

Introduction to the Biomes with Curriculum- Elementary

BLACKLINE MASTERS

The hard copy materials for the *Introduction to the Biomes with Curriculum- Elementary* include:

- *The Waseca Biomes Curriculum Guide*
- *Introduction to Biomes - Parts of a Biome* three-part cards
- *Introduction to Biomes - The Biomes* three-part cards
- *Climate Zones Labels*
- *Living or Nonliving Labels*
- *Herbivore, Carnivore, or Omnivore Labels*
- *Animal Adaptations* cards
- *Biome Picture Sort Labels*
- *Q & A* cards

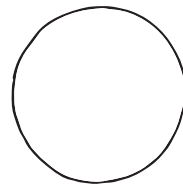

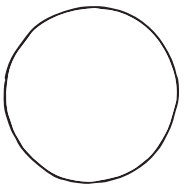

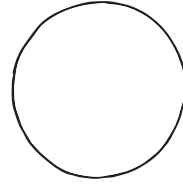

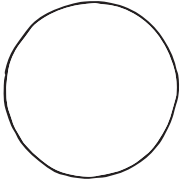

The *Waseca Biomes Curriculum Guide* contains the lessons and presentations for the *Introduction to the Biomes with Curriculum- Elementary*. It outlines a framework for the incorporation and integration of these materials with traditional Montessori lessons as you progress from exploring the creation of the Universe through to more detailed studies of the biomes here on Earth, including your home biome.

