

2025

Service you can count on. Quality you can depend on!

Terms and Conditions

Prices

Listed prices supersede all previous lists in circulation. Prices are listed for the wholesale trade only as we sell strictly to professionals involved in the green industry. Prices are subject to change without notice and are F.O.B. Fenwick, Ontario.

Terms

All pick-up and delivery orders are prepared on a cash basis, 30 day term is granted to those with established credit. Credit applications are available upon request and must be filled out at least one month prior to delivery or pick-up. A 2% per month (24% per annum) interest charge is applied to overdue accounts. Harmonized Sales Tax (HST) is charged on all orders except Quebec where GST will be charged. There will be a \$20.00 service charge for any cheques returned by the bank. Credit cards may be used if the payment is received within fifteen (15) days of delivery or pickup; we accept Visa & Mastercard.

Pick-Up Orders

It is advised that you place your order in advance so that it may be processed and ready upon your arrival. We pride ourselves on timely and accurate service for our customers; please allow us the opportunity to do so. Our shipping yard is closed daily from 12:00 pm to 12:45 pm. No minimum order required.

Delivery Orders & Packing

All prices are F.O.B. our nursery. Instead of angle stocking nursery stock in trailers from floor to ceiling, we use a rolling cart system to prevent damage. For long distance loads we use wooden shelved racks specifically designed for one way trips. Plants are loaded on shelves and shrink wrapped to maintain quality in transit. This provides a quick and efficient way to unload product. Skids can be reused in the garden centre or returned to our nursery. Metal carts are to be returned to our nursery upon the completion of delivery. Lost carts will be charged to your account. Freight rates vary depending on the distance and the size of the order.

Please check with your sales rep to confirm delivery charges. You will be billed extra should the driver be at your dock longer than the time allotted. Freight companies customarily allow 1-1.5 hours free unloading time on part load trailers but charge \$50.00 per hour for additional time thereafter. When delivery is scheduled please have adequate staff ready to unload your order. All stock should be watered immediately upon receipt; plants can dry out/overheat during shipping.

Guarantee and Return Policy

We guarantee stock to be in good condition upon leaving our yard. We hold ourselves responsible, on proper proof, to replace returned nursery stock or refund the original amount paid. We shall in no instance be liable for any sum greater than the amount paid or quantity received at the time of shipping.

All claims for shortages, overages, damage in transit, etc. must be clearly marked on the driver's copy of the delivery receipt and reported to Willowbrook Nurseries Inc. within 5 days from receipt of shipment. Claims that occur after shipment has been received (e.g. stock failing to grow) must be reported by email or phone as soon as the problem arises, but not later than 30 days after the shipment is received.

Order & Order Acknowledgments

Spring orders are processed on a first completed, first reserved basis. We retain the right to pro-rate items that are of short supply or special interest. It is our intent to benefit as many customers as possible. Please review your acknowledgments carefully to approve any changes that may have been made. Mail or fax a signed copy with any revisions indicated or call your sales rep to discuss necessary changes. Crops are subject to growing conditions, inventory changes, crop failures and seasonal sales activity. We acknowledge all orders upon receipt and do our best to notify you of any changes.

Labels

Plants are shipped with a computer printed sticker, slip lock label and/or a price tag. Pre-pricing labels are offered at a nominal price.
