area next to a beach, with the ocean and a clear blue sky in the background. The overall scene is bright and cheerful, reflecting the theme of the song lyrics.

What a beautiful morning
What a beautiful day today

I can see a clear blue sky
When I'm walking in the sun
There so much I must do
But I only think of you

Chorus

What a beautiful morning
What a beautiful day today
I hear birds sing for every step I take

When I'm feeling down and out
Wanna be with you
Hope you will talk to me
Say you love me too

Chorus