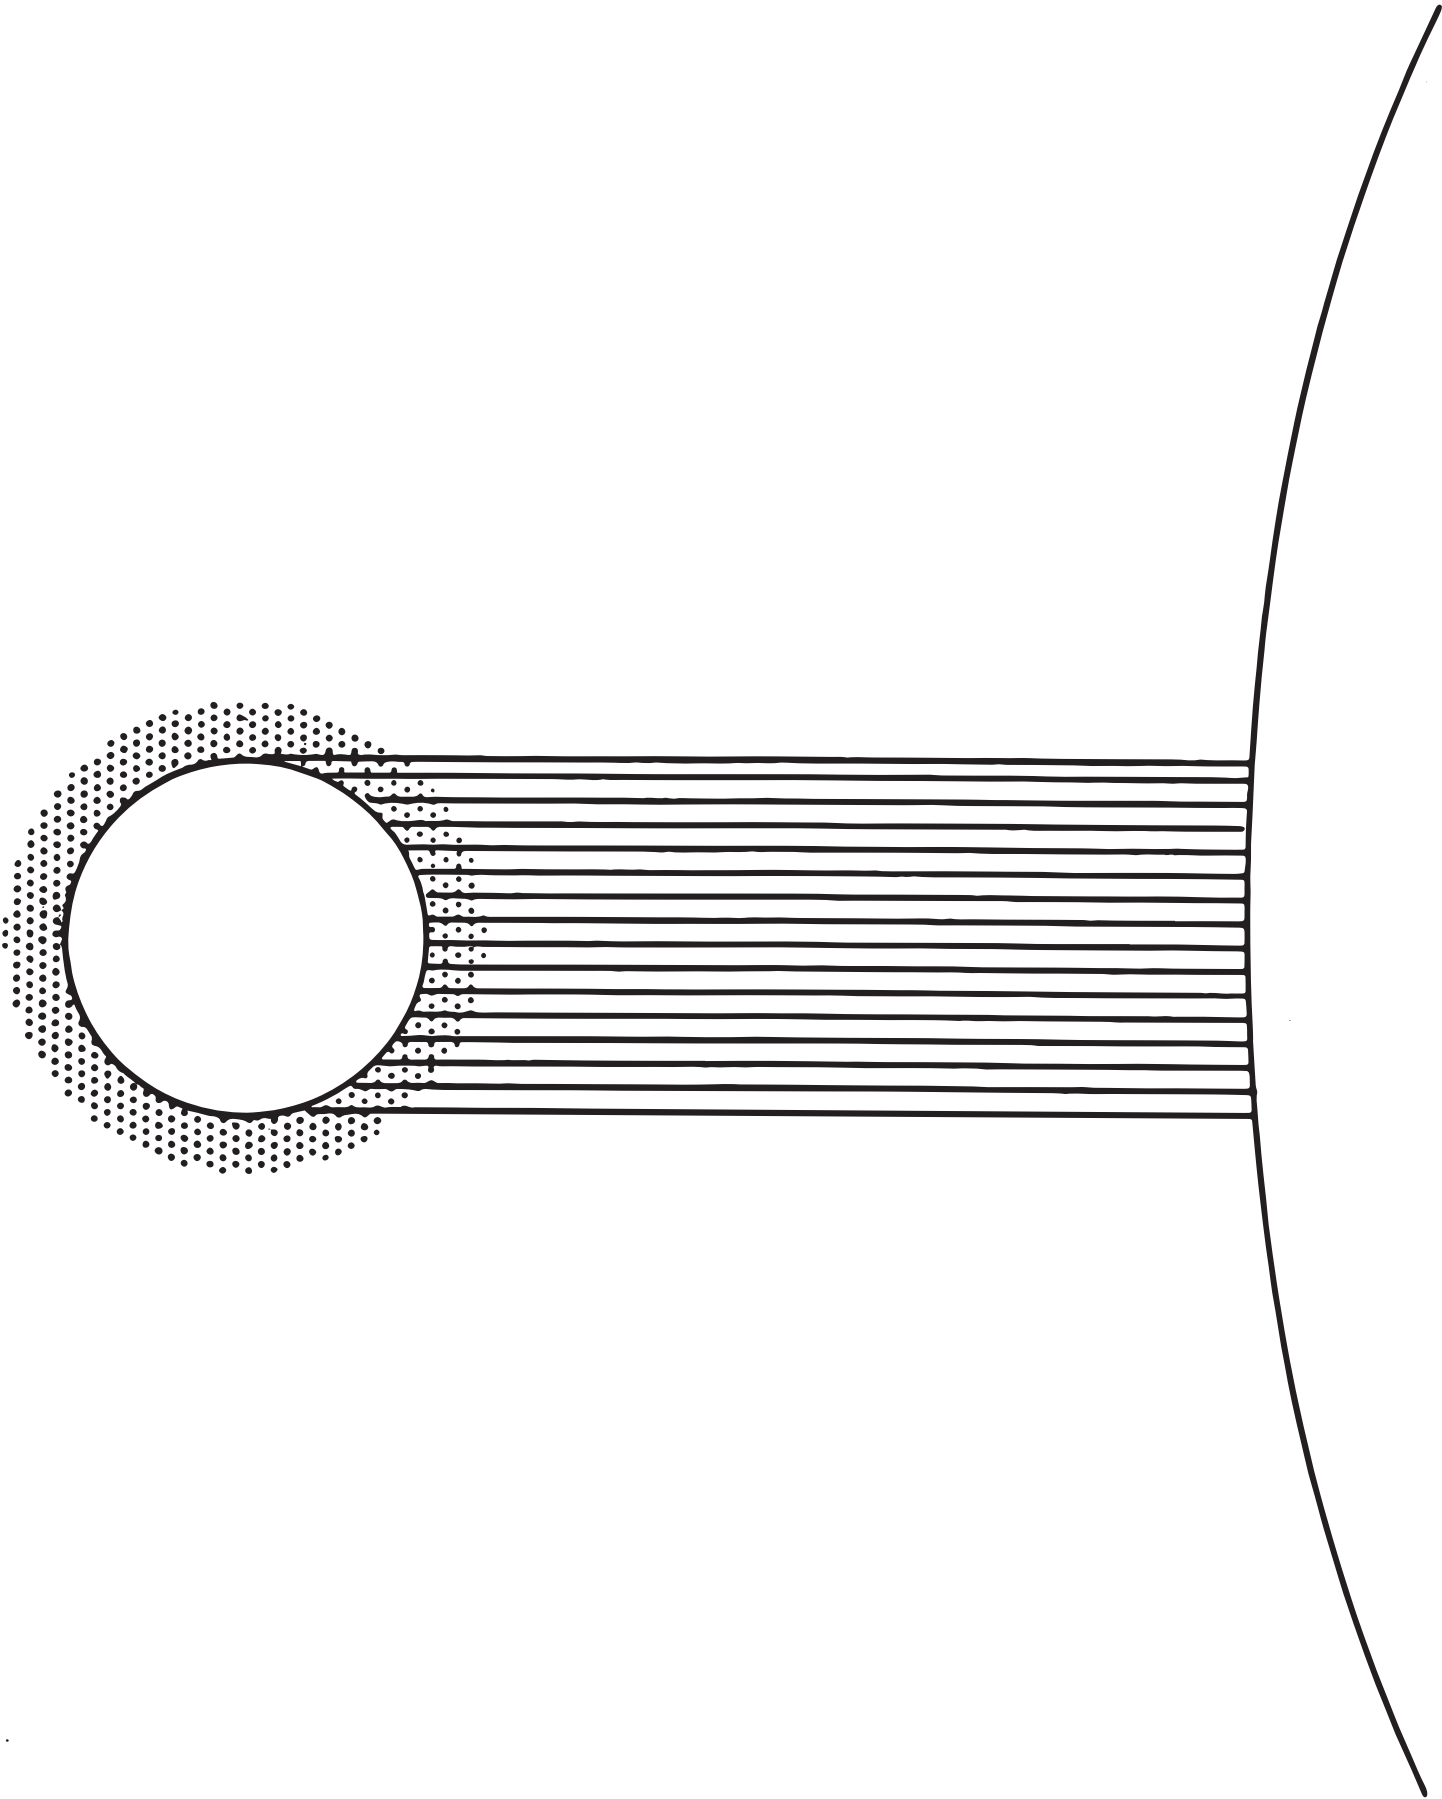

As discussed in the *Introduction to the Biomes with Curriculum- Elementary* Guide to Presentation, the cards and labels included with your *Introduction to the Biomes with Curriculum- Elementary* are to be used in separate presentations and lessons and, in many instances, in conjunction with the blacklines provided here. The List of Contents on the following page will let you know which blacklines go with which cards or labels, if applicable, and which lessons they correspond to in the *The Waseca Biomes Curriculum Guide*.

