# About

Choosing your bathroom furniture is more than simply a practical decision.

Your choice of colour can create a warm, welcoming space. Or, alternatively, a modern striking design.

Your choice of units can create an illusion of space combined with smart, practical storage.

IQU Furniture has been designed to offer an almost limitless imagining of furniture with our large combination of colours, furniture depths, handles, worktops and drawer/door combinations.

Close your eyes. Imagine your dream bathroom. And then set about creating it in the pages that follow.

**ANNA FITTED**

350MM Light Grey Gloss

# Product Construction

IQU Furniture is made in Birmingham, in the heart of the UK.

Using a combination of high quality materials our furniture is ideal for use in the bathroom environment.

All units feature soft close doors and metal soft close drawers as standard.

All units feature adjustable glass shelves as standard where applicable.

Basin units across all ranges feature smart removable backs for ease of installation and access to pipework. Storage units feature solid backs.

All furniture is supplied with a lifetime guarantee against manufacturing defects - ensuring you can buy with confidence.

## WATER RESISTANT

IQU Furniture is made from a combination of materials designed for use in the bathroom environment.

## LIFETIME GUARANTEE

For peace of mind we offer a lifetime guarantee against manufacturing defects.

## YOUR PROJECT

We suggest you start with the following:

Make a plan of your bathroom.

Use our website for inspiration.

Visit an IQU retailer to discuss your ideas. When it comes to colour combinations your retailer will also have a choice of physical colour samples for you to view.

Remember, wall hung furniture will require solid walls or frames built in.

Are you looking for plenty of storage or a minimal look?

Having confirmed the space you have available use the following pages to decide what style and colour of furniture will suit your imagination best.

[WWW.IQUBATHROOMS.COM](http://WWW.IQUBATHROOMS.COM)

ANNA FITTED

350MM Cashmere Matt

# ANNA FITTED FURNITURE

## Standard Depth

350MM

350mm standard depth offers the largest choice of available units.

Units can be wall hung or fitted with a clip on bottom plinth.

Dresser units and low level vanity units can be inserted into the furniture runs.

Nine colours available - see page 5.

All Fitted Furniture units come with soft close doors and metal drawers, with glass shelves as standard.

Laminate worktop colour choices can be viewed on pages 48-49.

Solid surface colour choices can be viewed on pages 50-53.

Handles are included in the prices shown and can be viewed on pages 130-131.

Sanitary ware and flush plate options can be viewed on pages 39-47.

## ANNA FITTED

---

350MM Grey Drift

Anna fitted furniture is available in 9 colours with the option of combining two colours into one unit - two tone.

Units can be fitted with a plinth as shown or wall hung.

Semi recessed basin are available or sit on bowls as shown here.

Complimentary worktops and handles are available.

The modern slab style door offers clean lines to the bathroom setting.

## ANNA DRESSER SET

---

350MM Slate Grey Gloss

Anna Dresser sets offer the option of combining a reduced height dresser unit into a run of standard depth fitted furniture.

