THE LARGEST AUTOSHOW IN MALRYSIA

9TH - 15TH MAY 2025 **MAEPS · SERDANG** 

#### 9<sup>TH</sup> - 15<sup>TH</sup> MAY 2025 | MAEPS · SERDANG

Supported by:

Organised by:

Co-organised by:

The Malaysia Autoshow's eighth edition - organised by the Malaysia Automotive, Robotics and IoT Institute (MARii) - returns in 2025 with greater scale and significance. In line with Malaysia's role as the host of the ASEAN Summit 2025, this year's Autoshow is set to be the most expansive and impactful yet, featuring over 50,000 square meters of exhibition space dedicated to the latest advancements in mobility and automotive innovation.

The Autoshow will showcase a comprehensive lineup of vehicles, from cutting-edge Electric Vehicles (EVs) to the latest Internal Combustion Engine (ICE) models, with exclusive launches and regional unveilings taking centre stage. The event will also see the participation of various key ministries of Malaysia, reflecting a whole-of-government approach to promoting the future of mobility, sustainability, and regional collaboration.

As the ASEAN region accelerates towards a new era of connected mobility, the Malaysia Autoshow 2025 stands as a strategic platform for industry leaders, government stakeholders, and enthusiasts to converge and explore the innovations driving the future of transportation.

DIRECTORY

LUCKY DRAW

Get ready as our beloved Malayan Tiger mascot returns, fiercer and more electrifying than ever! WIRA, dressed in his signature sleek racing suit, continues to embody the perfect blend of adorable charm and unstoppable competitive spirit.

This year, WIRA roars louder as Malaysia hosts the ASEAN Summit 2025, making the Autoshow bigger and bolder — and WIRA is leading the charge! With his boundless energy, passion for cars, and fearless attitude, WIRA is ready to take visitors on an unforgettable journey through the latest in automotive innovation, tech, and lifestyle.

Whether you're here for thrilling showcases, interactive experiences, or exclusive car launches, WIRA will be right in the heart of the action — racing into your hearts and revving up the excitement for all ages.

Catch WIRA at Malaysia Autoshow 2025 – and let the adventure begin!

#### Terms & Conditions

- 1. Only full-paying visitors to the Malaysia Autoshow 2025 are eligible to participate.
- 2. Participants must be physically present during the Lucky Draw session to be eligible to win
- 3. Participants are required to download the MASA mobile application to complete the Lucky Draw process.
- 4. By participating, it is deemed that participants have read and agreed to the full Terms & Conditions available o
- 5. Winners will be selected at random.

- Any incomplete entries will be disqualified.
- Prizes are non-transferable, non-exchangeable, and cannot be redeemed for cash.
- By participating, entrants consent to the use of their data for the lucky draw and other marketing-related purposes

- 11. Employees of MAS25, the organising committee, and their immediate family members are not eligible for lucky draw

**How It Works?** 

Purchase & Attend

Buy a ticket and attend MAS25 event.

Explore & **Collect Stamps** 

- Explore the venue and collect stamps at each designated hall.
- Collect your stamp at dedicated booth/location shown below.

STAMP LOCATIONS:

Submit & Complete **Final Steps** 

- Go to the Redemption Counter at Hall DG.
- Complete the survey and vote for Car of the Year (COTY).
- Submit your completed Lucky Draw Passport.

 Your Lucky Draw Passport will be dropped into the draw box at Redemption Counter (Hall DG) for the daily prize draw.

### **()** Important Deadline:

Submit by 4:00 PM daily to be included! Entries after 4 PM roll over to the next day's draw.

# 

# **How It Works?**

# Step 1

#### **Book Your Car**

Reserve a vehicle at the MAS 2025 event to enter the campaign.

# Step **Z**

#### Data Collection

Event organisers will gather booking details daily. If your booking is confirmed, you're in the lucky draw!

# Step **5**

#### Winner Announcement

A random draw will be held on the final day of the event to select the lucky winner.

## **()** Important Deadline:

Make sure to submit your booking by 3:00 PM on 15th May 2025 to stay eligible!

# TEST DRIVE | RIDE

# **How It Works?**

# Step 1

Take a Test Drive or Ride

Try out any vehicle at the MAS 2025 event.

# Step 2

Complete a Quick Survey

Event
organisers will
gather booking
details daily. If
your booking is
confirmed,
you're in the
lucky draw!

# Step 3

Data Collection

Your name and phone number will be recorded in the test drive system.

# Step 4

Winner Announcement

> On the last day of MAS 2025, a random draw will determine the lucky winner.

## **()** Important Deadline:

Make sure to complete your test drive and submit your survey by 3:00 PM on 15th May 2025 to qualify!

2025

# CFR CLUE LUCKY DRFW.

# 1 Car = 1 Entry

Visit the Car Club Lounge at DG to Participate

First Come, First Served While Stocks Last

## **Terms and Conditions**

- Only one entry per registered car.
- Must be present at the Car Club Lounge at DG to claim.
- Prizes are allocated on a first come, first served basis.
- No prize exchange or refund is allowed.
- Organizer reserves the right to adjust prize availability if necessary.

#### **Testimonial**

"

Firstly, passengers said engine was notably quieter and felt smoother. I sked for their opinion as they wondered what I sent the car for...

As for me, I felt the throttle response was quicker.