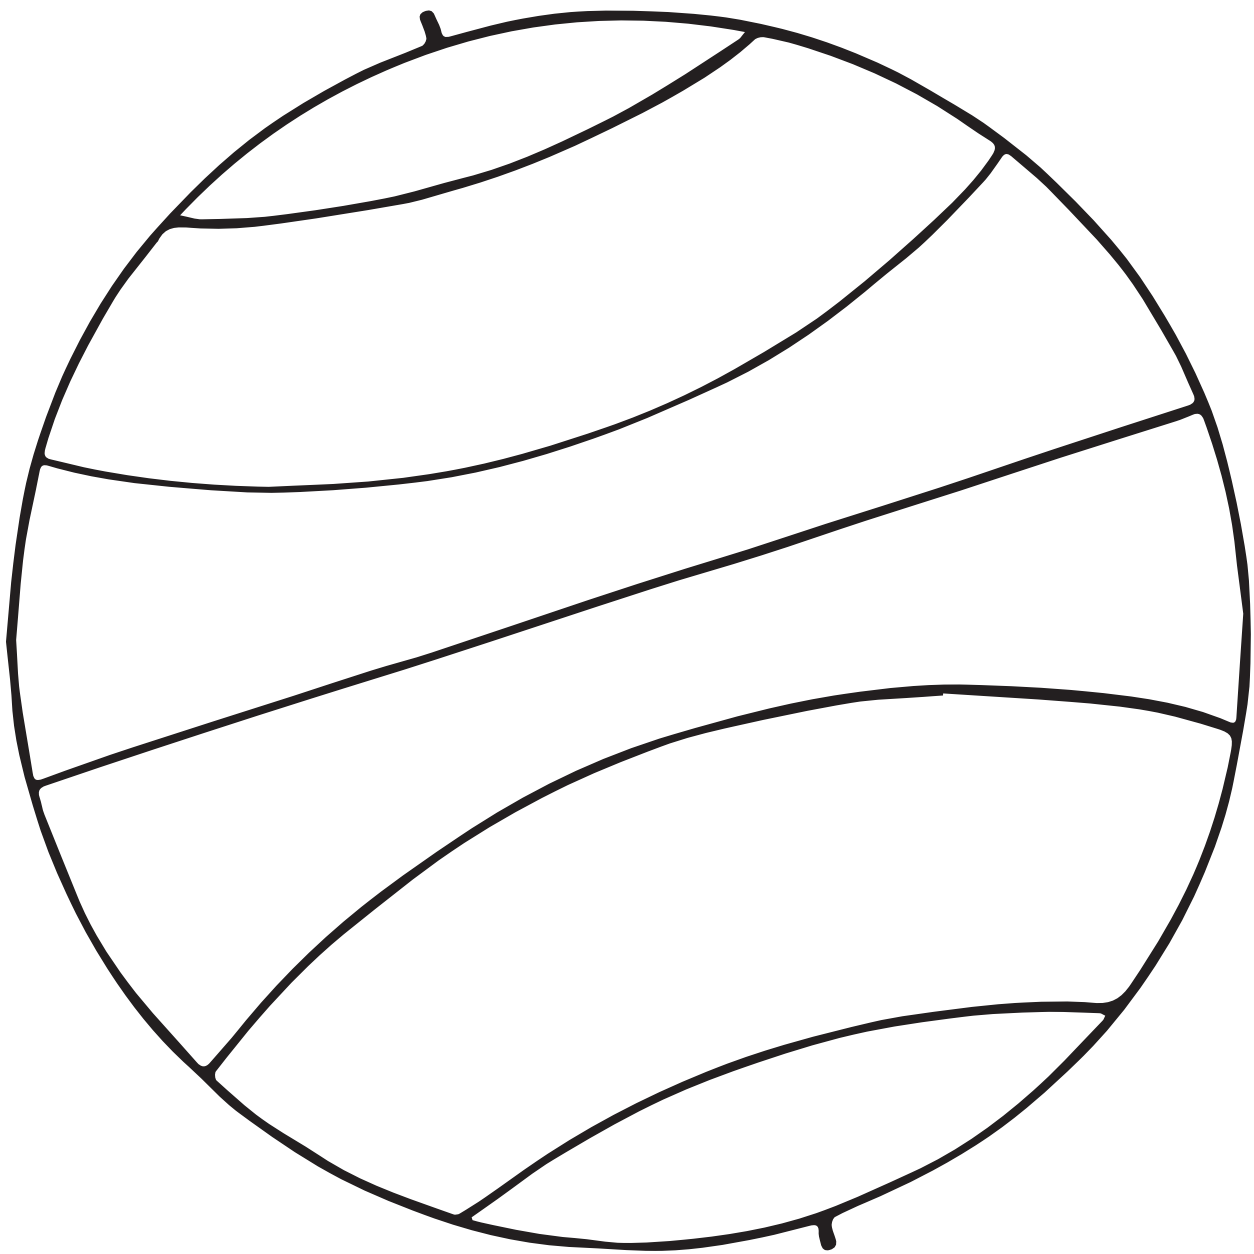

Introduction to the Biomes with Curriculum- Elementary Blackline Masters List of Contents

