Do You Want Your Retriever On the Cover?

We're always looking for cover photos for HUNTING RETRIEVER magazine. If you have a photo you feel is cover quality, please send it in. Following are the guidelines:

1. All dogs in the photo must be UKC registered.
2. Supply the following along with the photo - the owner's name, contact information and HRC membership number, dog's UKC registration number, and a short write-up.
3. If the photo was taken by a professional photographer, written permission to reprint must accompany the submission; for example, an email.
4. Vertically aligned photos are preferred. All photos must be in focus, of sharp resolution, and in color. Digital photos must be 600 dpi. Send your photos by mail to: HUNTING RETRIEVER Cover, 100 E Kilgore Rd, Kalamazoo MI 49002; email to: huntingretrievermag@ukcdogs.com; or via the UKC website, <https://www.ukcdogs.com/cover-dog>.

INHERENT RIGHTS AND POWERS OF UKC

*(Revised December 18, 2009)

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC.
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

Greetings everyone! The joys of training a puppy are in full swing around my house. Coma is coming up on 8 months old and progressing extremely well. Puppy teeth are gone, with obedience and marking getting most of our time now. We have big plans for her future in the

dog games, running tests, and then hunting in the off-season.

The WISILL HRC Spring Grand in Kansasville, WI, is quickly approaching with 893 dogs registered to run. Many hours of time are volunteered to make each grand happen, and without the volunteers, we wouldn't be the great organization we are! I will be running my six-year-old black lab, "Hootie," hoping for a pass, but we are guaranteed to have an awesome time. Big thanks to Tracy Stubbs, his grand entourage, and the WISILL HRC for hosting this event.

Our annual National meeting in St. Louis is also just around the corner. I am super excited to get to see a lot of my good friends and meet many more. The Executive Committee has been working hard to prepare for this meeting. Ms. Sarah Krause does an outstanding job putting together all the details for this event. She spends much of her spring getting in contact with the hotel, planning meetings, making meal decisions, and reserving rooms. Kristine Odden is such a blessing to the EC. Her financial background and work ethic are invaluable to HRC. She is very confident in her work and presents our monthly finances in a very easy-to-understand manner! Pat Johnson is my go-to for all things HRC. His passion for this organization is unmatched, and his experience is counted on heavily by me every day. I could not do my job as president without those three individuals. We are all friends and love our jobs on the EC.

Our Youth Handler Program committee is close to wrapping up all the details for the mid-year launch of the Youth Handler Program. We are super excited to give our youth this opportunity. They are our future, and hopefully, this will encourage more of them to get involved in HRC.

The Women's Handler Seminar Program has been restarted and will have its first seminar August 2nd-3rd, 2025, in Beebe, AR, at Ace Acres Retrievers. Vanessa Everett-Kotyza and Leah Spivey will be the instructors for this two-day "women only" event. We are planning to have at least one of these events every year in different locations across the United States and Canada.

I am so proud to be a part of this great organization! If you have any questions, concerns, or ideas, feel free to call me anytime.

Pat Johnson, Vice-President

Hope this article finds everyone doing well. Spring is finally here across HRC, and that means we can get out, train, and knock the rust off us and our hunting partners. It also means hunt test season is in full swing everywhere. By the time this is published, the Spring Grand will be over, and we should have several new Grand Champions, some first-time passes will be had, and a few new

Hall of Fame Dogs will go into HRC history.

There will be some youth seminars for the youngsters to get them involved in HRC, coming soon. Like I have said before, these young men and women are the future of our sport, so we need to get them involved as much as we can. Just remember, as we are out travelling, running, judging, and putting on hunt tests, to be good stewards of HRC and show respect and sportsmanship to all involved. Safe travels to everyone, and I hope everyone has a great spring running their dogs.

Sarah Krause, Secretary

Greetings from Texas! At the time of this going to press, we are finalizing the 2025 HRC National Meeting in St. Louis. It's always nice seeing friends from all over the U.S. and Canada at the meeting. Most of these friends, we only get to see a couple of times a year. The Spring 2025 International Grand is now in the books with lots of new GRHRCH dogs. Congratulations to everyone from the first

time Grand passes to the 16th Grand passes. All the blood, sweat, and tears have paid off.

Our spring hunt test season has come to a close. We had a good turnout at all of the tests we had this spring. Clubs in our region are going into early morning or later evening training sessions with their retrievers because the weather is getting warmer down here in the South. We just had our Region 12 Judges/Handlers Seminar. For my home club, we are getting ready for an event that we call the LSHRC Top Gun Shoot. This is an event only for humans, as it will be way too hot for the dogs. We meet as a club and shoot 5-stand. We take the top 10 out of all the shooters, and then the real fun begins. The top 5 from those 10 move on to the final round. Scores are cleared, and it's all or nothing. We always have a great time at this event.

Safe travels and Happy Independence Day to all of you!

Kristine Odden, Treasurer

Greetings from your National Treasurer! It's crazy to believe that summer is just about here and the Board of Directors Meeting is just around the corner. In addition, the Spring International Grand will have come and gone by the time this goes to print. If you've never gone to a Grand, you should add it to your bucket list – it's an extraordinary event to watch, orchestrated by a well-organized team, and dog work that truly inspires you.

As Treasurer, I see a lot of activity throughout the year from our clubs nationwide, as well as field reps/running rules reps, which proves we are a busy organization! Here are a couple of interesting stats from June 1, 2024, to May 31, 2025: there were roughly over 500 Hunt tests/Upland tests held, which equates to approximately 231 hunt test reports that are submitted to HRC & UKC.

On the flip side, from June 1st, 2024, to April 30th, 2025, I've issued over 270 disbursements (checks or ACH) for various expense reports, payroll, HRC expenses, etc., and that's not quite a full year yet! While I do have a couple of months where it slows down, it's great to see all this activity going on around the U.S. and Canada!

In closing, it's been an honor to serve as your Treasurer these past two years! I look forward to continuing to serve HRC through whatever capacity is needed, and to meeting new friends along the way.

God Bless!

Rev. 3/17/2025

OFFICIAL NOTICE OF THE 2025 HUNTING RETRIEVER CLUB, INC. AND HRC FOUNDATION, INC. ANNUAL MEETINGS

The Hunting Retriever Club and the HRC Foundation will host the 2025 meeting of their respective Boards of Directors in St. Louis, Missouri on June 13-14, 2025. The HRC, Inc. Board of Directors is comprised of the President of each HRC Club and the HRC Executive Committee. Each club is encouraged to send a club member or another delegate to represent them. The meeting is open to all HRC members in good standing, and they are also encouraged to attend.

A Judges/Handler Seminar will be held on Friday, June 13, 2025. This seminar is open to the public.

Sheraton Westport Plaza
900 Westport Plaza St Louis, Missouri 63146
Please make reservations by May 9, 2025 for discounted rate.

We are excited to once again be at the Sheraton Westport Plaza Hotel this year for our meeting. The hotel is located in the Westport Plaza district and offers a variety of restaurants, shopping & entertainment venues within walking distance.

To make reservations by phone, call 1-888-627-7064 and reference the Hunting Retriever Club and Sheraton Westport Plaza to receive our group rate.

Reservations must be made by May 9, 2025 to take advantage of the discounted.

Registration information will be emailed to the Club President of record.

Registration information and links to online hotel reservations are posted on the HRC website.

Please contact Tammy Cobb (269-364-2054) or Sarah Krause (214-724-9724) if you need assistance or have any questions.

Adjournment

These are recommendations of amendments from the By-Laws Committee that consists of Chairman Tommy Baladarchi, Keith Harrison, Sarah Krause, Ronnie Harwell, and Tommy Harp. Please take these into consideration. These will be voted on at our BOD meeting in June.

Hunting Retriever Club, Inc. | Proposed Bylaws Amendments

Amendment 1. Amend Article II by substituting a new Section D

CURRENT

SECTION D. EXPULSION OF MEMBERS

1. Any member of the association may be expelled by a majority of the Executive Committee voting by secret ballot for conduct by word, deed, or act detrimental to said association.
2. Any Associated Club may be expelled by a majority of the Executive Committee voting by secret ballot if such club has failed to host a hunting retriever trial open to all Hunting Retriever Club, Inc. members for a period of two years.
3. An individual member or associated Club so expelled shall have the right to appeal to the Board of Directors for reinstatement. The said appeal shall be filed in writing, with the Secretary of this association within seven consecutive calendar days after said expulsion. The appeal for reinstatement shall be acted upon at the next annual Board of Directors meeting. Reinstatement shall be granted upon a two-thirds majority vote of the voting Directors present at the meeting. Voting on said appeal to be by secret ballot.

PROPOSED AMENDMENT

SECTION D. SUSPENSION AND/OR EXPULSION OF MEMBERS/ CLUBS

1. Any member of the association may be suspended, expelled or otherwise disciplined by a majority of the Executive Committee voting by secret ballot for conduct by word, deed, or act detrimental to said association.
2. Any Associated Club may be suspended, expelled or otherwise disciplined by a majority of the Executive Committee voting by secret ballot if such club has failed to host a hunting retriever trial open to all Hunting Retriever Club, Inc. members for a period of two years, or for conduct by word, deed, or act detrimental to said association by the Club.
3. An individual member or associated Club so expelled shall have the right to appeal to the Board of Directors for reinstatement. The said appeal shall be filed in writing, with the Secretary of this association within seven consecutive calendar days after said expulsion. The appeal for reinstatement shall be acted upon at the next annual Board of Directors meeting. Reinstatement shall be granted upon a two-thirds majority vote of the voting Directors present at the meeting. Voting on said appeal to be by secret ballot.

SECTION D. SUSPENSION AND/OR EXPULSION OF MEMBERS/ CLUBS

1. Any member of the association may be suspended, expelled or otherwise disciplined by a majority of the Executive Committee voting by secret ballot for conduct by word, deed, or act detrimental to said association.
2. Any Associated Club may be suspended, expelled or otherwise disciplined by a majority of the Executive Committee voting by secret ballot if such club has failed to host a hunting retriever trial open to all Hunting Retriever Club, Inc. members for a period of two years, or for conduct by word, deed, or act detrimental to said association by the Club.
3. An individual member or associated Club so expelled shall have the right to appeal to the Board of Directors for reinstatement. The said appeal shall be filed in writing, with the Secretary of this association within seven consecutive calendar days after said expulsion. The appeal for reinstatement shall be acted upon at the next annual Board of Directors meeting. Reinstatement shall be granted upon a two-thirds majority vote of the voting Directors present at the meeting. Voting on said appeal to be by secret ballot.

Rationale: As written, the Executive Committee only has authority to expel clubs and members. The Executive Committee should have flexibility to handle or manage a lesser violation.

Submitted by the Bylaws Committee and recommended for adoption.

Amendment 2. Amend Article V. Committees, by adding a new Section D and renumbering the existing sections.

SECTION D

COMPLAINT REVIEW COMMITTEE

The Complaint Review Committee ("CRC") shall consist of 5 persons appointed by the President. Each member shall serve for four years. Should any member of the committee be removed or unable to SERVE their term, a replacement shall be selected by the President. Any person replacing an elected member shall serve until the original member's term would have expired. TERM LIMITS: No member of the CRC may serve more than two consecutive 4-year terms.

