SANIPEXGROUP

OUR **STORY**

BYSTRO, Sanipex's homegrown brand, is more than just a line of kitchen appliances; it is a passion project dedicated to enhancing your culinary experience. With meticulous attention to detail, BYSTRO delivers quality, reliability, and premium style in every product. What truly sets BYSTRO apart is our complete brand control, ensuring excellence at every stage. From design and technical development to approved installers and after-sales support, we oversee every aspect to guarantee a seamless and satisfying experience for our customers.

Our commitment to innovation is evident in our dedicated innovation centre, where we continuously explore and develop cutting-edge technologies. This allows us to integrate the latest digital advancements in cooking and refrigeration into our appliances, ensuring optimal performance and user-friendly experiences. Quality control is at the heart of everything we do. Rigorous testing and inspections are conducted at every step of the production process, guaranteeing the durability and performance of each BYSTRO product.

WASTE SOLUTIONS

SLEEK. SMART. **SORTED.**

BYSTRO's built-in and freestanding kitchen waste management solutions are designed to make everyday living, much simpler. Whether you want your wastebin discreetly stowed away or out nearby, we have smart options and sleek styles that suit any need, all while keeping odours at bay. Cleverly built-in, pull-out bins glide smoothly on runners for easy access while swing-out bins stay neatly concealed behind cupboard doors. For a stylish alternative, our pedal bins are compact, efficient, and look great too.

NEW WASTE SOLUTIONS

Tired of **Kitchen Chaos?**
