## Your Accommodations (subject to change)

Become part of *la famiglia* as you settle into this authentic Tuscan wine estate. Sip a glass of Chianti on a sun-dappled terrace, stroll the grounds, and admire vineyards draped with Sangiovese, Merlot, and Petit Verdot grapes.

Historical sources cite La Leccia castle's ownership was divided among 16 owners for strategic purposes. Near the mid 1400s, the Ricasoli family dominated a large part of the Chianti Classico region as well as the castle.

After being modified to serve more as a villa in the 18th century, the entire property was purchased in 1920 by Giuliano Daddi, great-grandfather of the current proprietors, and subsequently was the site of heavy bombardments during WWII that destroyed part of the tower, the last medieval testimony, and devastated a wing of the villa.

Recently undergoing more than four years of careful and rigorous restoration, the castle and the surrounding garden have returned to life.

With a focus on sustainability and the environment, the original spaces remain intact but feature modern enhancements using eco-compatible materials and technologies. To warm the surroundings, wooden floors, beamed ceilings, pastel colors, and furniture were designed exclusively for the common spaces and made by Florentine craftsmen.

Each room offers climate control, desk, LCD TV, complimentary Wi-Fi, phone, safe, minibar, and en suite bathroom with a shower or tub and shower, sundries, and hairdryer.