The President shall designate one of the members as the chairman of this committee. The Chairman shall select a member as Committee Secretary, charged with faithfully

Rationale: Responses to complaints by an independent committee allows for a more thorough investigation. The ultimate decision is still in the hands of the Executive Committee after the findings of the CRC.

Submitted by the Bylaws Committee and recommended for adoption.

recording minutes of all meetings of the Committee.

The Executive Committee may forward any complaints filed with it to the CRC for investigation. The minutes shall be available for inspection at the Board of Directors Meeting, PROVIDED all names and personal identifying information (address, phone number, email address, etc.) of any persons contained in the minutes shall be redacted and may not be released without the written consent to such release by the person so identified.

Upon receipt of a formal complaint from the Executive Committee, the CRC chairman shall distribute copies of the complaint to each member of the CRC electronically as soon as practicable. A brief email, electronic or telephone conference

of the committee shall be held within 3 days of the receipt of the complaint to ensure its receipt by all members and to schedule a meeting to formally review the complaint. The chairman, or another committee member at the chairman's direction, may contact the person filing the complaint, the responding party, and/or any member of the Hunt Committee of the club where the complaint was filed, if the committee feels further or clarifying information is needed. Within 31 days of the chairman's receipt of the complaint, the CRC shall present the results of its investigation via email to the Executive Committee, including: a brief summary of the allegations, a complete list of steps taken by the CRC in its investigation, and the conclusions of its investigation.

Amendment 3. Amend Article III, Section A, second paragraph by inserting "or until their successors are elected" after "two years."

CURRENT

All elected officers shall hold office for a term of two years: except for a term to fill a vacancy which term shall be until the next regularly scheduled Election of Officers. No elected officer shall be eligible to serve more than two full two-year consecutive terms in the same office.

PROPOSED AMENDMENT

All elected officers shall hold office for a term of two years or until their successors are elected: except for a term to fill a vacancy which term shall be until the next regularly scheduled Election of Officers. No elected officer shall be eligible to serve more than two full two-year consecutive terms in the same office.

WOULD READ

No elected officer shall be eligible to serve more than two full two-year consecutive terms in the same office.

Rationale: Suggested language from *Robert's Rules of Order Newly Revised*, 12th Edition, to ensure officers can stay in place in the event of an emergency situation until new officers are elected.

Submitted by the Bylaws Committee and recommended for adoption.

Amendment 4. Amend Article X, Parliamentary Procedure, by substituting new paragraph.

CURRENT

ARTICLE X: PARLIAMENTARY PROCEDURE

SECTION A. Robert's Rules of Order shall be accepted as a basis of Parliamentary procedure in all meetings of the Hunting Retriever Club, Inc.

PROPOSED AMENDMENT

ARTICLE X: PARLIAMENTARY AUTHORITY

The rules contained in the current edition of Robert's Rules of Order Newly Revised shall govern the Hunting Retriever Club, Inc. in all cases to which they are applicable and in which they are not inconsistent with these bylaws and any special rules of order.

MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

UPLAND TRAINING FOR RETRIEVERS

Part 2: Steadying to Wing and Shot

Rich Carpenter | 22039 County Rd 9, Weldona, CO 80653 | rich@theriverbottom.com

THOUGHTS ABOUT STEADYING

Before moving on in training, a decision will have to be made. Will you steady the dog to wing (flush) and shot (bird killed), or only to wing, or neither? If you don't want all the birds in the country disturbed and others in your party to hate you and your dog, you will at least want something close to steady to flush. At the bare minimum, you need little or no chase after the flush, to avoid disturbing ground and possibly flushing other birds out of range. Been there, done that with a guy and his dog I never hunted with again! Some hunters will argue they want their pheasant dog to break at the shot and/or the fall of the bird, to reduce the number of lost running cripples. That may have some advantages, and do as you will.

Before you opt for this way (and it is clearly the easy way out), think about whether this kind of breaking will be likely then to creep into the duck blind and non-slip

retrieving aspects of the dog's work. Maybe you can keep the difference clear to the dog. Also, think of the dog safety aspect. Do you always hunt with the same people, and never with people unfamiliar with hunting over your dog? Some pheasant hunters (especially dog-less ones) have a tendency to ground sluice running cripples. If you have a dog breaking on a close cripple, you may have a shot dog instead of a shot cripple. Make your own decision; there are at least two schools of thought for hunting with the flushing dog.

However, aside from what most feel is optimum steady or not in a hunting dog, those who will run their dogs in Upland HRC tests will have to have their dogs steady to wing and shot to succeed. If approached right in training, it is not that hard to have a very reliable, steady to wing and shot, both hunting and upland testing. My current dog is steady as a rock on quail and pheasants and has run 20 HRC upland tests and never broke. When I ran and hunted her sire, he accumulated 200 HRC Upland points

And it's time for the licensed HRC Upland test to start, with the judges outlining the test, reviewing gun safety and getting ready to let the handlers see the test dogs run. Courtesy of Joe Olson.

and hunted pheasants in South Dakota for 10 days a year for 9 years. And never broke in either situation, and was a hard-driving and hard-flushing retriever. And the people I hunt upland with expect that of their dogs.

But pretty clearly, steady to shot is a little like religion and politics: if you think one way, the guy that does it the other way is wasting breath and time trying to convince you to change. It's probably pretty clear that I'm in the steady to wing and shot camp. ALWAYS. That's how I hunt. And there's one argument I've seen from the pro-steady camp that I've not seen refuted by the other side. If hunting in a location with a great pheasant population, shooting a double is something done every now and then. If the first bird shot is a long fall but graveyard dead, and the 2nd one shot will be a runner, good luck with your breaking dog marking that second bird! And really, unless you get tongue-tied, how long does it take you to say "Rover" or "Back" to get your dog instantly in retrieve mode? But as my sainted mother used to say, "'Everybody to their own taste', said the lady as she kissed the cow."

As we move to the planted, live flying birds, we will opt for the easiest and shorter way to achieve steady. Some will encourage the young dog to break and chase flyers vigorously, and later even shoot the flyers and let the chasing dog get the retrieve. They also mix in a lot

of floppers to build a hard-driving flush. We don't need that flashy flush, and not letting the chasing and breaking start will sure make steadying to wing and shot easier. Also, you'll avoid messing up the steady you have already achieved on the retriever work, if your dog is already at that stage. You'll use a few floppers (clipped-wing so can't fly), but you won't need many, if any, floppers, as most dogs will begin trapping some pigeons on the ground or catching them in the air as they flush. I've forgotten which old retriever training book, but it held that we should never be teaching anything that needed to be untaught. That made a lot of sense to this trainer.

If you haven't got your dog drilled thoroughly on stopping on one short, sharp whistle, and steady on dummy and bird retrieves, forget about this until you do, unless you are willing to teach them to break and then knock that out of them. Having tried it both ways, I sure prefer the easy way. The pheasants won't judge your dog on the style of the flush. Having your dog conditioned to be in control from the start is so much easier than trying later to eliminate a breaking problem that can be as hard as any to deal with— believe me! With the proper approach, the dog getting into the habit of "when the bird goes up, the rear end goes down" does not need to inhibit hunting desire and style. The method outlined here has seemed to work very well for quite a few hunting

retrievers.

BEGINNING TO STEADY TO WING AND SHOT

Some dogs are harder than others to get to quarter. Some seem to do it naturally, especially if given plenty of field exposure and a chance to explore as puppies. It's the same with sit to flush. Some dogs sit more naturally and reliably than others. And early obedience training really comes into play here. If you have conditioned your young dog to always sit on the first whistle, when those first few flushes and flush and shot arrive, it's much easier to begin right away establishing the desired response and speed up it becoming the norm and conditioned solidly. If you are new, it really is possible and really does work.

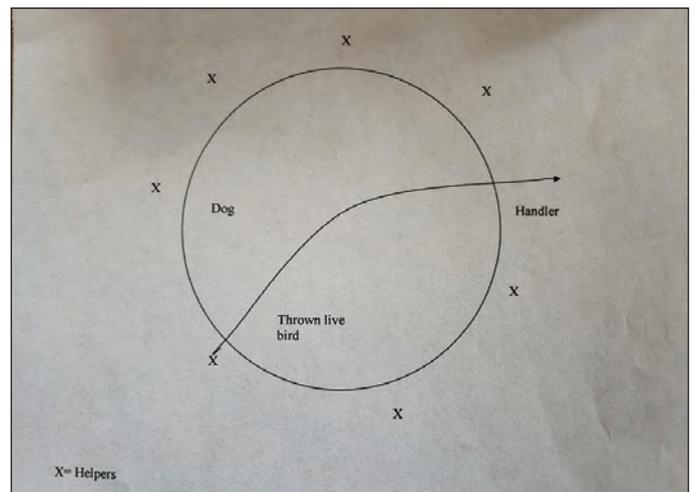

There are several exercises to use to begin steadying the retriever to wing and shot that are taught and drilled separate from the quartering. Let's start with steady to shot. This is basically a conditioning exercise. If your dog has not been introduced to the gun, get a good retriever training book and get that done before commencing. Now walk your dog at heel and fire a .22 blank and command sit (voice and whistle). Practice this some and then extend it to when the dog is off leash but close to you, and later move up to a popper in a shotgun. Have someone else fire it from a distance of perhaps 20 to 30 yards to start and repeat the drill above with the dog on leash and then off leash and away from you. If you are standing around when others are training and poppers are being used, take advantage of the shots. Walk the dog at heel on leash, and command "Sit" when the shot goes off. Getting this conditioned takes a while. Eventually,

this will become habit to the dog, but always be ready with the voice command or whistle. Be considerate of the dog's ears in this drill, and earplugs for you are good.

Steadying to wing (flush) can be introduced the same way. You will need to waste a few fly-away pigeons here. Walk your dog on heel and have someone toss a flyer on the ground fairly close to you. It will fly off. Command "Sit" with voice and whistle. Do this a few times. Now plant a few pigeons at marked locations (fluorescent surveyors' tape works well), walk up with the dog on leash, and flush each one. Command to sit with voice and whistle. Next, combine this drill with someone firing a .22 blank and then a shotgun popper. You can get several flushes out of a bird on different days if you tie a string to both legs and anchor the cord to the ground for your walk-up flush or use a spring-loaded trap.

As with regular hunting retriever training, to use the e-collar on your dog in upland training without having thoroughly gone through your choice of respected collar conditioning programs, you have no business using it. No ifs, ands, or buts!

Now with the dog still on leash, get someone to throw up a flopper pigeon and have a dry shot. Again, command sit verbally and/or whistle until the dog doesn't need it. If the dog sits without command, then send for the retrieve. If there is any unsteadiness, have your helper pick up the bird. Even later, when you are shooting live birds, don't let the dog retrieve them all. Go out yourself and pick up some close ones, or have a helper pick up the bird. This will help with steadiness and really help

With dog sitting inside a circle made of handler and helpers, one helper throws the live bird to fly past handler, so that if dog attempts to break, the handler can stop the dog. If bird goes a different way, a helper intercepts the dog. As dog progresses it is allowed to flush the bird within the circle, and finally, bird is flushed, shot, and retrieved (if dog steady!)

