DELHIVERY

A Hitachi Group Company

-  Marketing teams struggle to ensure consistent brand experience and representation.
-  BrandHUB ensures that brand teams spend time just once to get the Store right.
-  Once deployed all teams (including channel partners) can access the same brand approved merchandise.

-  Online White Labeled Brand Store.
-  3000 curated products.
-  Standardize Pricing, Quality and Branding.
-  Extensive reporting and analytics.
-  Integrated warehouse and logistics.
-  MOQ of 1 nos. No Inventory Hassle.

Use Cases

Employees:

Can buy online via direct payments.

Marketing Teams:

Hub for all Possible Merchandise ideas which can be ordered using PO system.

Channel Partner:

Platform for Buying company branded merchandise with co-branding opportunity.

RewardsHUB

Employee Engagement & Rewards

Truly Rewarding Relationships with your stakeholders.

Rewards/Gifting Programs such as welcome kits, long term service are an operational nightmare to monitor.

Coordination for dispatches, delivery, returns delays waste crucial time.

For Users, Reward programs typically means Less Choices for Users.

Online White Labeled Employee and Channel Rewards/Gifting Platform.

Engage your stakeholders throughout the engagement life cycle.

Provide a rich option of products, brand and experiences to choose from.

Integrated warehouse and logistics takes away hassles of maintaining inventory and fulfilment.

Ability to personalize catalogue for individuals.

-  Increase sales conversions.
-  Show your channel partners they are valued through our unique engagement program.

-  Unique relationship building module.
-  Courtesy calls and gifting on special occasions for your channel partners.
-  Logistics and fulfilment process entirely managed by FOXBOX Rewards.
-  Regular dashboards and reporting to the organization.
-  Flexible Deployment of gifts as per size and growth potential of relationships.

CommunityHUB

Increase Engagement

Bring Brand Deals to Your Ecosystem.

-  Brands intend to offer special services to large clients.
-  However a single marketplace does not exist for the same.
-  CommunityHub Platform allows all brands on one platform.

-  Unique marketplace platform which connect brands with Closed Group Audiences
-  Unique CommunityHUB setup across company eco system.
-  Brands can decide to extend offers to employees and overall eco-system partners.
-  Offers can be customized.
