# Cancellation Policy

---

All Useful Vision activities are provided free of charge to families, thanks to the generosity of our funders. We pay for all activities in advance and are unable to receive refunds once bookings are confirmed.

We understand that plans can change, and we always do our best to fill any cancelled spaces. If you need to cancel, please let us know as soon as possible.

If you cancel within 24 hours of the activity and we are unable to fill your place you may be asked to contribute towards the cost of the session.

To cancel please text or call 07544301166 or email [usefulvision@hwn.org.uk](mailto:usefulvision@hwn.org.uk)

[www.usefulvision.org.uk](http://www.usefulvision.org.uk)

# Non-attendance Policy

---

We appreciate that unexpected circumstances can arise, however, we have recently experienced a high number of families not attending activities without prior notice.

As a result we are introducing a non-attendance fee. If you do not attend the activity and have not cancelled in advance you will be invoiced for the full cost of the unused session.

We reserve the right to withdraw advance booking privileges to those who regularly and/or frequently cancel at the last minute or do not attend.

This helps us make sure all families have fair access to activities and that valuable charity funds are not wasted.

# Support Useful Vision

---

At Useful Vision, we're proud to offer free, accessible and confidence-building activities for children and families across the North East. Everything we do is designed to help visually impaired children have fun, make friends and enjoy new experiences in a safe, supportive environment.

If you enjoy taking part in our events, please consider [making a small donation](#).

Every penny makes a real difference - helping us continue to provide exciting activities, family days out, skills sessions and events in the months and years ahead.

With your support, we can keep creating memorable moments and opportunities for children to shine. Thank you for being part of the Useful Vision community.