Sure is nice when the quail are there, a couple UH titled retrievers playing vacuum cleaner, and the hunters shooting well. Not the kind of cover Aldo Leopold was speaking of in this quote: "A thicket without the potential roar of a quail covey is only a thorny place."

honoring from the line in regular tests and out in front of the guns, upland hunting, and testing.

Next, repeat the above drills with the dog at heel, but off leash. Remember, no retrieves unless perfectly steady.

One more set of drills before getting the quartering and flushing put together: this is the old circle-of-linebackers drill. Get enough people to make a circle about 10 yards or so in diameter. The handler takes his place in the circle with the dog sitting in the middle. A helper close to the handler throws a flopper up on the outside and behind the handler. If the dog breaks, the handler (or someone else) prevents the dog from getting to the bird. A check cord dragging can be helpful. After this is solid, a flyer can be thrown over the dog's head, hopefully to fly over the handler. Then a bird can be thrown to gently bounce off the ground and fly off. Finally, get the dog in the circle, but on the far side, and have the circle in some fair cover. Dizzy a pigeon and plant it in front of the handler. Give it

time to recover. The sitting practice will be good for the dog. When the bird recovers, have the handler release the dog or call the dog to him. Same drill, but add a popper and the whistle/voice "Sit" command as needed. Let the bird fly away. Once this is quite solid, station two live gunners, one on either side of the circle. Same drill, but if the bird flies a safe direction, have the bird shot. Handler (who is in the circle or part of the circle), watch only the dog— and closely! Let the dog and the gunners worry about the bird. If the dog sat and is absolutely steady, and a safe shot, the gunners take it and send the dog for the retrieve.

Any time the dog does not sit at the flush, remember there is no retrieve allowed, and the handler gently but firmly forces the dog to sit. Remember, just one whistle or verbal "sit," then enforce it. When the dog is not completely steady and either breaks or creeps, rustle your stumps out to the dog and put it back where

Here we see a dog whose owner will not be going home with an HRC Upland test ribbon. This isn't what we are looking for in steady to wing. Photo courtesy of Joe Olson.

A spring-loaded trap like this can be a great help in conditioning the young dog to the notion of "When the bird goes up, the rear end goes down." My son opted for this kind of conditioning after seeing my Lab, about 4 dogs ago, compete for the worst breaking retriever west of the Mississippi.

it started, and "sit" the dog. The repeated observation that he cannot get away with it is more important than a harsh correction. Later, when the dog knows full well his assignment, and still breaks, a brief application of the leash or e-collar may be needed to reinforce the correction. This same approach will be used in the field when the flush is put together with the steady. I've not covered the use of the electronic collar here. If you are an experienced collar trainer, you can see the points of relevant use, depending on your collar approach. If you are not a collar trainer, this will show you how to accomplish your steadying chore by conditioning without a collar and save you a lot of wear and tear on your boot soles and riding crop. 🐾

THE CONNECTION

By Lynne Frady

All of us have the desire to be connected. How we are connected is different for everyone. Some like to be connected by face-to-face encounters, and others through a device. It does not matter if we are shy, bold, stubborn, or timid; connection is how we know where we belong, how we learn, and that we are safe and loved.

Dogs are no different; they, too, want to feel connected to learn and to be loved and safe. With this, there is a great responsibility for us to teach and train our dogs. In order to do this, they are connected to us from our first encounter through a collar and a leash. Let's explore the collar progression from young pups to adult dogs and how this connection aids in training.

Dog collars come in every shape, size, color, and configuration. I would say one of the most asked questions I get is what type of collar should be used. More and more obedience trainers in my area are leaning into "positive training." This type of training is done on a regular buckle collar and a truckload of treats. You reward the dog when they give the correct response to the command you request. The hope is they will learn with only positive reinforcement.

There is also harness training, which I see a lot of where I live. The dogs happily drag their owners along. The harness is to prevent any injury to the dog's neck, trachea, and throat is the theory. There is also clicker training, which was developed by BF Skinner in the 1930s

and evolved from dogs to marine mammals by Karen Pryor.

There are so many types of training methods that it is easy to get lost in the weeds. Let's not forget YouTube and the millions of videos and books that you can delve into. There are so many types of training methods that it is easy to get lost in the weeks. How do you pick which one is the best for you and your dog?

I have tried many types of training over the years with my obedience dogs and my field dogs, but I keep coming back to pressure training. Pressure training is where pressure through the collar is used to get the dog to understand the desired action. This type of training has been used on horses for years as well. Pressure with a horse comes through your legs and the reins.

Let's explore the progression of collars that I use from puppy to adult. I start with a standard buckle collar on pups. It is extremely small, and I prefer that it be made of webbed material. This way, as the pup grows, you can adjust the collar without the need for the holes. I use a buckle collar on pups until they get a little more high-minded and require more pressure than a buckle collar can deliver. That is usually around 4-6 months old. Of course, all dogs are different; I started using an e-collar on Sky when she was 4 months old. She was well past high-minded, lol.

The buckle collar is the beginning of the progression and for everyday wear. The small pink one has no designated holes, and the keeper can be placed anywhere along the length of the collar. The black and large pink collar has designated holes. The smaller webbed collar is great for rapid growing pups. The buckle collar is a great place to start with basic commands.

The next collar I progress to is a chain collar, referred to as a choke chain. Have never figured out why they call them choke chains; they are NOT used to choke a dog. They are used to deliver a quick pop of correction, and the amount of pressure you use can be easily adjusted simply by the amount of force behind the correction. For most of my obedience clients, this is the collar they use

and rely on. Anyone can effectively learn to use a chain collar with great results.

This photo has a chain collar, a very old slip lead, and a martingale. The chain collar is used when the buckle collar is no longer effective, and your dog needs pressure delivered differently to obtain the desired result. The slip lead and martingale collars are also an option for dogs that are timid, yet the buckle collar is not effective.

The next collar of choice is the e-collar, the most feared and dreaded collar to most people. That is because there are such horror stories about them that people are afraid of them. Which, in truth, they are just the opposite. They are one of the greatest training tools invented when used correctly. I have obedience clients in their 70s with terrible arthritis who can not use a chain collar due to their hands being drawn. The e-collar gives them the freedom of being able to train their dogs with a mere push of a button and learning how to use the collar properly.

The e-collar was invented in the 50's and was large and cumbersome with three settings. The evolution of the collar has made for smaller collars and transmitters with many settings; they now offer stimulate, vibrate, and tone settings. These collars are also a great tool for all dog training applications, especially retriever training. One thing you may notice in the photo is that the collar does not have a D-ring. Sky wears an extra buckle collar with her e-collar. The reason is so a leash is not attached to the e-collar to prevent more pressure being applied to the collar with the leash when you use stimulate.

I refer to an e-collar as an extension of a long line. It is impossible to deliver a correction to a dog 50 yards from

you, but with an e-collar, all things are possible. I have heard every negative word that people can use on both chain collars and e-collars. These are usually the same people who want to use harnesses and flexi-leads so their dog can be free.

I will admit getting clients to try chain collars and e-collars is no easy feat at times. Mostly due to a lack of education and what they have heard their friends tell them about their neighbor's dog, Fluffy, whose trachea was crushed by a choke chain. I promise that in forty-three years of training all breeds of dogs, I have never caused an injury to any of them with a collar.

On that note, is it possible to cause injury with a collar? The answer is yes. If a dog is allowed to continually choke itself with the collar, damage can be done. If this is the case, it means that the collar was not used properly, and it's the owner's fault for not using the collar in the correct way.

There is also much discussion on prong collars. They, too, can be abused when used improperly, and this type of collar can impale the dog's neck when they are abused. I personally do not use prong collars. If the owner can not get the desired result from a chain collar, I will switch them to an e-collar. This is a much easier progression for both dog and owner.

I am sure most of you have heard the horrors of the e-collar, and I will be the first to admit that I have seen many retrievers ruined with an e-collar from improper use by their trainers/owners.

So, what is the best collar to use that will not hurt a dog? The one that is used correctly. Even a buckle collar can harm a dog without being used appropriately.

If you are new to the retriever or obedience game, find a trainer and the equipment that will help you and your

dog be successful. I will not discount the people who are on YouTube who have countless videos on how to train your dog. The only problem that I have with that is that when you and your dog have an issue that is not in the video, where do you turn?

This is where trainers, HRC clubs, and training days come in. You will have access to a wealth of knowledge and experience, and there will be people who will be happy to help you and your dog find the right equipment, how to use it properly, and what you will need to do to have a well-behaved, well-trained retriever. You will make great personal connections that will be invaluable to both you and your dog.

Nowadays, AI is everywhere; it can write papers, answer emails and questions, and help your children with their homework. It will even do their homework for them. I have a friend who works in an IT department that has AI writing manuals in a matter of hours, not years, that it would take humans to do. Will there be a day when an AI-generated robot can train our dogs? I have a feeling there will be.

I guess I am a little old school for my own good at times, AI is scary to me. I prefer my connections to be on a personal level. I want to connect with my dog and do the training myself with the proper collar and equipment. Connections are powerful, and I am sure that will not change till the end of time.

Connect with your dog through their collar, their mind, and their heart. Connect with people in your HRC club to help you gain the knowledge to be successful. I guarantee those connections will last a lifetime. There is nothing that can replace the connection.

Until next time, keep your nose in the wind!

ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.
- The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.
- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.

- Very Important! If you are emailing photos, please send each one as a separate attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.
- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- *If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

Essex HRC – Submitted by Kevin Miller.

We just completed our 1-day Spring Hunt test. The weather was not on our side, a cold, rainy day, but we had a great turnout, and everyone endured the weather with great dog work. Special thanks to everyone who helped make this day a success. It's been a long Winter, and it was good to catch up with Old Friends and make new ones. The Club is now busy training and getting ready for our 2-day summer Hunt Test this July. We hope to see everyone there.

Lake Ontario HRC – Submitted by Mikayla Wilson.

With our June hunt test just around the corner, LOHRC members are gearing up and getting ready for the season. It's been great to get back to an every 3-week training schedule with the club; we have been able to welcome brand new members and welcome back existing ones. The nice weather lately has really helped us get a head start on cleaning up our test sites. Chainsaws, weed whackers, and pond clean-up have been in full swing as we get everything prepped and ready to go for the hunt test. We've been putting the work in to make sure the sites look good and are safe for the dogs. It's all hands on deck as we get closer to the big weekend!

This year, our Finished flight filled up faster than ever, and a 2nd flight is something we will consider for next year. Our raffle table continues to grow, birds have been delivered, and the dinner menu is being finalized. We are very excited to see everyone in June!

Luther Marsh HRC – Submitted by Erica Wilson.

We are pleased to say that we had the very best upland test this past March. We would like to thank our amazing judges and club members who always make everything the best it can be.