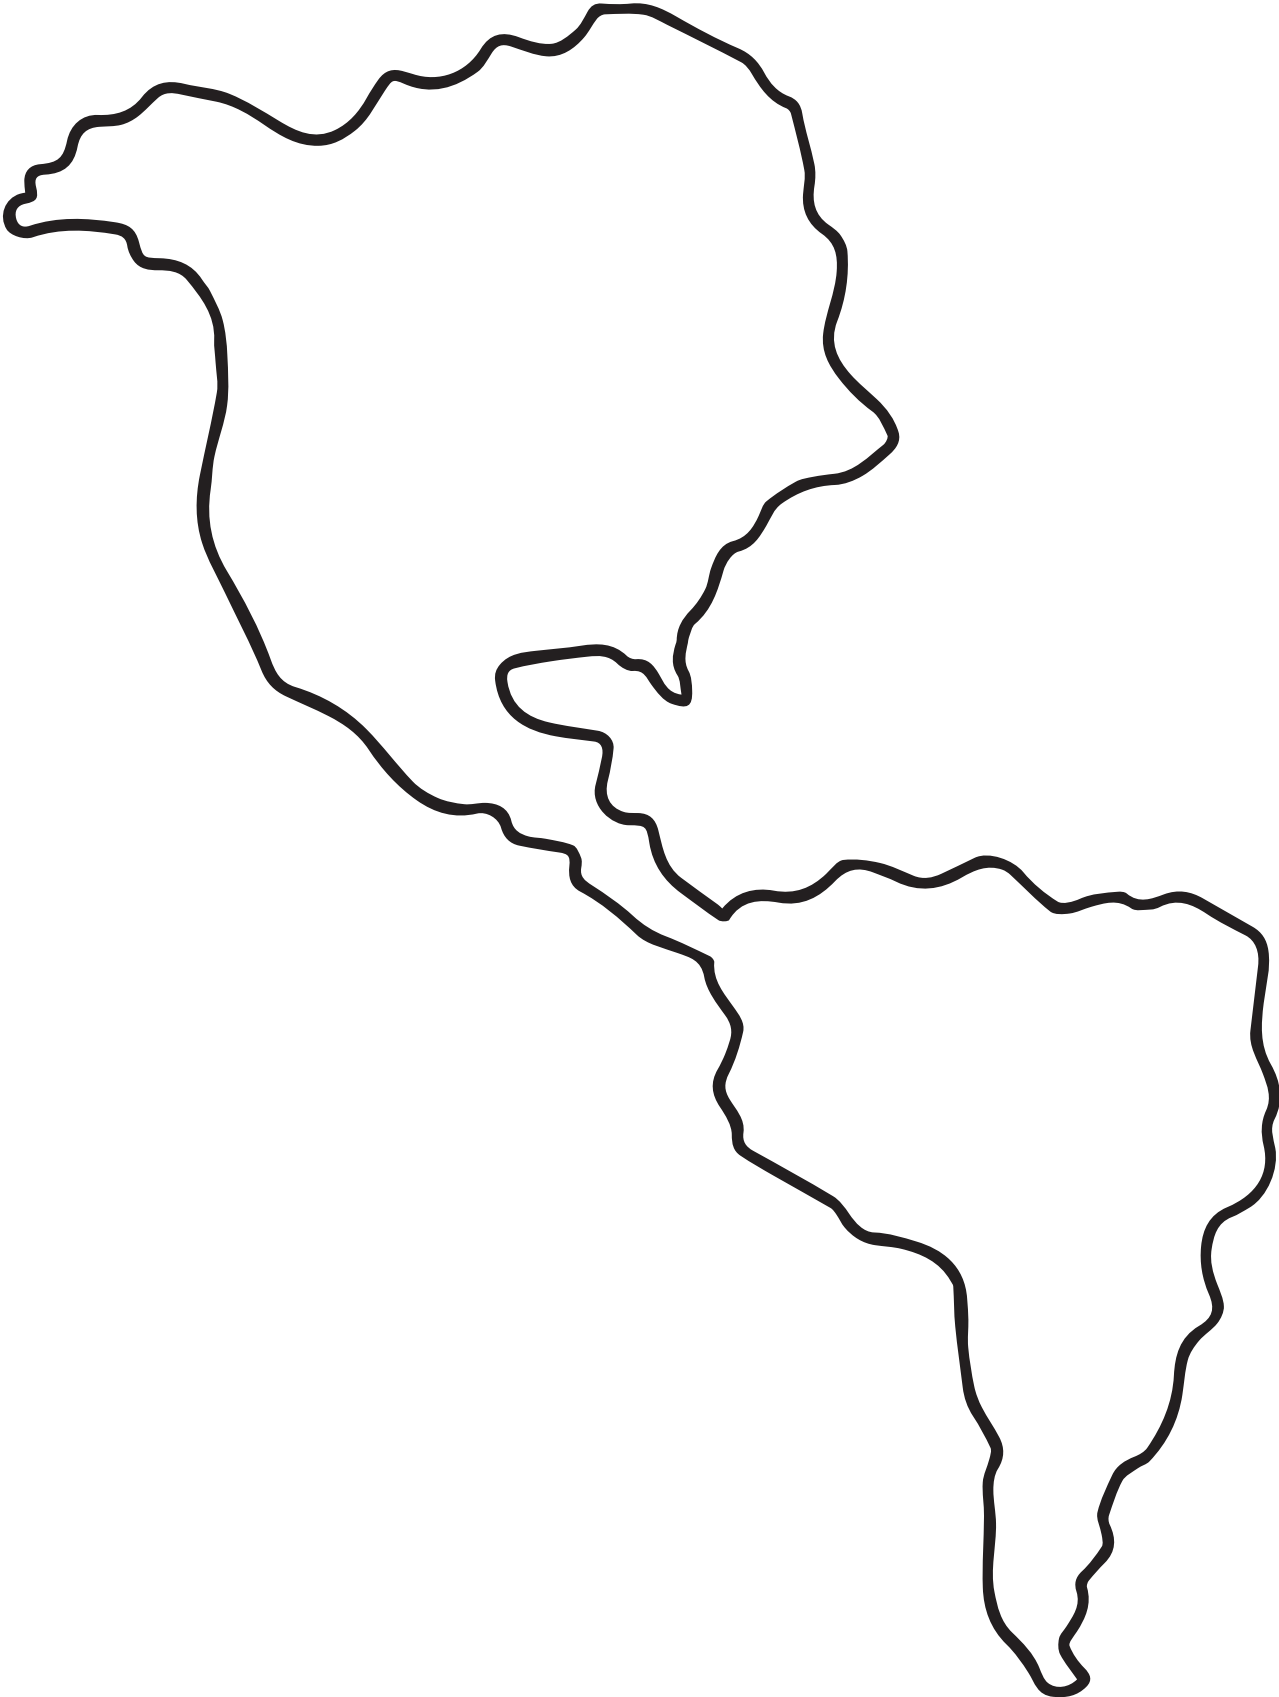

Lesson in <i>The Waseca Biomes Curriculum Guide</i>	associated cards and blacklines
The Globe as a Model of the Earth.....24	<i>Parts of a Biome - Parts of the Globe</i> three-part cards
Living or Nonliving.....50	<i>Living or Non-Living Labels</i>
Parts of a Biome Nomenclature.....52	What is a biome? blackline <i>Parts of a Biome</i> three-part cards
Length of the Rays of the Sun.....67	Length of the Rays of the Sun blackline
Climate Zones.....68	Climate Zones blackline <i>Climate Zones Labels</i>
Our Planet Collage.....79	North and South America hemisphere template blackline
What Makes Wind.....87	What Makes Wind blacklines 1 and 2 Arrows for What Makes Wind blacklines
Parts of the Soil.....106	Soil blackline <i>Parts of a Biome - Parts of the Soil</i> three-part cards
Layers of the Soil.....108	Soil blackline <i>Parts of a Biome - Layers of the Soil</i> three-part cards
The Carbon Cycle.....111	The Carbon Cycle blackline <i>Parts of a Biome - The Carbon Cycle</i> three-part cards
The Nitrogen Cycle.....113	The Nitrogen Cycle blackline <i>Parts of a Biome - The Nitrogen Cycle</i> three-part cards
Flowering or Non-Flowering Plant Sorting.....132	Flowering/Non-Flowering blacklines 1 and 2 <i>Living or Non-Living Labels</i>