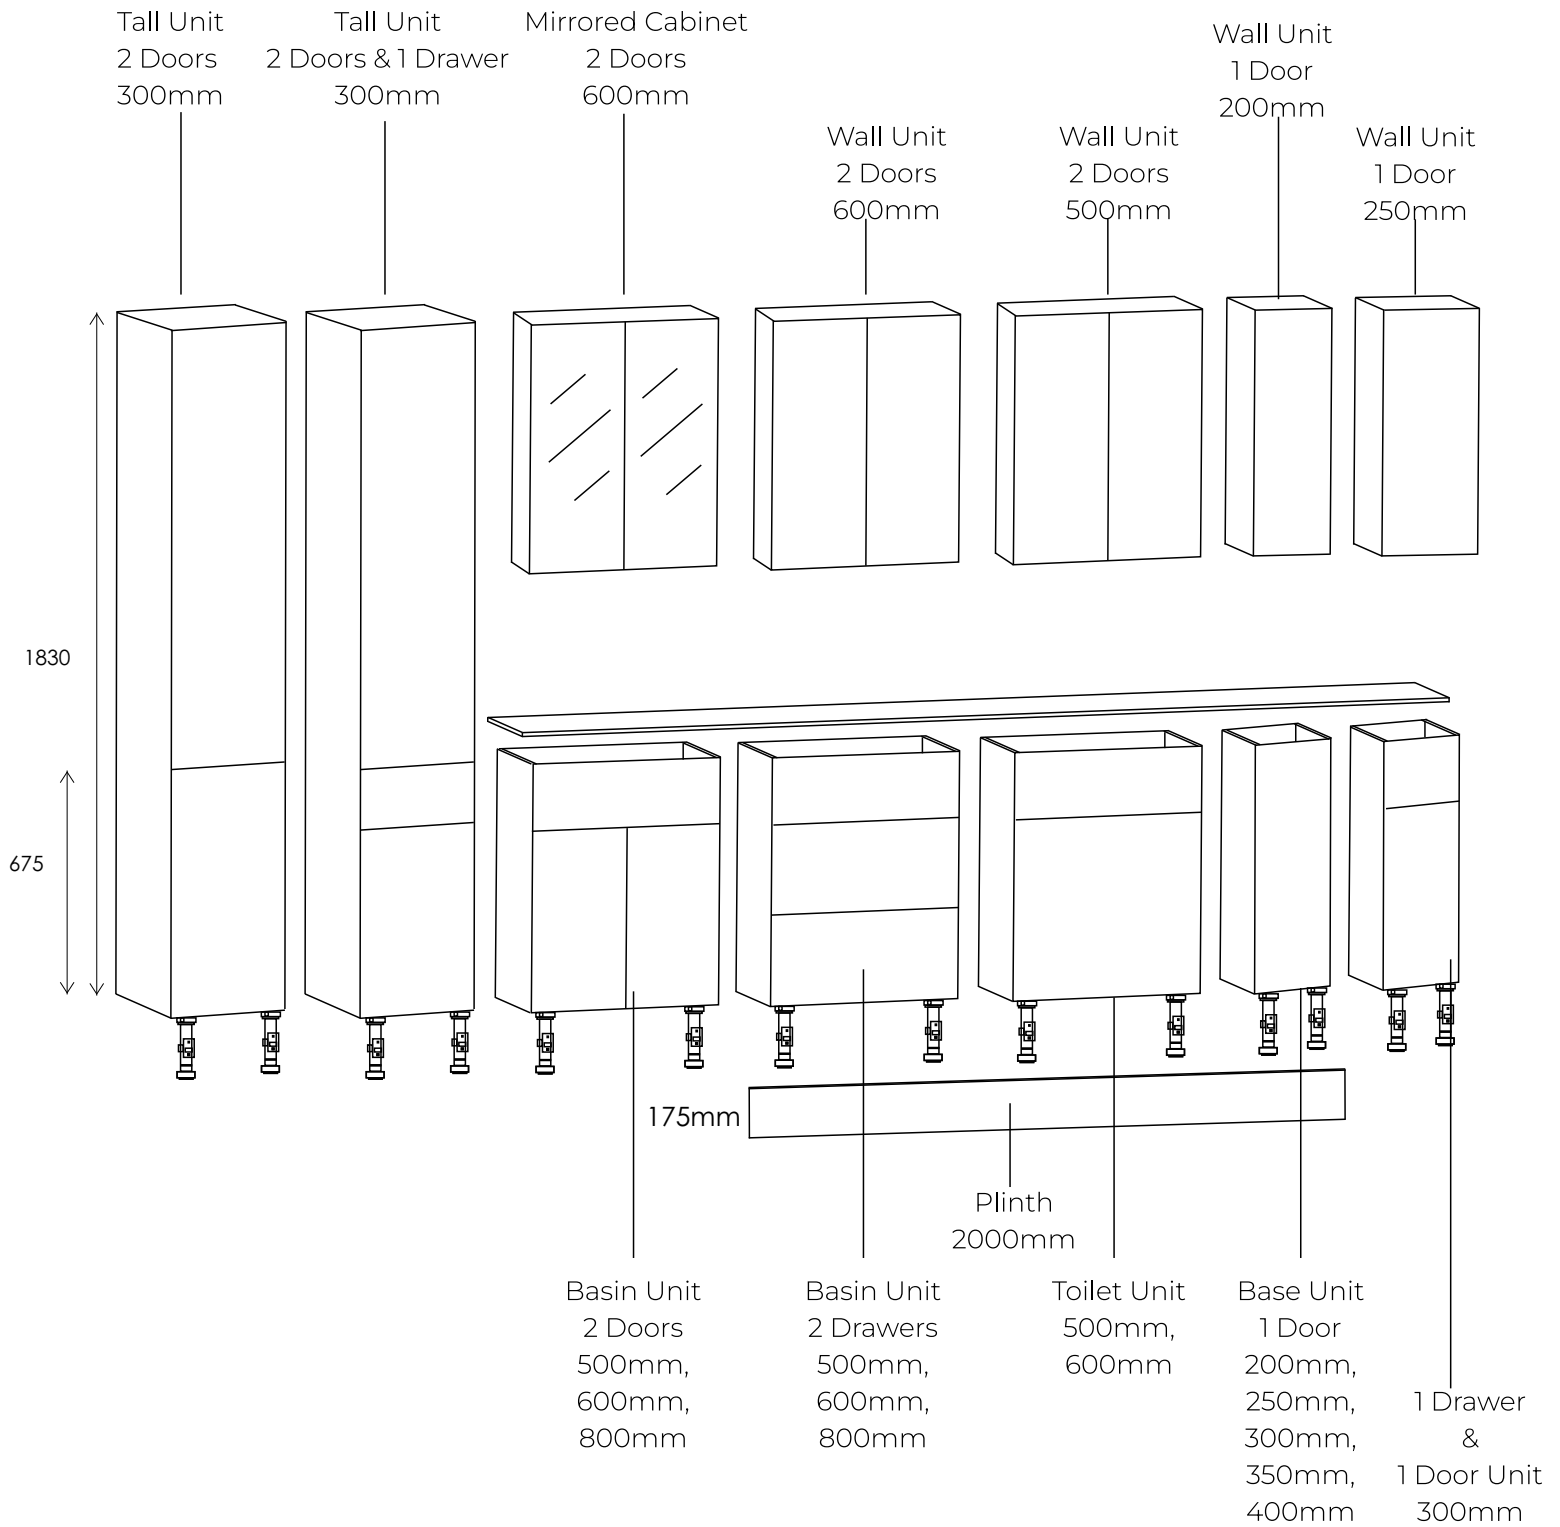

Dresser units are available 500, 600, & 800mm wide. They all feature one soft close drawer and are 175mm high.

The overall standard height of Anna furniture is 850mm without worktop. This gives a space of 675mm underneath the dresser unit.