As the weather warms up, we are ready for some really great water work. We have been able to host our first water training day recently, and I can say we had an amazing turnout. We set up marks and blinds, which allowed our club members to work on de-cheating. As always, our club members are there to help each other through training obstacles and give advice if you want it. We have a wealth of knowledge in our club, and we are not afraid to help a fellow trainer out. All levels of trainers are welcome. We all started somewhere, and we all get to the finish line in one way or another.

We look forward to our regular hunt test in August. We currently have 2 Finished flights, all booked up, and looking at a wait list. We will continue to look at the waitlist and see if we have enough interest for a third flight. I just cannot believe that our club has gone from 4 people to the amazing 35 person/family members. We are just the most amazing club, and I am so proud to be a member of it.

We are looking forward to our clean-up day for the hunt test and our regular training days. If you would like to join us for a training day, please feel free to email us at luthermarshhrc@gmail.com

If you are thinking about coming to our hunt test, please let me know asap. Should be one amazing weekend, August 9 and 10. We look forward to seeing you all there.

Conowingo HRC – No report submitted.

Granite State HRC – Submitted by Jeff Enos.

GSHRC would like to thank our members who came out for our recent upland training day and the following upland test. The test was a repeat success held at Markover Game Farm. On Day 1, the temperatures were in the mid-80s, but there was enough shade to keep the dogs comfortable. The day concluded with a light cookout and a fantastic storm with lightning and thunder. The storm cooled the temperatures for Sunday.

Welcome to our new members, Troy Brown and Jeremy.

Congratulations to the handlers who titled on the upland, Tony V., and his dog Mamma Mia's Bucca Shot.

Congratulations to new member Jeremy on the first 2 of many passes with his dog, "Oca."

Good luck to those attending the Spring Grand. Tommy B. (Lily, Pia, Luna, Bear) and Jeff E. (Whiskey & Ben).

Jeremy and Oca, big smiles.

Guns Up HRC – Submitted by Phil Magnuson; Tim Soucy, President.

We're at the end (hopefully) of a long New England winter and getting out to train. We had a nice outing at the Eastern ME Sportsman's Show in Orono, ME, in March, where several of our dogs got to swim in the University pool! Club members Matt Johnston, Tim and Patsey Soucy, Danielle Withee, and Kathy Matcalf were joined by Eric and Melissa Bartlett at the Show.

Altogether, they presented two Stage demonstrations led by Matt Johnston and four Water demonstrations in the pool. During the Water demonstrations, they showed what each level's water test looks like, and a couple of dogs in transition from Starter to Seasoned and Seasoned to Finished. During the stage

demonstrations, Matt covered the importance of having a solid foundation of obedience with real-life applications and had a Q&A with participants. Thanks to all who participated—a great way to promote our sport.

Looking forward, we have a new Hunt Test date! Our 20th Anniversary Hunt test will be held in August, with two flights of Finished, a barbecue tailgate, and a raffle. We hope to see many of our HRC friends there.

Lake Audrey of South Jersey HRC – Submitted by LuAnn Riebel.

Recently, Lake Audrey HRC held its April Hunt Test. This year our hunt test was on Easter; this happens every three years. Linda Harlow attended and took part in the Linda Harlow Easter Egg Hunt for the children. The child who found the golden egg won a huge basket filled with all kinds of fun things for kids and candy, of course. It was a special Easter weekend. Lake Audrey HRC held a second Finished Flight for the first time. It was quite an experience, to say the least.

Everyone enjoyed our tailgate held on Saturday. There were loads of good food and great items for the raffles. Many ribbons were handed out during our ribbon ceremony. Congratulations to all those who received ribbons for passing or Titling. A special congratulations to my husband Jim and our dog, "T", titling in Finished! Also, congratulations to all of our club members who passed or titled. We want to thank all the Judges, all those who helped, worked, donated, and supported the club. A thank you to all those handlers who came out and ran our test and supported the club. Thank you to everyone

for making our hunt test a success. The club's annual picnic is next on our calendar. All members are invited to a great day of fun with friends and enjoying the great cooking by Chef Sean! The planning of our August Hunt Test has already started, so mark your calendars. Training continues every Sunday, weather permitting. We hope that everyone has a wonderful and safe Memorial Day and July 4th, and a summer of fun and excitement!

HHHRA will host its annual HRC hunt at the end of June at Stewart State Forest in Montgomery/New Windsor, NY. We have an excellent panel of judges, plenty of ducks, and we hope for a solid turnout from the regional dog/handler teams, along with some fine dog work. Entries open on HuntSecretary on the third weekend of May. Come out and join your fellow HRC members for a great weekend.

Hello HRC Family, Backwoods HRC would like to formally thank everyone who ran and volunteered at our Spring Hunt Test. We had a great group of dogs, and their performances reflected high pass rates at all levels. Several club members, their dogs, and families traveled across Region 3 and many others to campaign their retrievers over the last few months. Congratulations to everyone and their dogs who achieved new titles and accomplished their goals this Spring. Train hard and safely this summer and hit it hard in the fall.

Hello all. It had been great seeing everyone around the southeast this spring. We always enjoy seeing old friends, but this year we have been fortunate enough to make many new ones too.

Members of Middle Ga have been busy the whole test season. We hosted our spring test, several members have supported other clubs and given back to HRC by judging at hunt tests. Some have been running events, hunt tests, and SRS, too. We have seen several dogs and handlers achieve milestones from Started titles to HOF and even retirement runs.

Here comes the heat, so everyone use caution and common sense while training.

See you at the line.

Greetings, Retriever lovers! Old South is coming off an excellent Spring Hunt Test! We are so thankful for the opportunity to do what we love with our dogs. We were especially proud to host the youth handlers' event, in which we had 17 participants! We had a tailgate to follow and remembered what HRC events are all about! Let's keep the tradition going. See you at the line!

Hope to see you soon. In the meantime, we will be training on the weekends and preparing for the Fall. Everyone have a fun and safe Summer!

CFHRC recently hosted its Spring Hunt Test, and we're proud to say it was a resounding success. The weekend brought together passionate handlers, skilled retrievers, and dedicated volunteers for two days of impressive teamwork and sportsmanship.

With spring behind us, our attention now turns to the Fall Hunt Test, scheduled for November 2025. We're excited to welcome returning members and new faces for another opportunity to test, learn, and enjoy everything this sport has to offer. Stay tuned for more details as we get closer to the date.

Whether you're aiming for your first ribbon or your next title, we're here to support each other, celebrate progress, and keep the tradition of hunting retriever sports strong in the Carolinas.

As I sit here writing this article, I am getting distracted by a whole family of squirrels attacking my bird feeders! Somehow, they manage to shimmy up the pole that does not have a baffle, jump onto the feeder, which then dumps all the food onto the ground for their friends to enjoy! Time to grease the pole. Times like these are when I wish I knew how to shoot a gun. However, we are in a tight neighborhood, and I am sure someone would call the sheriff! Would be hard to explain that I was defending my property.

Midlands held their spring hunt test back in March. This is probably only the second or third time in all the years that Don and I have been Midlands members that we have not been at our hunt. But according to Club President Steven Highsmith, the weekend was a success. There were a lot of new faces and new handlers, so we hope we got them "hooked!" Thank you, Colby Williams of Top Line Retrievers, for allowing us to use your property for the event. The entries started out small, but come the day of the hunt test, the entries expanded to almost full flights. Cherokee Foothills HRC was also on the grounds running an upland test so that people could go from one test to the other if they wanted to try their luck at upland and perhaps put a title on their dogs for that event.

A big shout-out to Shawn Radford and his dog, Rye, for passing the Midlands test. Rye had 2 Grand passes (thanks to Rett Riddle), which would have given him the Grand title, but he did not have the required 300 points under his belt. Shawn has worked diligently since the fall Grand to put the finishing points on his dog. Congratulations on both the Title and the passes to attain it.

Some of our members ran dogs at the Cherokee Foothills regular spring hunt and were successful. When dad's away, mom will play, and that was the case when Ann Mitchell ran Larry Mitchell's dog, Missy, and gained her third Started pass. Way to go, Mom! One more to go for Missy's SHR title. Also having a successful weekend was Steven Highsmith, our Club President, and his dog, Wild Bill's Journeying Jack. They went two for two to get Jack's Seasoned Title. Congratulations.

Club member Drew Ellyson has been busy sitting in a judge's chair so often that his poor dog, Cypress, hasn't had a chance to show her stuff. But friend Jeff Ervin took the reins and ran Cypress at Dogtown Retriever Club's event and

got her through both days. Not bad for handling someone else's dog who has never met you!

Don and Ali have been busy running Finished tests in preparation for the upcoming Grand. Ali sure loves what she does and can't wait to leave the retrieving line! She passed 5 out of 6 tests from Coastal Empire, Dogtown Retriever, and Old South. All good tests with good judges.

That's it from here. As I always do, I wish you a safe and happy summer and remind you to be careful in this southern heat and to be sure to keep yourselves and your dogs hydrated.

Central Florida HRC — Submitted by Carol Caito; Ray Caito, Club President.

The summer temps have been steadily rising in sunny Florida. Training dogs down here is definitely a challenge, as we have to always be on the lookout for our dogs overheating. We have a short window of time, early morning or early evening, to get the dogs run during the coolest hours, and cool is kind of a misnomer, because the only thing cool about our weather right now is going inside to the AC.

Our club training days continue to focus on advancing dogs to the next level. Our young dog training co-chairs, Kelli and Sue, are working diligently with the beginner and transition dogs to gear the training specific to each dog and give club members guidance and homework so that the next training day, they can teach the next step in the process. Clint Beaty, our advanced dog training coordinator, is working with the older dogs, who have run at least one finished test. The advanced training days have focused on handler and working dogs, utilizing drills and specific concepts to raise the level of performance for the team. Handlers have been learning expanded techniques related to corrections so the dog learns the desired

result(s) and responds more consistently to increased challenges in the field. The training days usually involve the ability to run your dog several times during the training day and receive individual feedback while also allowing everyone to observe and pick up other tips as the day evolves.

Several of our members have attended our 'local' fellow HRC hunt tests, and local down here is like a 5–6-hour drive. Congratulations to all who earned passes. Big congratulations to Melissa Grant and Johnny, who earned 1,000 points at Dogtown this spring! We are so proud of you.

We hope you all have a great summer and look forward to seeing everyone again in the fall when our hunt test season begins.

Our March and April training days were well attended by members and their dogs. We had a good mix of breeds, with flat-coated, curly-coated, and golden retrievers outnumbering the labradors, along with one poodle and a Boykin spaniel. The land and water marks were set up and modified as needed for the skill levels of the dogs. Pictures are from these training days.