Parts of a Flowering Plant.....132	Parts of a Plant blackline <i>Parts of a Biome - Parts of a Plant</i> three-part cards
Five Classes of Vertebrates (Chordates).....143	5 Classes of Vertebrates blacklines 1 and 2 <i>Living or Non-Living Labels</i>
Parts of the Vertebrates (Chordates).....144	Parts of a Fish blackline <i>Parts of a Biome - Parts of a Fish</i> three-part cards Parts of an Amphibian blackline <i>Parts of a Biome - Parts of an Amphibian</i> three-part cards Parts of a Reptile blackline <i>Parts of a Biome - Parts of a Reptile</i> three-part cards Parts of a Bird blackline <i>Parts of a Biome - Parts of a Bird</i> three-part cards Parts of a Mammal blackline <i>Parts of a Biome - Parts of a Mammal</i> three-part cards Parts of an Invertebrate blackline* <i>Parts of a Biome - Parts of an Invertebrate</i> three-part cards*
Herbivore, Carnivore, or Omnivore.....146	Herbivore, Carnivore, or Omnivore blacklines 1 and 2 <i>Herbivore, Carnivore, or Omnivore Labels</i>
Adaptation Strategies.....147	<i>Animal Adaptations</i> cards
Biome Picture Sort.....160	<i>Biome Picture Sort Labels</i>
Introduction to the Biomes.....164	The Biomes blacklines 1 and 2 <i>Introduction to Biomes - The Biomes</i> three-part cards
Biomes Questions and Answers.....165	Q & A cards

