

THE WOLVES AND WILDLIFE OF YELLOWSTONE

Dear UW Community,

Join fellow alumni, friends, faculty and staff, and other supporters of UW, on a trip of a lifetime expedition to Yellowstone National Park for a unique opportunity to witness packs of wolves in their pristine natural habitat. Aboard specially equipped vehicles that allow for both comfort and proximity to incredible wildlife, you'll have a chance to view wolves, bison, elk, an array of bird species and other magnificent creatures that call the park home.

Visiting Yellowstone in winter is an experience that transcends words. The air is crisp with the scent of pine trees and the promise of adventure. A serene hush envelops the snow-covered landscapes, providing the perfect backdrop to nature's drama unfolding before your eyes.

In addition to daily park exploration, you'll venture to Mammoth Hot Springs to observe the awe-inspiring Old Faithful geyser, a true icon of Yellowstone's geothermal marvels. You'll also meet an award-winning wildlife photographer at his studio and hear his stories of amazing animal encounters.

This is a small-group expedition and space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly.

To reserve, visit uw.orbridge.com, call (866) 639-0079 or return the attached reservation form.

Sincerely,

Kate Rickard
Director, UW Alumni Tours