In April, we held our annual meeting and election of officers. John Spivey and Susan Poole are continuing in their roles as President and Secretary. Andy May and Kathy Pickrell will serve as Vice President and Treasurer. Alan Turner, Rhonda Shifferd, and Tracy Pollard round out the team as board members. We discussed ways to improve our hunt test next year and how to attract new members. We also talked about our concerns and actions we can take in response to a Florida legislature bill related to sterilizing or licensing all intact female dogs over 6 months of age. We will be holding an HRC Judges/Handlers Seminar in Jacksonville, FL, on Saturday, July 19, by Alan Wilcox (CFHRC member and Field Rep for Region 4B). Music City had a great weekend at our Spring Hunt Test. On Saturday, we contended with heavy rain but luckily no lightning. We tell people all the time we are never full and will add flights to accommodate handlers if we can find judges. We lost about \$700.00 this weekend because we added flights and had to fly judges in. We will always add flights if we can, but just because it's a big test doesn't mean the club will

profit.

We were short 66 dogs from being full: 30 Started dogs, 7 Seasoned dogs, 29 Finished dogs.

Thanks to the judges and handlers who support our club and what we try to accomplish.

West KY HRC has had a busy early Spring season. On February 9, the club had a tower shoot and banquet at Calvert City Gun Club. It was a great opportunity for members to train their dogs and practice their skills with shooting pheasants. A great potluck lunch was served with members in attendance and Jimmy Rogers BBQ. A Club meeting followed with a discussion on upcoming events and various topics. It was a fun day.

The Spring hunt test was March 15th and 16th at West Kentucky WMA. All levels participated in both days' tests. Started had several new participants that qualified. The Club would like to thank all the participants who entered, the judges who were encouraging, especially the new folks, and the Marshall County FFA members who worked as bird techs all weekend. We look forward to seeing everyone again in the Fall. April 20th was training day at West KY HRC member Ken Hough's farm. Several members participated, along with new folks learning the sport. It was a great day for training on their beautiful property. Best of luck to all participating in Spring and Summer trials! We are hoping for more training days this Summer and welcome those who are new to the sport to come along with us and join the club. We encourage you to visit our Facebook page (West KY HRC). Well, it's only the first week of May, but the year is starting out pretty good!

First, I would like to welcome new members Robert Garber and his son, Bam, to OHRC. Please welcome them to the fold when you meet them. They are bringing a very nicely-bred little girl named Pebbles with them!

Other members, Cher, Steve, and Randy, all added multiple upland passes to their dogs the last couple of months. We started the year out nicely with our pups, Jr and Lainey, both going 4 for 4 to earn their upland titles.

We are currently locking down the last few judges for our annual fall test in September, and I can guarantee it will be a great group. Once again, you don't want to miss The Dance! It will be a great time! We also just had a very nice training day at Pioneer. I think everyone got in some good work, and the dogs are looking pretty good!

In closing, I have to share some bad news. Region 7A lost a truly great member early this morning. John Nowakowski passed away suddenly this morning, May 4th. John was truly a great person, friend, and judge. Together with his wife, Barb, they could always be found working behind the scenes to make their club's test the best it could be, along with all their charity work. One of John's favorites was working a disabled veterans hunt every year. No matter how much his own ailments were bothering him, he was working to make someone else's day better—just a great human being. Please keep all of his family and friends in your prayers.

Southern Michigan HRC – Submitted by Todd Burger; Larry Fischer, President.

Springing into Action! As the weather warms and spring unfolds, Southern Michigan HRC is buzzing with activity, welcoming an exciting influx of new members and their young dogs. This fresh energy is matched by the wisdom of several senior members, who are dedicated to mentoring the next generation of handlers and continuing their own dogs' training journeys.

The club recently celebrated a successful upland hunt test in early spring, showcasing the hard work and dedication of its members. With preparations already underway for the upcoming hunt test in August, there's a palpable sense of enthusiasm and determination in the air.

To keep the momentum going, Southern Michigan HRC offers a variety of training opportunities designed to accommodate all skill levels. Members can participate in small training groups, take advantage of club training days, or join Wednesday evening classes. Notably, the club has scheduled two specialized training days focused specifically on marks and blinds, ensuring that handlers and their dogs can

sharpen their skills in these crucial areas.

With plenty of good weather on the horizon, the club is poised to remain highly active over the next few months. The combination of dedicated training, mentoring, and camaraderie promises to make this season particularly rewarding for everyone involved. Southern Michigan HRC is excited about what lies ahead and invites all members to take part in the vibrant training atmosphere as they continue to grow and succeed together in their passion for hunting and retrieving.

We are saddened to report the passing of John Nowakowski, who was one of our longest-serving members. John was a gentleman who made many contributions to our chapter and to the HRC as a faithful member of our organization. He was also a well-regarded judge at many tests. This spring, our members have been getting ready for the approaching hunt test season. Weekly training sessions have been well attended. At present, we are hosting a hunt test in May and another in August. Wishing everyone a great start to the 2025 hunt test season.

Groups. We are saddened to report the passing of long-time Badger State HRC member Jay Peck. Jay was a great member who always brought his special sense of humor to all club events. He will surely be missed. Remember, we will be celebrating our 30th Anniversary hunt this July 26th & 27th at the Richard Bong Recreation Area and have entered a partnership with Fox River Valley HRC to work together for the hunt. We will have one flight of Started, one flight of Seasoned, and two flights of Finished. The judges are set, and the premium is up on huntsecretary.com. Come help us celebrate!

As always, stay safe and hug those dogs. Feel free to join us on our Facebook page!

Cranberry Country HRC – Adam Bally, President, ballysgundogs@yahoo.com.

Cranberry Country HRC is in final preparations for the upcoming hunt test season with two flights of Finished, one flight of Seasoned and Started planned each day for Saturday, July 12, and Sunday, July 13, in beautiful Tomah. Our hunt tests are actually centered in defunct cranberry bogs. Please be sure to mark your calendars to attend our second effort at HRC hunt tests with some quality HRC Region 8 judges setting up great challenges to watch exceptional dog and handler work. Saturday will wrap up with a raffle and wonderful food at our tailgate banquet on the grounds. Check out the HRC website to download a premium, and entries will be taken through huntsecretary.com. Weather is warming up, and dog training is in full force in Wisconsin.

The past few months have been full of energy, hard work, and exciting progress for the WSILL as we gear up for a busy summer.

Our Annual Fun Hunt was held on April 5th. We had a fantastic turnout, and it was a great opportunity for members to enjoy a friendly day of dog work and connection. Even better, the event's profits went directly to supporting the Roger Davis and Paul Zellisko Honorary Scholarship funds, continuing our commitment to giving back and supporting future generations.

Preparations for the upcoming HRC Spring Grand are also well underway. The club has been hard at work planning and organizing, and members have dedicated significant time to getting the grounds ready.

Our training season is now in full swing, and club members are actively working with their retrievers to prepare for hunt tests. The enthusiasm and effort from the membership this spring have been outstanding. Congratulations to Joe Golat and Buck on the achievement of 500 points.

It is with deep sadness that we share the news of the passing of our longtime member and dear friend, Jerry Daprile, who passed away on May 2, 2025. Jerry was a cherished part of our club for many years, known for the dedication he shared with his many dogs over the years, including Tanto, Penny, and, especially, Chance (HRCH UH Jerry's Last Chance). Chance earned 3855 HRC points, making her the third-highest point dog in HRC history. Jerry's presence enriched our club in countless ways, and his absence will be deeply felt by all of us.

Looking ahead, we're thrilled about several upcoming events:

- June Hunt Test – We can't wait to see everyone there for a weekend of great tests and community.
- Youth Handler Seminar (July) – A chance to inspire and support the next generation of handlers and dog lovers.
- WSILL 35th Anniversary Celebration (August) – Join us as we commemorate 35 years of passion, sport, and camaraderie in our club's history.

We look forward to seeing you at these exciting events.

Jerry and Jim.

Gateway Retrievers HRC – Dan Larson.

Gateway Retrievers HRC is preparing for a great year in 2025 as we plan to enjoy the fruits of hosting the Fall 2024 International Grand. We're considering updating our wingers, securing additional storage for training ducks, training academies, and hosting a pro seminar. The club also gave back to a local veteran's organization that helped staff the grand. Gateway members hosted an upland hunt at Heartland Lodge for members of MoVets Outdoors, a group that is dedicated to providing a community that connects veterans to the outdoors and to each other. Over the off-season, club members welcomed several new litters, and Club President Ben Kuhn and his wife, Savanna, and son, Rhett, welcomed a baby girl, Riley, in the early days of 2025. The training calendar for 2025 has been set with dates of March 15 & 30, April 12 & 27, May 20 & 25, June 7 & 22, July 5 & 20, August 2, 17 & 30, and September

13th we welcome anyone in the area looking for the opportunity to run a dog. We look forward to welcoming the HRC Community back to the region for our Fall Hunt test on September 27th and 28th.

Illinois River HRC – Josh Osborn, Secretary, osbornjm@gmail.com.

We hope everyone has had a great start to the spring training season! It has warmed up here in central IL, and we've had great weather for getting things rolling with hunt test season. Illinois River HRC is primed and ready for our hunt test in mid-May. Since this will be published after, we extend a big congrats to all who ran and passed our test! Thanks for supporting our club, and we hope you had a great weekend at Banner Marsh with us! We have training days planned for club members running through August. Club members continue to volunteer their time judging in and around our region. Thanks to all the clubs that invite us to judge your tests. Please continue to reach out to us as you need judges in the future.

Our club members also continue to share their time and expertise managing our training grounds at Banner Marsh SFWA, stewarding the great resources that we've been blessed with. During April, we conducted a workday clearing locust trees and other undesirables to expand those training grounds. It was a scratchy job, but we cleared a lot of ground and opened some new opportunities for some really cool training scenarios. Special thanks to Jeff Lemkeman for sharing some of his equipment with us. There is still work to be done, but we are excited to use the new training location to set up more diverse and reliable options for our hunt test and training setups in the future.

We are also gearing up for our club fundraiser during the annual Illinois DNR duck blind draws at the end of July. The club raffles off shotgun shells and a couple of shotguns to raise money for maintaining and building our training grounds. It's a great time, and we look forward to Tim Dietrich's grilling every year!

Good luck to everyone training and testing this summer!

Hoosier Creek HRC

Now that the hunt tests are picking up, club activities are starting to slow down. March 29th, we held our annual banquet with over 460 attendees. Funds raised from this event go towards conservation projects, the Youth Academy, equipment updates, and repairs. We recently had a refrigerated trailer donated that will be used to keep our birds cold and dry during our hunt tests. Recently, we removed a control structure gate from the Atherton Wetlands to rebuild. This will allow water to be raised and lowered to meet the Corp. of

Engineers schedule. May 3rd and 4th, we hosted our second HRC hunt test at Legacy Acres in Parnell. Close to 70 dogs competed each day. The weather was great both days of the event. This year, we had two special handlers in the Started Stakes. HCCRA member Alex Bixby had his daughter Aria Bixby (6), who put an SHR title on their dog "Babe". Aria had been working her tail off for a while now to prepare for this day. We also had HCCRA member and graduate of HCCRA's Youth Hunt and Retriever Academy, Merrick Taylor, handle his 9-month-old yellow lab "Nelli" through a successful hunt test on Sunday. Merrick, along with his friend Jacob Sarazin, volunteered to help out the entire weekend running winger stations. Can't thank these two young men enough for all their help. HCCRA would also like to extend our thanks to all the judges for volunteering their time. They had a key role in a successful hunt test. Big thanks to Mike Botts for keeping us in line and helping out where needed. Huge thanks to all the HCCRA members for taking time away from their families and helping make the hunt test successful as it was. We would also like to extend our thanks to the Veterans Liberty Center for providing 4 veterans to help out at this event. Thank you to Mike Meyer for providing us with lunches, Legacy Acres for the wonderful ground to run on, and last but not least, to Sydney Pickering for being our secretary. She had a lot of weight on her shoulders this year and pushed right through it! August 8th-10th will be our 2nd HCCRA Hunt and Retriever Academy, so stay tuned!