ROBBIE - MERCEDES E 250 (2012)

"

I only need to refuel once instead of twice from Penang to KL.

Also, the truck feels lighter and able to complete my trip with 1 hour of saving due to improved performance.

AIZAL - ISUZU NMR125 (2017)

SHARJAH ADVANCED INDUSTRY ACCELERATOR

Awarded

6 December 2022

"

Previously, my car's full tank can go up to 550KM. After doing REBOOZ, now the car can achieve 660KM of full tank and only uses 1 bar of fuel from Cyberjaya, KL and back.

AZRIL - MERCEDES GLC 250 (2019)

We observed a significant improvement of up to 19.19% on fuel economy.

Carbon emission is drastically reduced for our mining tipper truck immediate after REBOOZ.

GAN - WEICHAI SBW480WC (2020)

Dongguan TRB Energy Technology Co., Ltd. (TRB), established in 2010 and headquartered in Dongguan, China's manufacturing hub, is a professional battery manufacturer with over 15 years of experience in the energy industry. We specialize in the production of high-performance battery solutions, including electric bicycle batteries, electric motorcycle batteries, electric tricycle batteries, golf cart batteries, engine starter power packs, and multi-functional home energy storage systems.

To better serve the Southeast Asian and global markets, we have established a subsidiary in Malaysia — TRB Energy Tech Solutions Sdn. BHD, dedicated to delivering high-quality, cost-effective, and customized battery solutions to local and international clients.

At TRB, we uphold the core values of technology-driven innovation and uncompromising quality, aiming to become a trusted global partner in the fields of electric mobility and energy storage. We are committed to powering a cleaner, smarter, and more sustainable future.

### About us

Not only being the safety guard behind, choosing YEMA helmet is more of a leading fashion model!

YEMA HELMET was established in 1991, located in Lanxi City Economic Development Zone, Zhejiang Province, covering an area of 90000 square meters. Currently, our business scope has covered the helmet manufacturing and development, testing and inspection, sales and marketing etc. as well as a full range of products and service system. YEMA HELMET has promoted as the leading helmet brand in China market.

Enterprise development of YEMA helmet catch the pulse of international helmet industry development trend timely, profoundly insight into the market will be in the future, understand the rider's real needs, and gather new design team and the world advanced ideas. From a safety perspective, YEMA combines with humanized design, takes into full consideration the needs of different consumers. It makes that the safe, comfortable, fashionable YEMA helmet products become the love of consumers.

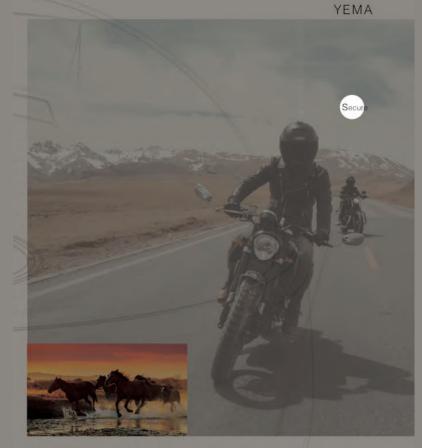

Modern standardized production, no doubt is a strength. YEMA helmet with total quality control system, makes every detail perfect and each product is of exceptional quality. Our products are strictly according to ISO9001 and 2000 quality standard also have successfully passed the accreditation of China's security department. At the same time, YEMA helmets have passed American DOT, European ECE, Brazilian NBR7471 etc quality standard certification. Our sales market has covered more than 40 nations and regions, such as America, Canada, Italy, Russia, Brazil and Argentina.

More than 30 years of enterprise growth, YEMA helmet is on the high-value brand effect in the helmet industry, industry chain model, network of suppliers, product planning and design, marketing channels and logistics aspects of advantage. Its production scale and economic benefit is the industry leader for a long time.

YEMA galloping leading the way

## WHERE CRAFT MEETS TECHNOLOGY

MALAYSIA AUTOSHOW 2025

HARD BAGS | MONOKEY®

### AERODYNAMIC INNOVATION: THE V49 AIR TOP CASE REVOLUTION

In the world of motorcycling, where every detail makes a difference, we are pleased to present the V49 AIR top case, designed to radically transform your riding experience.

Thanks to its innovative design and the **patented WINGFLOW system**, the result of in-depth design studies carried out by the R&D department directly in the **wind tunnel**, this top case aims to rewrite the rules of motorcycle aerodynamics, **guaranteeing reduced vibration and noise** and **improved stability** and aesthetic efficiency.

Its **Monokey®** fastening system and 49 litre capacity, big enough to hold two full-face helmets, put the V49 in the spotlight as the ideal solution for motorcyclists looking for equipment that combines high performance and unmistakable style.

Co-organised by:

To all who were a part of Malaysia Autoshow 2025,

we extend our warmest appreciation to all sponsors, partners, exhibitors, agencies, media representatives, crew members, and visitors. Your commitment, collaboration, and tireless effort help shaped a truly meaningful experience for everyone involved.

From planning to executing, every contribution and effort played a big role in bringing this show to life. We are grateful for the energy, creativity, and dedication you brought along the way.

Thank you for being with us on this journey. We look forward to creating more exciting moments together in the future.

> With sincere thanks, Malaysia Autoshow 2025 Organising Committee