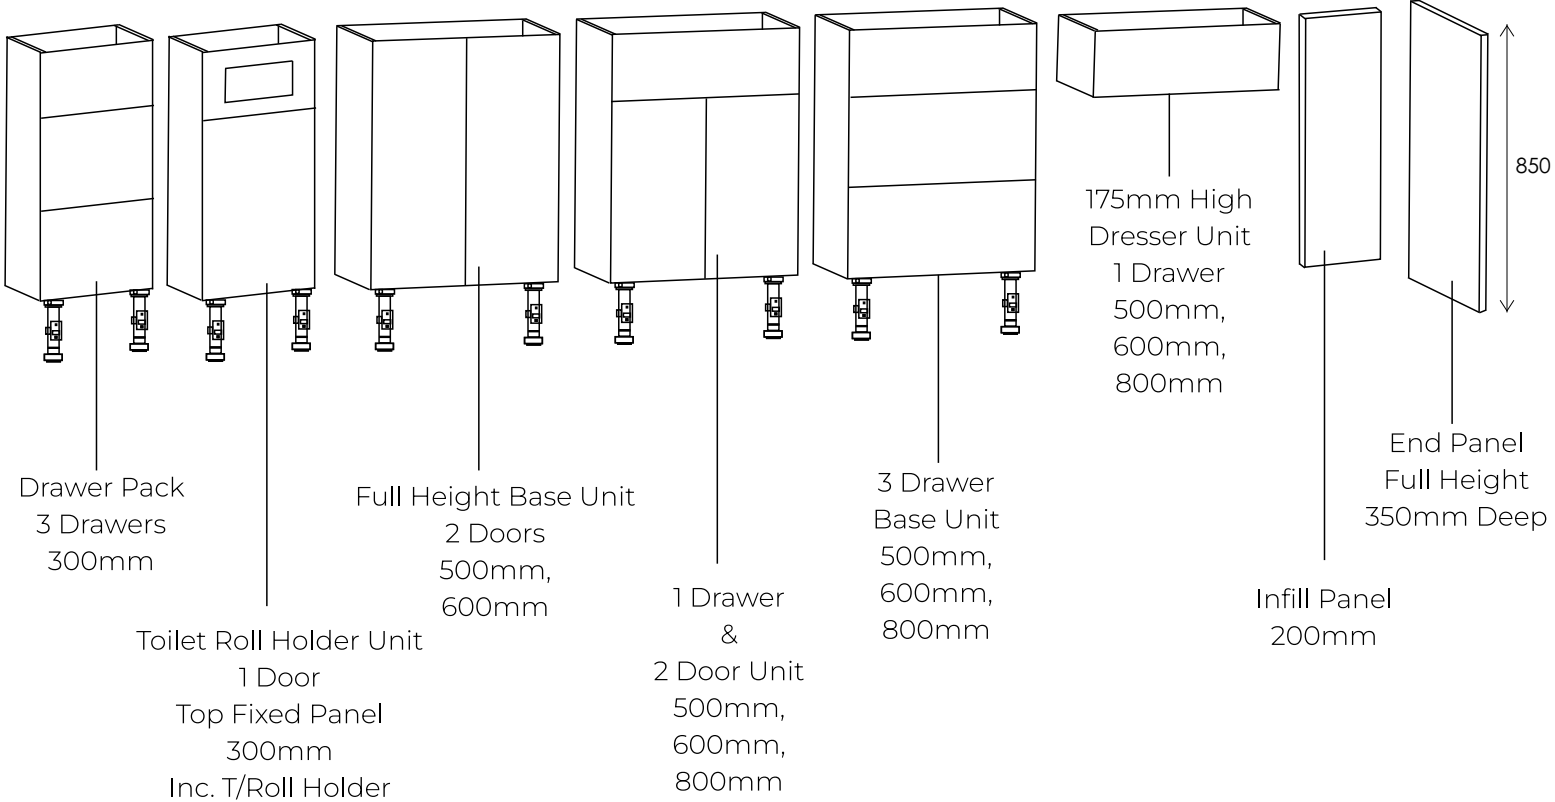

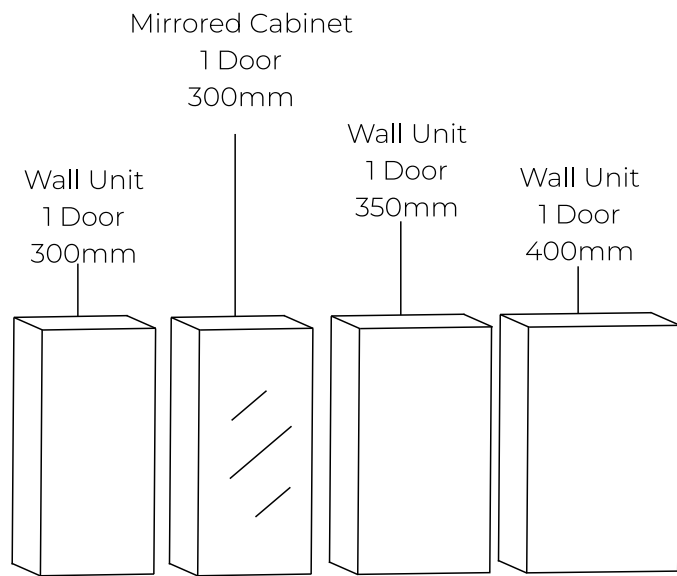

Dresser units can also be fitted wall hung, independently, with a solid surface worktop - see pages 96-99.

