# Booster Club

A pride is a group of large cats who organize for a social hunt. Pride is also the confidence and respect our community senses as we see our Panther athletic programs succeed.

The Siloam Springs football organization is gaining momentum. Under the leadership of Coach Brandon Craig, Panther football is all about developing boys into confident, respectful young men. We need community support for this program as we build on the excitement of last season and the family and culture Coach Craig is bringing to Panther football.

Sponsorship funds support the coaching staffs commitment to the development of young men in the Panther football program from grades 7th through 12th. Let's have some fun this fall as our Panthers hunt Bulldogs, Goblins, Dogs and Wolves.
