ART OF HOME

Since 2003, we have been creating architecture, interior design, and ceramics in the contemporary Ukrainian style. In our work, we reimagine ancient Ukrainian traditions, cultural phenomena, and forces of nature to create places of power for our clients.

How many times have you been lying on the bed and watching the ceiling? Big-dreaming, thinking of the bills-thrills, “what-to-do” and “how-to-be” stuff. Our designers have no time for this, but when they do they ask one question “Why the ceiling cannot be the sky?”. We answered immediately. Inside every house, there must be one. And what is the sky if there are no clouds?

The first confession in love, parquet scratches left by a cat, which was admitted to make the first step in a new family home, fingerprints of the firstborn in the dough for a holiday cake are the spots left on the canvas of the soul. Who knows what is behind these spots on the Pliama lamp? And perhaps each of them will bring a new life surprises to the routine of its owner.

RIY

340 x 340 x 690 (H) mm

€5 000

TEXTURE - SMOOTH
COLOR - ON REQUEST

Ceramic

Serhii Makhno gathered artists and ceramists from all over Ukraine. The painting is unique and one-of-a-kind. Even if you ask for exactly the same lamp, we wouldn't make it. Because the bee will be already sitting on the flower — it has its own tasks, we cannot stop. We don't even try to restrain nature, we just dream of having it as a co-author. The painting is another piece to remember childhood, grandparents, beehives, and bees.

«Zerno» in Ukrainian means «grain». Cereal crops are the most widespread among all crops in world agriculture. But our grain is one of a kind. Made by hand, in Ukrainian contemporary style, by one person to another. ZERNO will give something more than just light in your house. It will give two sprouts: uniqueness and harmony.

GEMMA

Ceramic lamp GEMMA is an azure-gold “tail” based on a sketch by Serhii Makhno. It will bring an interesting accent to any space. A dozen of light bulbs have both an aesthetic motif, and a functional — it enriches the room with warm, brilliant light, which is harmoniously distributed throughout the room due to the narrower form at the bottom of the lamp. Well, and the materials — they are eternal. Your grandchildren will gladly accept such a showpiece as an inheritance.

LUSKA

TEXTURE - ROUGH
COLOR - ON REQUEST

Copper, Ceramic, Metal

A lamp that resembles the protective armor of the Dragon Age. The tactile uneven texture in combination with the glossy finish gives an extraordinary result that adds a highlight to the interior and makes you linger and enjoy next to it. As everywhere in our work, the inspiration for creating the LUSKA wall sconce came from nature.

ARCHITECTURE | INTERIOR DESIGN | CERAMICS

MAKHNO Studio was founded in 2003 by architect, ceramist, and collector Serhii Makhno. So far, more than 700 projects have been completed in 22 countries.

Serhii Makhno was one of the first to focus his work on Ukrainian culture. It was a 20-year journey of research, doubt, and finally realizing the importance of one's roots and returning home.

Today, the studio creates projects in the contemporary Ukrainian style - it is about respecting traditions and rethinking them, about loyalty to the roots and memory of the homeland.

Awarded with prestigious international awards, such as the Red Dot Design Award, The International Property Awards, The Architecture MasterPrize, IDA Awards, Restaurant&Bar Design. Every day there are at least two articles about us written in the trendiest design media in the world: ELLE Decoration, ArchDaily, Design Milk, Dezeen.