Arrowhead HRC – Submitted by Deann Zimmer; Jace Tramontin, President, mnretriever@gmail.com.

The snow has melted, the ice is off the lakes, grass is turning green, and just like the Minnesota Walleye opener, Arrowhead HRC has opened the 2025 training and hunt test season! On May 3rd and 4th, we co-hosted an informal field trial and hunt test with the Minnesota Iron Range Retriever Club (MIRRC). We offered puppy, started, seasoned, derby, qualifying, and open stakes. There is something about a test, even informal ones, that lets us know what we need to work on. It was also fun and reassuring to see what skills and training our dogs had retained over the winter. Saturday was a bit cool, but as Chris Spikberg said the next day, "It's Sunburn Sunday!" Temperatures reached the 80s in the Northland, and by the end of the day, we did have pink faces, necks, and arms. Not only was it a beautiful weekend, but it was so fun to catch up with ol' dog friends and get the dogs out and running again. Several of our members have new pups and are looking forward to group training, which offers so much for manners, distractions, and learning from others. Thank you to Chris Spikberg, Steve Zimmer, Deena Congdon, and Jace Tramontin for judging. Thank you to all our members for stepping up to load wingers and throw birds for the young pups. As always, thank you to MIRRC for our ongoing collaboration to have quality and safe training grounds and use of the facilities.

The summer is a wonderful time to camp, fish, and explore Northern Minnesota. If you're in the area, please join us for Thursday night training. We would love to have you. Also, our next main event is our Annual Regular Hunt Test in August. We are planning a Saturday night banquet and raffle, which is always a great time. Hope to see you there!

The early Spring has been a great opportunity for some club training days, although water work wasn't an option until just recently, getting

the dogs back into a routine and getting them refreshed and out of the hunting mode mindset has been fun to watch. As always, we appreciate and thank Casey and Jessica Dowler for hosting.

This Spring, we have several club dogs and dogs being handled by Casey running the Spring Grand in Wisconsin, and we wish them the best. Although the results will be known by the time the magazine is published, it's always an accomplishment getting ready for the Spring Grand. Running the Grand are:

It's been a busy spring for our club. We've had several good Saturday training days. The club also decided to add a midweek Wednesday training night, which has paid off handsomely. The midweek training has been well attended and has boosted membership. Members have been working hard preparing for tests in our region and others.

Along with training, the club is preparing for our hunt test in late July. Unlike many clubs, we decided not to raise our premium in the last three years. We acknowledge that times are tough for many and want to keep this sport affordable and put on a fun hunt test for dogs and handlers.

Thank you to Scott Barnette, Bruce Potter, Eddie Benetz, Butch and Arlene Gandy for attending and judging for us as well. Hope you had as much fun and were as blessed as we were by having you there. Hope to see you again!

We were able to have a group from SAU (Southern Arkansas University) as bird techs. They did a great job! Many of these students are members of Ducks Unlimited. We thank Greg Harrell for taking on the responsibilities as Hunt Chair—great job on your initial Hunt Test. We have many club members who are always willing to help where needed.

Scheduling Training Days that are convenient for all is almost impossible, but thank you, Tom Vandenbrand, for leading out and scheduling them so that old and new members can attend, especially with their new puppies, eager to train or play with the big dogs.

Remember to prepare and condition your dogs as the summer approaches. It's all about our dogs!

Wishing the best for those going to the Spring Grand, whether to run a dog, judge (Damian Stroder), or act in an official capacity. Have fun and be safe. Also, safe travels to those attending the National Meeting in June.

We have had some wonderful weather for training this spring. I hope you have been able to get out and take advantage of it.

It was disappointing that entries were down for our spring hunt. Unfortunately, that seemed to be the case for many clubs this spring. Maybe the late snow and ice impacted opportunities for training for the early March tests.

Our next event is already in the works. Pin Oak will host a Super Retriever Series club event at Peppers Pond on June 6th through the 8th. Many hands make light work, as the saying goes, so we hope you will volunteer to help with the event. Volunteers get a one-of-a-kind t-shirt and the opportunity to see some incredible dogs run!

We have many Pin Oak dogs training to participate in the Spring Grand this year. It's being held at the Richard Bong Recreation Area in Kansasville, Wisconsin, and that's a long way from Arkansas. I want to wish everyone who has a dog running the best of luck. They call it the Spring Grand, but it starts on May 23rd, and as you know, in Arkansas, we call that Summer!

I want to congratulate club member Whitney Killough for putting 1000 points on her dog Cray by the ripe old age of 3, and Benny Richards, who earned his started title on Saturday and his first seasoned pass on Sunday with Duke at the Pin Oak Spring test! Great job, both of you!

So, we went from cold and frosty to wet and wild here in NE Oklahoma. It has been a crazy weather pattern this spring, but the ponds are nice and full and ready for hunt test season. Members have been busy since the last report. Training and running their dogs, and several have been judging for clubs near and far. They've traveled to Arkansas, Kansas, Louisiana, Missouri, Nebraska, Oklahoma, and Texas to judge, and that's just the beginning of hunt test season. We'll also have members traveling to Wisconsin for the Spring Grand.

We'd like to congratulate member Nathan Atkinson and Seeker for their accomplishments. Welcome to the HRC Hall of Fame member, 6xGRHRCH Blue Sky's Traveling Bunns MH HOF. Nathan said their journey started on April 6,

Good luck to all our friends with your hunt test adventures the rest of this hunt test season! Looking forward to seeing everyone out at tests. It's always good to see friends, enjoy great fellowship, and watch dogs do some awesome work. Until next time, God bless.

Hello from Three Rivers HRC! We held our 25th anniversary spring hunt test in early April, and it was one for the books! The weather on Saturday was absolutely brutal, with cold rain and wind blowing so strong that the ponds were white capping. We have to say this was a true test of handlers, club members, and our retrievers' dedication and love for the hunt test game! We all came together and powered through the day to get the tests done. In hopes of less rain on Sunday, we all gathered at headquarters on Saturday evening for our banquet and raffle to cheer one another on for passes earned and enjoy a meal together. Sunday came, and although it was a muddy mess, the rain slowed and let up mid-morning. All in all, it was another successful hunt test weekend. We thank all the judges and handlers for joining us and stepping up and pitching in to get the job done. We appreciate you!

Moving forward, as we enter summer, members continue running tests as well as judging. We have started planning for our Fall test and will keep up with monthly training days and meetings.

Huge congrats to Tristen Holley and Cole LeBrun. These new members have already earned the SHR designation on their retrievers! Looking forward to seeing more titles in the future!

Our club had a wonderful turnout for a very informative Frank Price Seminar on Water Basics with over 30 members in attendance! We are so fortunate to have access to Frank's knowledge and his eagerness to share training tips with us! Thank you, Frank Price, Purina Pro Plan, and Michael Thomas, for hosting this event that was enjoyed by all!

You recognize a real hunter when they take the bird from their retriever, lift it up, and thoroughly check it for jewelry! That's real world! And in an effort to ensure HRC was all about realism, Founder Omar Driskill informed handlers during a Finished Briefing at one of HRC's early tests that a real duck band he had taken from a Pintail had been put on a bird, and someone would go home with something

extra! You want to talk about realism...EVERY bird was inspected with great enthusiasm and continued to be checked even after handler Bill Johnson was lucky enough to get the banded duck! Conceived by Hunters for Hunters was in true form that day, many years ago, and should be even as we continue to grow.

Please mark your calendar for our Fall Hunt, September 13-14. We would love to go hunting with you!

Pontchartrain Retriever Club – Submitted by Molly Burns; Brent Smith, President.

The Pontchartrain Hunting Retriever Club remains active and engaged as we move through 2025. We are pleased to announce that the club will hold its annual officer elections on May 17, 2025. Our commitment to training and education continues with monthly training days, open to all members and guests who wish to enhance their retrievers' performance in the field. These sessions provide valuable hands-on experience in a supportive, skill-building environment. This past March, the club was proud to participate in the 45th Annual Louisiana Sportsman Show. We conducted hunt test demonstrations and engaged with the broader outdoor community, promoting the sport of retriever training and responsible dog handling. It was a successful event that strengthened our visibility and outreach. Members and the public are encouraged to stay informed about upcoming events and announcements by following the Pontchartrain Hunting Retriever Club's official Facebook page.

We have been busy this spring at Amite River HRC. We had our annual March hunt test and also hosted an SRS event in early May. Congratulations to all who participated, and special thanks to those who helped make these events fun for everyone and a success for the club.

Now, after a busy spring, we are headed into the warmer summer season. Training will have to take place a little earlier or later in the day. Hopefully, we will be able to schedule some training days in the coming months – follow us on Facebook for announcements. When training, keep your dog watered and cool, and always be on the lookout for signs of heat stress!

Future events for the club include another SRS event, August 22-24, and we are already making plans for our 40th Anniversary Spring 2026 hunt test. We wish to make this hunt test a special one and need everyone's help and input for it to be extraordinary.

Please follow Amite River HRC on Facebook for event news, meeting announcements, and

for training day events. We encourage ALL club members to join in the fun and fellowship by participating and helping in any way possible. Have a great summer!

finished flights with great retrieving! Our wet spring has also benefited our retriever teams travelling to the Spring International Grand Hunt in Kansasville, Wisconsin. For many, Grand training has already started, and the “Big Dogs” are excited and ready to hunt! CLRC made some changes to their normal hunt test dates with a 2-week jump from early August to August 23-24, 2025, and a 2-month jump from February to April 11-12, 2026. We look forward to hosting our August 23-24 hunt at Moreauville, LA, with another exciting puppy run, tasty tailgate supper, and rousing raffle. We wish the best of luck to all our members and HRC friends competing at the Grand. Our club meetings are the third Thursday of most months, 7 pm, at 1889 Monroe Highway in Pineville, with a training day on the following Saturday. All retriever enthusiasts are welcome!

Cajun HRC has been taking it easy the last couple of months. We are preparing for the Gueydan Duck Festival Dog Trials on August 16 in Gueydan, Louisiana. This is a non-sanctioned event. We are also getting ready for our Fall Hunt test on October 4-5 in Gueydan. If you missed our 40th anniversary Spring test, now you have a chance to make our 40th.

