chilli

Chilli spray is a fiery creation that adds a spicy kick to your favorite cocktails and foods. Made from a refined extract from a blend of red chillies, this spray is designed to enhance both flavor and heat impact on the leading palate. Just a single spray can transform a regular drink into a bold, exciting and even challenging creation.

The intense heat of the chilli peppers enlightens and conditions the palate to receive surrounding flavours with greater impact. It helps the cocktail/culinary professional create complex and unique sensory experiences. Whether you're a fan of classic cocktails or looking to experiment with new sensations, chilli spray is a must.....

CHALLENGE THE SENSES with a fiery burst

flamed orange zest

Flamed orange zest is a vibrant and aromatic addition to cocktails. By gently heating the oils in orange zest, it releases a burst of citrusy fragrance that enhances the overall flavour profile of any drink. The fire created during the traditional flaming of orange zest adds a visually captivating element, creating a sense of excitement and anticipation.

The technique of flaming the zest not only adds a touch of elegance to the cocktail, but it also imparts a subtle smoked orange oil note, complementing the sweetness and bitterness of the drink. Whether an Old Fashioned, lemon tart or carrot cake, the use of flamed orange zest takes the experience to a whole new level....

MADE EASY with one single zesty spray

super citrus

This citrus spray is a game-changer for cocktail enthusiasts. Made with a blend of fresh lemon, lime, and orange rind extracts, it adds a burst of vibrant citrus oils in a flash. The spray bottle allows for precise and controlled application, ensuring that the intense flavors are evenly distributed.

Not only does it enhance flavour, but it also adds intense and delightful aroma. The oils from the zest of citrus fruits adds a hint of bitterness and astringency, expanding depth of flavour that balances out the sweetness of most drinks. With just a single spritz, this zesty spray elevates and excites the palate.....

ZEST & ZING with one single dose

australian wattleseed

Wattleseed spray adds a rich and nutty flavor accent whilst enhancing natural sweetness of any cocktail or dessert. This is a truly unique Australian taste experience. The spray is made from a distilled extract of toasted wattleseeds, ensuring a delicious and authentic flavour. With just a few spritzes, the hazelnut-style spray adds depth and complexity.

Wattleseed spray adds depth and complexity to a wide range of cocktails, from creamy and dessert-like to refreshing and fruity. Whether it's a classic cocktail or a creative concoction, wattleseed notes make for a memorable and next-level experience in your bar and kitchen.....