# Anna Fitted Furniture Overview

Standard depth 350mm

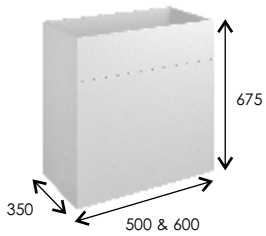

Carcasses are matt grey as standard apart from White Gloss units which are supplied with matt white carcasses.

# SANITARYWARE

## Ceramics

### Basins & WC's

We have a range of sanitaryware options to match up with our fitted furniture including:

Ceramic semi recessed basins

Resin inline basins

Vessel bowls

Back to wall pans

Cisterns & flush plates

Back to wall pans come with soft close seats as standard.

Flush plates only suitable for use with the IQU cistern.

Semi recessed basins require a cut out in the worktop and unit top fascia.

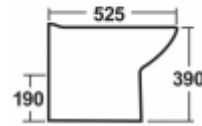

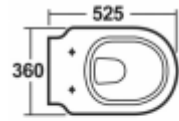

Inline basins will over hang by approx 5mm on the width when placed on the end of a furniture run.

## WHITE CORE WORKTOPS

CARRARA

CHALK WHITE

Our solid surface range of worktops are fabricated from high pressure laminate - an ideal solution for the demands of the bathroom environment.

Featuring a 12mm slim design, they offer an ultra-matt texture. This, combined with squared edges, offers an authentic slab-like appearance.

The ultra-matt texture is distinctive to the touch and hides fingerprints - your bathroom looks spotless for longer.

The worktops are scratch resistant and completely waterproof - perfect for bathroom use.

HPL Worktops come pre-fabricated at 355mm deep in a range of widths. They can be cut to size and edges polished on site.

We have four colour options - two with a black core, two with a white core.

A high-angle photograph of a white rectangular sink with a chrome faucet, mounted on a grey vanity unit. The sink is set against a wall with large, light-colored tiles. A mirror is mounted above the sink, reflecting the faucet and the sink itself. The vanity unit has two doors with silver handles. The floor is made of light-colored wood-look planks. In the bottom left corner, there is a wire basket containing various toiletries. The lighting is soft, creating a clean and modern aesthetic.

1000mm

Basins are available left or right hand.

Nine colours available - see page 5.

Units can be supplied with basins from page 105.

Alternatively they can be supplied with solid surface tops from pages 106-107.

Handles are included in the prices shown and can be viewed on pages 130-131.

Sanitary ware and flush plate options can be viewed on pages 40-42.

The image shows a shower tray with a repeating star pattern. The stars are light-colored and set against a dark background. The tray is installed in a shower enclosure with glass panels and a metal frame. The floor of the shower is made of light-colored tiles. A drain is visible in the center of the tray.

# L SHAPE SOLID SURFACE WORKTOPS

## BLACK CORE WORKTOPS

BLACK MOON

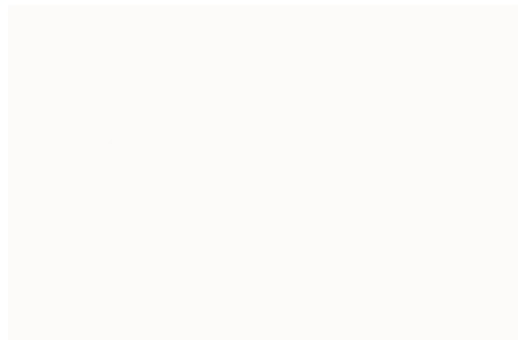

GREY MOON

## WHITE CORE WORKTOPS

CARRARA

CHALK WHITE

Our solid high pressure laminate worktops offer an innovative solution to the demands of the bathroom environment.

Featuring a 12.5mm ultra-slim design our worktops still offer a hard wearing and completely waterproof surface.

All edges have been expertly finished ready for installation.

Available in four colours featuring an ultramatt texture.

All worktops have a square edge to give an authentic, slab-like appearance.

The ultramatt finish hides fingerprints and other marks leaving your bathroom spotless for longer.

Please state left or right hand when ordering.