Last and certainly not least, I want to thank our judges who took time from their own families and personal schedules to evaluate retrievers at the 3 levels of testing. Greetings from Cowtown. My, how time flies! One minute you're thinking about the Spring Hunt Test Season and deciding which test you may want to enter, and then it hits you that the end is near. I hope that you had a good time running your dog and learning what areas need to be improved. The 2025 Cowtown Hunt Test is in the books, and it was another successful one. First off, I would like to thank the handlers who chose to participate in our hunt test. We were full in both Finished and Seasoned, and in Started, we averaged in the mid-40s, which was outstanding. Our handlers ranged from a Pro with his dog earning 1,000 points and Hall of Fame status to a teenager and his dog earning a Started Title. Secondly, I want to thank those Club members who volunteered to help at each testing level to ensure that things went

Our club has had a busy spring 2025 hunt test season this year. Either judging or running dogs, our members have been busy traveling. Congratulations to Hayley Walden, Kim Dunbar, Dennis Berger, Laura Fletcher, Mike Southerland, Patti Southerland, Juli Mitchell, Ryan Compton, Keith Hill, Natalie Hill, Mark Freis, and Sharon Freis for traveling and supporting our other Region 12 clubs.

Once again, our club had another great showing for our annual Spring Snake Avoidance Clinic held in San Angelo this April. The rains and cooler weather slowed the interest down from previous years, but we still had 50-60 dogs show up. A big thank you goes out to Connie Whitman and all the members who came out to help the club. Hopefully, those dogs will never have to fall back on this experience, but at some point, the dogs and their owners will appreciate the helpful exposure if they do run across one of those slithery creatures.

With the spring hunt test season and the school year ending, a lot of people may be slowing down. For those of you who have kids, we urge you to consider attending one of the HRC-sponsored Youth Camps that may be held near you this summer. It is a great opportunity to get your kids involved with this sport while gaining experience training and handling your dogs, and as a plus, for the most part, the parents get to stand by and watch and not throw birds or load wingers! For the Texas region, there will be one held in June in Zephyr, Texas. Be sure and check the website for any upcoming Youth Camps this year.

At the end of March, we hosted our hunt test in Bonham, TX, at Edwards training. We had great weather and a good number of dogs. We first want to say thank you to the Landowners for allowing us to take over their property for the weekend. Thank you to the judges and

handlers. Our club members worked hard to make everything look seamless, from setting up the test to rebirding and moving from the morning test to the afternoon series. The Boy Scout troop we had did very well for us, showing up early and working till the final dog ran. Congratulations to everyone who passed the tests. Please plan to join us next year for our 40th Anniversary test, which will be March 21st and 22nd, 2026. With that, the Hunt Test committee is already planning for the 40th Anniversary test. Hope to see you there.

Since the tests are over in our region, the club is hosting a training day and will be doing some workdays at our training grounds. We will also be having our club Top Gun shoot in August, and sometime in the early fall, our club Top Dog event will be back.

North East Texas HRC – Submitted by Amie Kelly; Sharon Beall, President, sharonlabs@aol.com.

April 5 and 6 will be a memorable Hunt Test for a lot of people, for sure. Northeast Texas had its Spring HRC Hunt Test in Henderson, Texas, along with some unexpected wild weather. What can you say, turn around and the weather will change here in Texas, which sure was the case that weekend.

To start off, we would like to give a huge shout-out and thank you to the judges, marshals, bird technicians, and everyone who helped at the test. Without you all, the wild weather weekend test would not have run as smoothly as it did.

We had anywhere from first-time handlers and dogs in Started, to dogs receiving their HRCH Title. Northeast hunt tests are always fun and full of surprises. I have to say that the judges are always great about making handlers' nerves seem to disappear, by the way they interact with them.

Gary Kelley started the test off by running his pup, Timber, in Started. Timber received his first two Started passes that weekend.

In the Season, we had a special treat with Zack Starling and the little brown dog Reggie running as the test dog. Nothing better than watching a great handler and those little brown dogs work.

Ken Starling and his sweet HRCH Sadie were the test dog and pickup dog for Finish. These two have a bond that can be seen from miles away. Pamela Norris and the little sweet JoJo picked up another two Finish passes that weekend. Mason Nestleroad and Earl received their HRCH Title.

These are just a few of the ones that had a great weekend at Northeast Texas Hunt Test, no matter how the weather was. We do this for the love of the dogs, the sport, and to be able to support each other.

We want to wish everyone good luck on the Spring Grand and safe travels.

May your blinds be straight and all your birds

On the weekend of March 16th, 2025, 14-year-old Kylee Hartshorn (granddaughter of David and Lee Ann Heldt) and Maverick earned their Upland Hunter Title! This devilish duo is the youngest team to ever accomplish this within the PVHRC Club and possibly Region 13. The Upland Hunter Title was accomplished by passing 4 tests in a single weekend. We are so incredibly proud of their teamwork. CONGRATULATIONS to both Kylee and Maverick!

I'd like to thank all the judges, marshals, bird techs, handlers, and volunteers who helped put on a terrific 2025 Spring PVHRC Hunt Test on April 26th and 27th at Indian Meadows Hunt Club. With Started, Seasoned, and two Finished stakes, it took a lot of volunteers to make it a memorable weekend for all involved.

Congrats to all our newly titled dogs. John Edmond and Pounce earned their Started Ribbon; Kelly Friday and Gus, one of our newest handlers, earned their Started Title over the Spring test weekend. If we can get Kelly to hold a duck for more than 1 second, we'll see this dynamic duo running Finished before you can say, "Please take the Duck." Jeff Miller and Jake earned their seasoned title in Southern Colorado and then continued their streak with a finished pass at Indian Meadows. Jeff also enjoyed an ice-cold 5-gallon bucket of water. Curt Lacey and Annie earned a Finished title at Southern Colorado, as well. Earl Bradshaw and Jenny earned their Finished title at Indian Meadows, and we won't forget the club owes you a bucket during the fall test. Last, but not least, one of our hardest-working members, Paul Navarre and Teal, achieved their Seasoned Title at Indian Meadows.

I'm sure I missed several new titles, so congratulations to all who will graduate to the next level of HRC. Again, it is with great pride that I say thank you to all of you who have gone

above and beyond during our Spring Hunt Test. I look forward to seeing everyone during our monthly training events and regional hunt tests coming up this summer.

The grind has started for the Valley. The first stop for most of our members was the test out at Great Plains in Wood River, NE. Temps were warm; TX wasn't as warm that weekend. We provided five judges and ran 13 dogs; many passes were earned at every level. Now we turn our attention to the Salt Valley test on June 28-29. Like many in the Midwest, we are very dry and hoping for timely rain to make for easy test site decisions. We are putting together some nice raffle items and will have plenty to eat and drink at the banquet on Saturday. Come join us, it will be a fun time. Stay safe this hunt test season.

Well, the 39th Annual Southern Colorado Hunting Retriever Club Hunt Test is a wrap! It was snowy and quite cold on Saturday (almost too realistic for a duck hunt), but the weather gave us a break on Sunday, and it turned out to be a very nice day! Thank you to everyone who attended and braved the weather conditions. We appreciate it and hope that everyone had a fun weekend. Last but certainly not least, A BIG THANK YOU goes out to all of the Judges, Bird Techs, and SCHRC Club Members who helped to pull off a great test!

As our organized group training days come to an end for this year, members are highly encouraged to continue training in smaller groups or even on their own, as consistent training throughout the year will not only allow you to build a better hunting partner but will allow you to further progress through the hunt test ranks. Get out there and train!

It has been a great training season so far! SCHRC members have been well represented and have had very good success in the early hunt tests of the year. Good luck to everybody who is running in other hunt tests throughout the summer. We are rooting for your continued success!

Cascade HRC – Submitted by Pam Ulsh, President.

Cascade Hunting Retriever Club wants to thank everyone who supported the club at our hunt test on April 12th and 13th! Thanks to everyone who traveled to join us. Thank you to all the judges who gave up running their dog(s) for one or both days in order to help us out. We had representation (either judging or running) from every club in Region 14. Wow. We really appreciate the support.

It was hard to remember that we were at a

Cascade test. The sun was shining most of the time. There was a pretty good shower as well as some drizzle, but we were lucky. No thunder or lightning. The porta-potty didn't blow over. And there was no snow or hail. Somehow, we slid in between soggy weekends. The weekend before, the parking lot at one set of test grounds was under water. Don't worry - it is highly likely we will be back to regular Cascade hunt test weather next year.

We missed our pizza truck this year (already working on our reservation for next year) at our tailgate, but a good time was still had. Thanks to the generosity of those attending, we had a great raffle and auction with many smiling faces. At the ribbon ceremony, there were some first-time ribbon recipients and teams who earned passes towards their titles, as well as points added for those dogs chasing points, and titles awarded to hard-working teams. We even finished the tests and the tailgate while it was still light outside.

We used the extra chukar (great bird management from our judges) from the test to hold an Upland training day as part of our regular training day in May. We were able to offer a chance for new dogs to try out upland, as well as experienced dogs to get some training. A good time was had by all.

Cascade members are looking forward to supporting the other clubs in Region 14 (and other regions when possible) in the upcoming months, either by judging, running, or a combination of both. We are also looking forward to working with Whistling Wings HRC in hosting our joint test the first weekend in August at Snoqualmie Training Grounds in Carnation, Washington.

Looking forward to seeing old friends and making new ones as we travel around the region for a great 2025 hunt test season.

Newaukum River Club hosted its third annual HRC introduction seminar, “Come Hunt with Us.” This seminar is intended not only to introduce people to HRC but also to help beginning handlers move from Started to Seasoned and beyond. We spend two days that include instruction and practical experience learning about gun handling, the rules of the game, and handling tips for success at the line. This year, we were fortunate to have Cindy Leung from Trainers to the Rescue talk about the connection between obedience and successful field work. The event concluded with each handler having an opportunity to run their dog and receive a critique from an HRC judge. Participants gained knowledge and confidence. We look forward to seeing them at our hunt test in July.

Monthly training days are continuing, and preparations are underway for our July hunt test, scheduled for the second weekend in July, with a double Upland test on Monday. Located in Centralia, WA, our test is held on property that is maintained for duck hunting and provides the foundation for great HRC-style tests. Also unique to our club is Judy’s pie shack, where pies made from scratch and home-baked to perfection are sold whole or by the slice to support the club. They are delicious!

Northeast Washington Gun Dog Club – Submitted by Gina Goodrich; Dave Steinbach, President; Northeast Washington Gun Dog Club (newgdc.com).

The NEWGDC held a successful hunt test on May 3rd and 4th at the Burlington Ranch in Chewelah, WA. The hunt test grounds and ponds were in prime condition for this May event. For the weekend, we had a total of 22 entries for Started, 16 in Seasoned, and 41 in Finished. It was a bit soggy on Saturday, but the skies cleared, and we had a beautiful day on Sunday. The dinner, auction, and raffle brought everyone together for some great food, awards, cake, and prizes. It was good to see not only local participants, but also people from Idaho, Montana, and Canada.

Huge thank you to the judges: Les Anderson, Carol Black, Doug Burt, Dave Carey, Margo Ellis-Lingohr, John Gilbert, Ted Hayes, Dean Olsen, Dave Steinbach, and Ellen Ziegler. Also, special thanks to the local baseball team, Chewelah Cougars, for stepping up to the plate as duck wingers (instead of bat swingers). This was a first for them; they did a great job despite the soggy weather and really knocked it out of the park for our club!