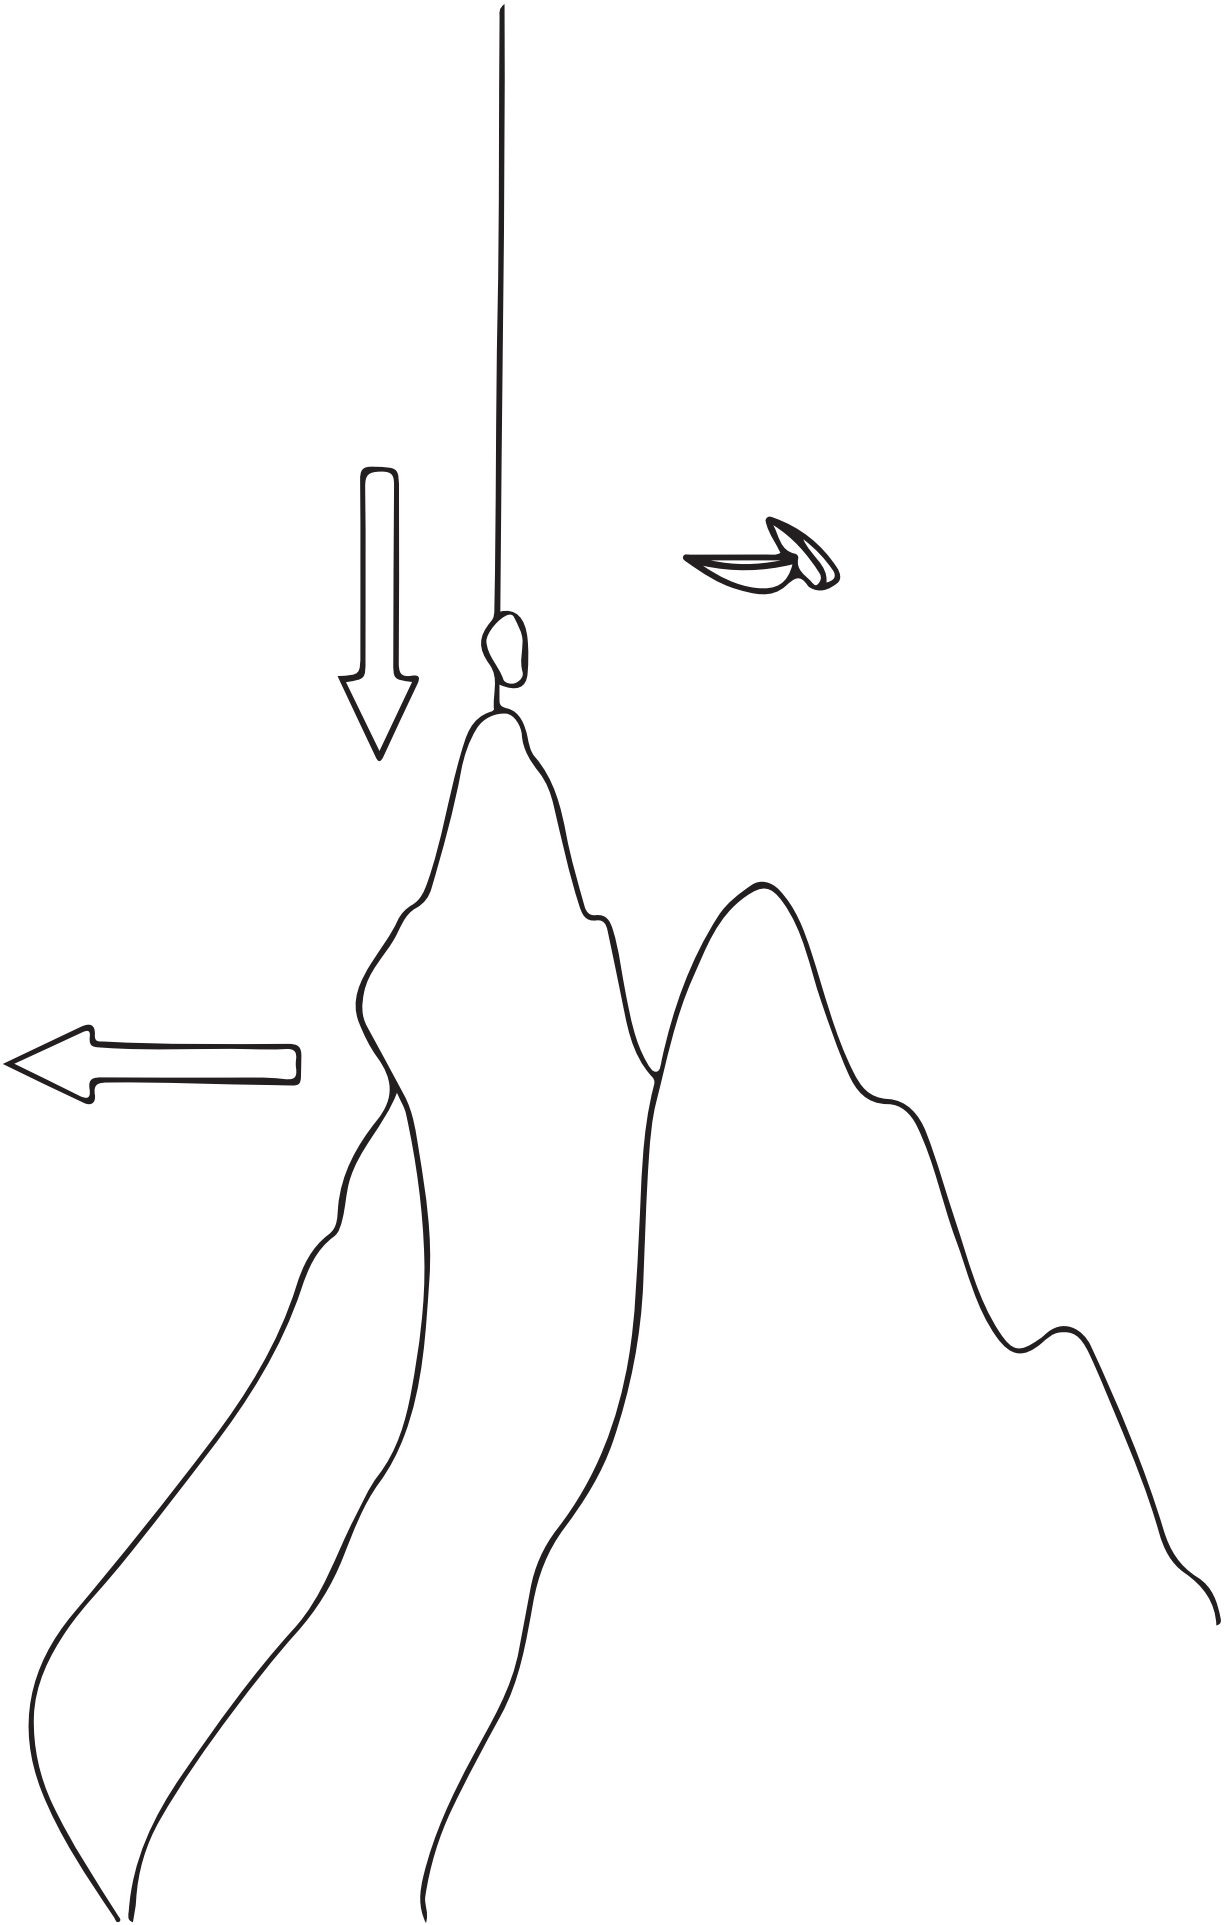

* The Parts of an Invertebrate three-part cards and blackline can be used as an extension of the Parts of the Vertebrates (Chordates) lesson as a point of comparison with vertebrates. We have selected an insect as our example of an invertebrate. For a more in-depth exploration of the wide variety of physiological traits of invertebrates, we recommend working with our Tree of Life.
