Make a Will to make sure your wishes are carried out when you're gone...

Making a Will is the only way you can be sure that your wishes are carried out and your loved ones are provided for after your death.

It is important to make a Will if your circumstances change, for instance >

- There is a new baby in the family
- You buy or sell a house
- You marry, divorce or cohabit
- Your financial situation alters
- You buy a new pet

Why should I make my Will in St Luke's Will Month?

Quite simply, you'll be getting great value for money, at the same time as supporting our patients and their families. Will Month is a partnership between St Luke's and local solicitors across the city. A participating solicitor will draw up a basic Will* for you, and invite you to make a donation in place of their fee. This will help local people who have a terminal illness, at a time when every day matters more than ever.

You may also choose to leave a gift to St Luke's in your Will if you wish. Ask your solicitor for more details.

* Please note that your solicitor will advise you that any complex instructions may incur an additional fee.

Suggested minimum donations

Single Will

Joint Will

And £75 for a basic amend to an existing Will.

How do I take part?

Will Month takes place in April 2024, so bookings are being taken now – be sure to book yours in early to avoid disappointment! Appointments may be held in person, by phone or video call depending on your personal circumstances and/or wishes.

3 easy steps...

1 Find a participating solicitor in the list and call them directly to book your appointment.

2 Have your Will written by the solicitor of your choice.

3 Make your donation to St Luke's (via your solicitor).

Leaving St Luke's a gift in your Will

After considering loved ones, leaving a gift to St Luke's in your Will is an incredibly powerful gesture that ensures our vital palliative care is there for those who need it, for many generations to come. It is a gift made now, which costs nothing in your lifetime, but can help your support to live on, not only for St Luke's but for the people of our incredible city.

Leaving St Luke's a gift in your Will is one of the most valuable and lasting ways you can support us, and help us be there for Sheffield for years to come.

You can find out more about leaving a gift in your Will by visiting www.stlukeshospice.org.uk/support/wills, calling 0114 235 7554 or emailing giftsinwills@hospicesheffield.co.uk

A bit more about St Luke's

St Luke's is an independent charity caring for terminally ill adults and their loved ones across Sheffield. Our care is provided at no cost to our patients and we rely on our generous supporters to keep our work going.

Each year, we care for around **1,800** patients - most of whom are cared for in their own home by our Specialist Palliative Care Community team.

It's not just patients that we help either - we extend support, bereavement counselling and practical help to family members and carers too, so that each year, our work touches the lives of more than **6,000** people.

We are not part of the NHS and of the **£12million** it takes to deliver our services each year, **£9million** of that comes from donations - just like yours.

All details correct February 2024.