There were lots of ribbons handed out and titles awarded, but no buckets dumped since so many were a bit damp from the rain showers. We are looking forward to the next Hunt test over the Labor Day Weekend at Burlington Ranch in Chewelah, when buckets will be dumped!

The SCHRC held its spring 3-day hunt tests at the Swallowfield estuary in Crofton on Vancouver Island, April 19 - 21st. We had an entry of 25 dogs on Saturday, 24 dogs on Sunday, and 29 dogs entered in Monday's Double Upland test. The breakdown for the tests was as follows:

Saturday—Started=4 out of 4 passed; Seasoned = 3 out of 4 passed; Finished =11 passed out of 17. 1 scratch.

Sunday—Started=4 out of 4 passed; Seasoned = 3 out of 6 passed; Finished = 7 out of 13 passed.

Monday—Upland "A"= 10 out of 15 passed; Upland "B"= 12 passed out of 14 with 1 scratch.

The weather was on our side for the weekend, and participants enjoyed a BBQ dinner and auction on Saturday evening.

The club would like to thank:

- Our event sponsors: Purina, Garmin, and Inukshuk.
- Everyone who volunteered and donated to our successful silent & live auctions.
- Everyone who attended and enjoyed a great weekend with friends (2 & 4 legged) & fresh air! A huge congratulations to everyone on their passes.

On May 11th, we completed our spring HRC Hunt Test. We had judges from Montana, Oregon, and Washington, and greatly appreciate their support. There was very nice dog work in all three stakes for being this early in the testing season. Several handlers had dogs qualify on both days - kudos. For the ribbon ceremony and celebration meal, the club hosted a Taco Bar with home-raised Angus beef and wild turkey (meat, not liquor). There is a lot of work behind the scenes with planning -- SBDA started last September; a special thank you to the people who stepped in this year for the first time to make this event happen!

Eight dogs were titled over the weekend. Apologies if we did not capture your title.

Western States Boykin Spaniel Club – Submitted by Andy Engilis; Doug Burt, President; westernstatesboykinspanielclub.com.

Greetings from the Western States Boykin Spaniel Club (WSBSC). We are dedicated, Boykin Spaniel Owners representing the breed in 11 Western States. On April 5th and 6th, the WSBSC held its annual spring HRC/UKC hunt test in sunny, but cool Northern California. The event was held at the Clear Creek Sports Club in Corning, located in the Sacramento Valley, a hunting mecca for waterfowl and upland birds. This 3,000-acre hunting venue provided a beautiful setting with rolling hills of spring wildflowers and grasslands sprinkled with ponds and vernal pools. The two-day event saw 91 dogs of multiple breeds entered in all three HRC categories. One dog titled in Finished, while two titled each in Seasoned and Started levels. Most of the other pups began their journeys towards their respective titles. Despite the huge geographic area of our club, the event drew dogs from six states. It was exciting to see the varied breeds at work from Labrador, Golden, and Chesapeake Bay retrievers, and Standard Poodles, to American Water, Boykin, English Cocker spaniels, and Nova Scotia Duck Tolling Retriever. Ten Boykins participated in the two-day test, three at Finished Level (congrats to Ann E. and handler Doug Burt on achieving a Finished Title), three in Seasoned, and four in

Started. The club held an evening barbecue and auction and recognized all dogs that earned passes in their events. Our thanks to the field judges, marshals, and numerous volunteers who helped pull off a wonderful event. Finally, our thanks go to all who donated to our auction, including several WSBSC members, and our sponsors Purina, Garmin, Bison Cooler “HRC Model”, and Gunners Up.

On April 3rd, WSBSC held a Judges & Handlers Seminar in Willows, California, to expand our roles in future events. Also, the club holds regional training programs in the Greater Sacramento area for Boykins. More activities are planned to include a summer meet and greet with the Golden State Boykin Spaniel Club and our annual fall pheasant hunt. If you would like more information about our club, you can find us on Facebook, and our new website (<https://www.westernstatesboykinspanielclub.com/>).

REGION 14A

Terri Sanders

Treasure State Retriever Club – Submitted by Margo Ellis-Lingohr; Mike Heard, President.

Well, the weather is finally starting to warm up. The grounds were opened for training on May 1. This was earlier than previous years. The training groups are gathering to prepare for our upcoming events. By the time this posts, we will be just starting our second annual SRS event. We are excited to hear that we will have folks from all across the country attending, with some of the top competitors in the SRS game. If you want to watch the big dogs run, come out to the grounds June 27-29.

On another topic, Mike has created a list of chores that need to be worked on this summer. If you haven't received it, please reach out to Mike, and I'm sure he would be happy to send it to you. The work includes some chainsaw work, painting, weed spraying, and fence repair. If you have some free time and are willing and able, please help us in getting these grounds in tip-top shape again.

The test season has kicked off, and many members are already hitting the road, working on their titles and the coveted dog of the year title. Be safe and best of luck this year.

Five Valley Retriever Club – No report submitted. Ted Hays, President.

South Hills Hunting Retriever Club – Submitted by Terri Sanders; Randy Both, President.

Greetings from Idaho! As I write this, our club is gearing up for its spring hunt test this weekend. We are excited to welcome Kyle and Sarah Krause, who are coming up to judge this weekend.

Our members are busy chasing ribbons and points. We currently have three dogs within striking distance of the 500-point club—no small feat to accomplish out here in the west.

We are also planning our Fall Quad Upland hunt in September.

Mountain West Hunting Retriever Club – Christian Martir, President.

Mountain West HRC members have been hard at work training, and it showed during our second-ever hunt test this April! From small victories to major titles, every team left with something to be proud of. We kicked things off with a fantastic judges' dinner (after the wind settled!), followed by two days of beautiful

spring weather and outstanding performances. Looking ahead, we've got more training days on the horizon—including, we hope, our very first upland training day. We're excited to keep building momentum, supporting one another, and helping our dogs reach their full potential in the field. A heartfelt thank you to our board, judges, volunteers, and handlers for your dedication and support. Your efforts continue to grow this amazing sport and community in Utah. Open and safe!

REGION 15

Jamie Smith

Roadrunner HRC – Roxanne Webster, President.

Roadrunner HRC held its annual hunt test on April 12 and 13 at Navajo Lake State Park. It was a fun test with everyone pitching in to make up for our throwers having to cancel at the last minute. Quite a challenge for a small club, and I'd like to thank the judges and handlers who pitched in to help out and who put up with things running just a bit slower than usual. Special thanks to the 4-H group that rallied together to help. It was so much fun, with a dynamic group of handlers from Colorado, Arizona, and more.

Finished.

George Fisher waiting for the honor.

Prado Basin HRC – Lisa Griggs, President.

The Prado Basin had a fantastic hunt test on May 4th and 5th. The judges were stellar, presenting challenging yet trainable concepts that showcased the traits of hunting dogs in action. It was great fun.

Battle Born HRC – Scott Fowler, President.

BBHRC is supporting HRC clubs, providing training, and working on building a stronger club, so keep watching...

Copperstate HRC – Mike Wilson, President.

Copperstate HRC members have been out supporting clubs, judging, and participating in ongoing weekly training, often rising early due to the hot temperatures. Most of all, They Have Been Having Fun with Dogs, enjoying good times with good folks in God's Country.

Hunt Reports

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs! Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!
This issue contains all 2025 Event Reports processed from March 13, 2025 through May 8, 2025.

Note for Dogs who had Earned 100 Upland points before January 1, 2025:

For dogs that earned 100 Upland points before January 1, 2025 and wish to have the Upland Hunter Champion title, submit a Title Issue Application found under "Forms and Rules" in the "Hunting Retriever" section of the UKC website.

ukcdogs.com/hunting-retriever-forms-rules
and email the form to **huntingops@ukcdogs.com**

HUNTING RETRIEVER CLUB, INC. **Point Club** RECOGNITION PROGRAMS

The 500, 1,000, 1,500, 2,000, 2,500, 4,500 & 5,000 Club Programs are recognition programs for HRC members who own dogs achieving 500, 1,000, 1,500, 2,000, 2,500, 4,500 and/or 5,000 UKC Championship points in the HRC Hunt Test & Upland Hunt Programs.

The HRC member-owner of the dog must be a member in good standing with HRC, Inc. for a minimum of 12 months prior to the time the dog earns the qualifying Championship Points (500th for 500 Club & 1,000th for 1,000 Club, etc.).

HRC recognizes the 100 Championship points that count toward the retriever's HRCH title & all additional points (including Preliminary Hunts) earned in Finished, Grand & Upland Hunt Tests toward the Point Clubs.

The Programs consist of the awarding of a specially designed distinctive jacket embroidered with the HRC logo, owner's name & the qualifying retriever's name. Only

one jacket will be awarded for each 'qualified' dog. However, additional jackets may be purchased by the owner through the HRC Administrative Secretary. This is to allow co-owners, spouses, family members, handlers, etc. to participate in the recognition of the accomplishment of the dog.

A Certificate of Accomplishment & Letter of Congratulations will be issued & sent to the 'qualified' dogs announcing their induction into these prestigious Clubs. An order form for the jacket will be included with the Certificate.

It is the desire of HRC & UKC, due to the significance of the accomplishments of these Hunting Retriever Champions, that the jackets be presented at a ceremony to the recipients at a National HRC event/by their home HRC Club with special ceremony.

Direct questions to Tammy Cobb, HRC Administrative Coordinator, at 269-364-2054/ tcobb@hrc.dog

Following are additions to the list of all dogs & their owners that have met the qualifications for the clubs, compiled as of May 15, 2025.

Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
8. They are barred from advertising in any UKC publication or UKC internet site.
Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

IMPORTANT NOTICE: Please file an official Change of Address with the United States Postal Service (at <https://moversguide.usps.com> or your local Post Office) to prevent missed mailings. The USPS will forward standard mail for up to a year and periodicals for up to 60 days. UKC will process change of address requests in a timely manner, but due to advance mailing schedules, it may be 4 to 6 weeks until all correspondence is being sent to the new address. To prevent lost or returned mail, file a Change of Address form with the USPS immediately.

Once submitted, this form becomes the property of UKC and will not be returned.

ATTENTION ADVERTISERS

YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS. Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers. Please note: The use of trademarked or copywritten material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.

Procedures & Schedule for Ordering Purina Dog Food for Hunt Tests*

- The schedule for ordering has changed and deviations from the schedule for order due dates are no longer available.
For those tasked with ordering the Purina dog food for their club's hunt test, please use the following information and guidelines to ensure you receive the dog food for the hunt test.
- The order **must be received** by the deadline date listed below.
- The hunt test application must be submitted to UKC, along with the application fee and appear on the UKC Calendar of Events on the UKC website before the order will be placed with Purina.

Ordering schedule for 2025/2026

Month Of Hunt Test	Date Order Is Due
March 2025	January 2, 2025
April 2025	February 1, 2025
May 2025	March 1, 2025
June 2025	April 1, 2025
